If You Were a Triangle Dec 01 2019 Describes the properties of triangles in mathematics and everyday objects shaped like triangles.

If I Were a Tiger Jun 06 2020 A whimsical and playful rhyming picture book about a young boy who imagines himself as a tiger to overcome his fears—only to realize that he can trust in God. Meet Tim Bone. He has a big imagination, and when it roams wild, he's afraid of a lot of things. He's scared of the moon and the wailing typhoon, and he won't wear his sneakers because he fears hidden creatures. Tim's nervous at home, at school, and at play! Fed up with being frightened, Tim comes up with a bold solution: He's going to become a tiger so he can be fiercer than his fears! There's just one problem: If he's a tiger, he can't be Tim. Could there be a better solution? What if Tim puts his trust in God—who made both boys and tigers—instead? *If I Were a Tiger* invites kids of all ages to live in the comforting truth that no one has to carry their fears alone, and offers the reminder that God is only a prayer away.

What If We Were Angels? Sep 21 2021 Why is the Book of Jude in the New Testament? Why is it so important that we know about angels that sinned thousands of years ago? What can we learn from the words of Jesus Christ, which will help us understand the Book of Jude? Let us take a voyage through the words of the Messiah as we ponder these questions, find some of the answers, and see what the time of the unveiling is.

If I Were a Book Apr 28 2022 This sweet celebration of the magic and wonder of books will delight readers of all ages through André Letria's whimsical illustrations of a book as a kite, a tent, a ship, and more are paired with José Jorge Letria's thoughtful musings on the joys of reading. In the hands of this internationally acclaimed father-and-son duo, a book becomes a mountaintop with a spectacular vista ("If I were a book, I'd be full of new horizons"), and an endless staircase of imagination ("If I were a book, I would not want to know at the beginning how my story ends"). Seamlessly weaving together art and prose, this petite tribute to a reader's best friend makes a timeless addition to every bookshelf.

What If Telecoms - Were the Key to the Third Industrial Revolution? Mar 16 2021

If You Were a Plural Word Mar 04 2020 Describes what plural words are and provides examples of how they are used.

What If This Were Enough? Dec 25 2021 *A Publishers Weekly Best Book of 2018* *A Bustle Best Nonfiction Book of 2018* *One of Chicago Tribune's Favorite Books by Women in 2018* *A Self Best Book of 2018 to Buy for the Bookworm in Your Life* By the acclaimed critic, memoirist, and advice columnist

behind the popular "Ask Polly," an impassioned collection tackling our obsession with self-improvement and urging readers to embrace the imperfections of the everyday Heather Havrilesky's writing has been called "whip-smart and profanely funny" (Entertainment Weekly) and "required reading for all humans" (Celeste Ng). In her work for New York, The Baffler, The New York Times Magazine, and The Atlantic, as well as in "Ask Polly," her advice column for The Cut, she dispenses a singular, cutting wisdom--an ability to inspire, provoke, and put a name to our most insidious cultural delusions. *What If This Were Enough?* is a mantra and a clarion call. In its chapters--many of them original to the book, others expanded from their initial publication--Havrilesky takes on those cultural forces that shape us. We've convinced ourselves, she says, that salvation can be delivered only in the form of new products, new technologies, new lifestyles. From the allure of materialism to our misunderstandings of romance and success, Havrilesky deconstructs some of the most poisonous and misleading messages we ingest today, all the while suggesting new ways to navigate our increasingly bewildering world. Through her incisive and witty inquiries, Havrilesky urges us to reject the pursuit of a shiny, shallow future that will never come. These timely, provocative, and often hilarious essays suggest an embrace of the flawed, a connection with what already is, who we already are, what we already have. She asks us to consider: What if this were enough? Our salvation, Havrilesky says, can be found right here, right now, in this imperfect moment.

What If There Were No Significance Tests? Jun 18 2021 The classic edition of *What If There Were No Significance Tests?* highlights current statistical inference practices. Four areas are featured as essential for making inferences: sound judgment, meaningful research questions, relevant design, and assessing fit in multiple ways. Other options (data visualization, replication or meta-analysis), other features (mediation, moderation, multiple levels or classes), and other approaches (Bayesian analysis, simulation, data mining, qualitative inquiry) are also suggested. The Classic Edition's new Introduction demonstrates the ongoing relevance of the topic and the charge to move away from an exclusive focus on NHST, along with new methods to help make significance testing more accessible to a wider body of researchers to improve our ability to make more accurate statistical inferences. Part 1 presents an overview of significance testing issues. The next part discusses the debate in which significance testing should be rejected or retained. The third part outlines various methods that may supplement significance testing procedures. Part 4 discusses Bayesian approaches and methods and the use of confidence intervals versus significance tests. The book concludes with philosophy of science perspectives. Rather than providing definitive prescriptions, the chapters are largely suggestive of general issues, concerns, and application guidelines. The editors allow

readers to choose the best way to conduct hypothesis testing in their respective fields. For anyone doing research in the social sciences, this book is bound to become "must" reading. Ideal for use as a supplement for graduate courses in statistics or quantitative analysis taught in psychology, education, business, nursing, medicine, and the social sciences, the book also benefits independent researchers in the behavioral and social sciences and those who teach statistics.

[If We're Together, Why Do I Feel So Alone?](#) Mar 28 2022 Harvard University lecturer and clinical psychologist Dr. Holly Parker offers a step-by-step guide for coping with emotionally unavailable partners. Living with an emotionally absent partner can be overwhelming. Constantly overcoming the silent distance can leave you with the sense that the give-and-take in your relationship has disappeared. But even a broken relationship can be reinvigorated. In helping real-world couples achieve a fulfilling future, Harvard University lecturer and clinical psychologist Dr. Holly Parker has developed a program filled with practical exercises and powerful advice for individuals on both sides of an emotionally damaged relationship. In *If We're Together, Why Do I Feel So Alone?*, Dr. Parker presents her revelatory insights on topics such as:

- How to identify unavailable personality types, such as the Critic, the Sponge, the Iceberg, the Emotional Silencer, and the Defender
- How to create healthy emotional connections and boost physical intimacy
- How to eliminate habits that trigger self-sabotaging behavior

With patience, empathy, and willpower, Dr. Parker's program can help you restore balance and peace of mind, and turn your damaged partnership back into a rewarding and joyful bond.

[What If There Were No Bees?](#) Feb 24 2022 Follows the chain reaction of losing one animal species, bees, to the grassland ecosystem.

[What If Your ABCs Were Your 123s?](#) Jan 26 2022 Includes teaching scenarios modeling the crossover of literacy and math strategies, and provides techniques to strengthen students' grasp of foundational concepts and advance their skills in reasoning and problem solving.

What If We Were Somewhere Else Jan 14 2021 What If We Were Somewhere Else is the question everyone asks in these linked stories as they try to figure out how to move on from job losses, broken relationships, and fractured families. Following the employees of a nameless corporation and their loved ones, these stories examine the connections they forge and the choices they make as they try to make their lives mean something in the soulless, unforgiving hollowness of corporate life. Looking hard at the families to which we are born and the families we make, What If We Were Somewhere Else asks its own questions about what it means to work, love, and age against the uncertain backdrop of modern America.

[If I Were an Animal](#) Feb 01 2020 Come explore the lives of fourteen animals and celebrate with them enduring their struggles and defeats. Travel through the world of these creatures and experience their everyday tasks of looking for food, conflicts, and having fun along the way. The challenges of being an animal are not so far from surviving as a human! There's a lot to learn as you read about each one's eating and hunting habits, along with where they sleep and why the deer's ears are so large! Moms and dads may learn something too. Territory is just as important for animals as it is for humans. Ever wonder why we build fences and walls around our homes? You will see we are not so different. We all like to run and play too! Maybe you will find yourself howling like the coyote as you dig into the wonderful world of animals, or laugh as you read about the one animal that stuffs his cheeks full of food. Oh, and who else can scream like you? And you thought pouncing was just for play! Learn a bit of animal science as you wander your way through, and maybe you can even find out how to help too! By the way, do you know what the difference is between a mammal and a bird? There are animals that live up high in the mountains where it is cool. They cannot tolerate hotter climates. Eyesight and hearing even matters when you are worried about survival. There's a creature that can't even smell! There's an animal that's actually an acrobat—just wait and see what it can do! At the end of the book is an activity page where you can draw your own animal. This debut book by this new author Debra Pappin Hunt breaks all the rules and will keep the children asking to read it over and over.

[The Blue Book of Grammar and Punctuation](#) Nov 04 2022 The bestselling workbook and grammar guide, revised and updated! Hailed as one of the best books around for teaching grammar, The Blue Book of Grammar and Punctuation includes easy-to-understand rules, abundant examples, dozens of reproducible quizzes, and pre- and post-tests to help teach grammar to middle and high schoolers, college students, ESL

students, homeschoolers, and more. This concise, entertaining workbook makes learning English grammar and usage simple and fun. This updated 12th edition reflects the latest updates to English usage and grammar, and includes answers to all reproducible quizzes to facilitate self-assessment and learning. Clear and concise, with easy-to-follow explanations, offering "just the facts" on English grammar, punctuation, and usage Fully updated to reflect the latest rules, along with even more quizzes and pre- and post-tests to help teach grammar Ideal for students from seventh grade through adulthood in the US and abroad For anyone who wants to understand the major rules and subtle guidelines of English grammar and usage, The Blue Book of Grammar and Punctuation offers comprehensive, straightforward instruction.

[If She Were Dead](#) May 06 2020 "Smith spins out a sensuous, sinuous psychological thriller that compels attention to the final line."—Booklist Amelie and Janet are in love with the same man: Janet's husband. One knows it; the other doesn't. Or does she? As bestselling novelist Amelie Ferrar knows, an affair with a married person is like a work of fiction: a kind of spy story with its rules and customs, negotiations and compromises, and many private rituals. But like any spy story, there will inevitably be a betrayal: something will slip, someone else will find out, someone may even die. As Amelie falls deeper into her obsession with the man she loves—and his wife—the line between the fiction she writes and the reality she lives begins to blur...and the twisted ending to this story is one that not even she could have seen coming.

[If I Were a Rich Girl](#) Aug 09 2020 Rindi has the right clothes, the right hair, the right makeup. She's snatched up by the popular crowd, and is dating the most sought after guy at her new school. So what's her problem? It's all a lie. She doesn't come from money and power like her friends do, and if it wasn't for the local Dollar Does It store, she wouldn't be able to hang with them and their ever changing wardrobes at all. Rindi thought the key to happiness was fitting in, and fitting in at this school means having money. But what will happen if people find out her parents are the hired help, and she's a big fat liar?

What If There Were No Sea Otters? Oct 23 2021 Discusses the ocean ecosystem and the role of the sea otter as a keystone species in helping to maintain it, describing the otter's place on the food chain and what would happen if the sea otter were to become extinct.

If Wishes Were Horses Jul 28 2019 Emily Converse never expected to return to Tamarack, Colorado. But she's determined to rescue her drug-addicted brother and start a new life. Standing in her way, she finds her stepfather, a powerful US senator, looming over her future like the ever-present monster he'd been during their childhood. Meeting wounded retired Navy SEAL, Michael McCandlis, is a steamy surprise in her homecoming, though he's adrift in civilian life. Together can they find a way to transform from victims to survivors?

What If There Were No Significance Tests? Jan 02 2020 The classic edition of What If There Were No Significance Tests? highlights current statistical inference practices. Four areas are featured as essential for making inferences: sound judgment, meaningful research questions, relevant design, and assessing fit in multiple ways. Other options (data visualization, replication or meta-analysis), other features (mediation, moderation, multiple levels or classes), and other approaches (Bayesian analysis, simulation, data mining, qualitative inquiry) are also suggested. The Classic Edition's new Introduction demonstrates the ongoing relevance of the topic and the charge to move away from an exclusive focus on NHST, along with new methods to help make significance testing more accessible to a wider body of researchers to improve our ability to make more accurate statistical inferences. Part 1 presents an overview of significance testing issues. The next part discusses the debate in which significance testing should be rejected or retained. The third part outlines various methods that may supplement significance testing procedures. Rather than providing definitive prescriptions, the chapters are largely suggestive of general issues, concerns, and application guidelines. The editors allow readers to choose the best way to conduct hypothesis testing in their respective fields. For anyone doing research in the social sciences, this book is bound to become "must" reading. Ideal for use as a supplement for graduate courses in statistics or quantitative analysis taught in psychology, education, business, nursing, medicine, and the social sciences, the book also benefits independent researchers in the behavioral and social sciences and those who teach statistics.

[What If God Were My Analyst?](#) May 18 2021 Set against the current background of global climate disorder

and breakdown, *What if God were my Analyst?* is a non fiction stream of consciousness where the Author as "client" enters into a therapeutic conversation of analysis with God. The book covers some of the World's most pressing issues through exploring some deep truths, taking the reader on a journey into Self and drawing upon myth, metaphysics, history, religion, psychology, politics, economics and ecology. *What if God were my Analyst?* is a confronting work. At times dark, sarcastic and black humoured while always challenging the rigid Fundamentalist's point of view. The hope offered in this writing calls for a timely coming together of people of goodwill throughout the World. Those who no longer want to be ruled by the corrupt who rob us of our true democratic freedoms, rights, values and spiritualities. *What if God were my Analyst?* is a polemic for all who have had enough and demand real responses during our time when the need for authentic and just change is roaring loudly from the four corners of the Earth- our common home. ABOUT THE AUTHOR: STEPHEN L. TSOUSIS was born in 1955. He has had a varied career as a high school teacher, youth worker, tutor, photographer, natural therapist, army officer and lecturer in psychotherapy. He is currently a practising counsellor and psychotherapist while also working as a part-time carer in mental health. He is a professional member of the Australian Counselling Association and secretary of the Hunter Region's local ACA chapter. He has spent almost thirty years studying, writing and applying psychologies, philosophies, comparative religions and metaphysics to help him make sense of his life. His primary adage is to Know Thyself, believing that the last frontier and the least well known is the inner world of a greater consciousness. *What if God were my Analyst?* is his first published book and he hopes to write at least two more. He is married and currently living in Sydney.

WHAT IF WE ARE ONE? Sep 02 2022 Who are you?, Why are you here?, Why the pain?, Why the suffering? These are questions that several people aim to answer but barely hit the spot. "What if we are one?" takes a unique approach to these questions, offering you new insight on not only what the answers to these questions are, but why we ask them, and how this links to our purpose for being on earth. The book links in our most common challenges, and draws the line, forming a thread that runs through all life and aims to explain exactly why we find ourselves in this interesting condition we call life. The book dares to ask the question "What if we are one?" and moves along to give the answer with astounding clarity and heart warming familiarity, enough to challenge us into siding with life and supporting the experience which offers us exponential freedom and greater ease. A read like no other, truly one of the books you are bound to carry with you for life. What if we are one?

What If We Were... May 30 2022 Teen girls rewrite the universe on a daily basis! This comic collection proves there's nothing better than using your imagination... except maybe talking nonsense with your friends. Hey, why not both? Nathalie and Marie are 17 years old and best friends. Since elementary school, they've been creatively filling moments of boredom with a game called "What If We Were...?". One player names a topic—let's say "vampire slayers" for example—and then both imagine what life would be like as that subject. "I would only hunt vampires during daytime, because it would be less exhausting" would be a good answer. "I would only hunt them for sport, to eventually sell their skins" could be another, if a little disturbing. Easy to play, but hard to master. An expert player will know how to think outside the box and surprise their opponent. And after all these years, Nathalie and Marie are experts! Shortlisted for the Prix des Libraires du Quebec, *What If We Were...* collects dozens of these games as hilarious and addictive comic strips, along with super-fun bonus material like diary entries, bonus comics, and more.

What If There Were No Lemmings? Nov 23 2021 The tundra ecosystem is vast, covering a large part of the far north. Countless animals and plants live there. So what difference could the loss of one animal species make? Follow the chain reaction, and discover how important lemmings are.

What If Our Father Were Not a Man Apr 16 2021 MAKE A CHANGE IN YOUR LIFE WHILE THERE IS STILL TIME TO MAKE A DIFFERENCE—FOR YOUR CHILDREN! You've remodeled your home and landscaped your yard, you like your new hairdo and fabulous clothes. However, your family is a different story. Interested in transformation tips? Dr. Turner shows you how to set you and your family on a new course in life using God's plan in *What if Our Father Were Not a Man*. Parts of this insightful book are written from a child's perspective. It is loaded with life lessons she and her siblings learned as their parents protected them from plan wreckers. Each chapter aims to catapult you to new levels of family living. When and what do you teach your children about work, leadership, people and life issues? Dr. Turner provides

opportunities for you to examine your behavior and explains how you can turn your start in life into teaching points for your children. You can change external features of everything imaginable, but if your family is not transformed internally, external changes are short-lived. Get ready to laugh and for challenges! Your transformed family is on the way as you change how your story ends.

If You Were God Would You Choose You Oct 30 2019

If He Had Been with Me Aug 28 2019 If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

If We Were Villains Nov 11 2020 "Much like Donna Tartt's *The Secret History*, M. L. Rio's sparkling debut is a richly layered story of love, friendship, and obsession...will keep you riveted through its final, electrifying moments." —Cynthia D'Aprix Sweeney, New York Times bestselling author of *The Nest* "Nerdily (and winningly) in love with Shakespeare...Readable, smart." —New York Times Book Review On the day Oliver Marks is released from jail, the man who put him there is waiting at the door. Detective Colborne wants to know the truth, and after ten years, Oliver is finally ready to tell it. A decade ago: Oliver is one of seven young Shakespearean actors at Dellecher Classical Conservatory, a place of keen ambition and fierce competition. In this secluded world of firelight and leather-bound books, Oliver and his friends play the same roles onstage and off: hero, villain, tyrant, temptress, ingénue, extras. But in their fourth and final year, good-natured rivalries turn ugly, and on opening night real violence invades the students' world of make-believe. In the morning, the fourth-years find themselves facing their very own tragedy, and their greatest acting challenge yet: convincing the police, each other, and themselves that they are innocent. *If We Were Villains* was named one of *Bustle's* Best Thriller Novels of the Year, and *Mystery Scene* says, "A well-written and gripping ode to the stage...A fascinating, unorthodox take on rivalry, friendship, and truth."

What If I Were... Aug 21 2021 *What If I Were...* By Darcie Holt *What If I Were...* What if I were...an earthworm? A bee? Or a bird? Or a fish? A scientist? An astronaut? Or a teacher? Imagine all of the things YOU could be when you grow up! With this book for kids, you can imagine yourself to be anything, no matter how big or how small... At least until it's bedtime.

If I Were President Sep 29 2019 A multicultural cast of children imagines what it would be like to be president. Imagine living in the White House, a mansion where you wouldn't have to leave home to go bowling or see a movie! Imagine a chef to cook anything you like. "Two desserts, Madam President? No problem!" If you were president, there would be a lot of work to do too. You would be in charge of the armed forces, give important speeches, and work with Congress to create laws for the whole country!

If I Were Your Woman Apr 04 2020 While readjusting to their newly-single lives, two professionals who are wary of starting a new romance find themselves falling in love.

Then Comes Marriage Jul 20 2021 A girl next door meets famous actor rom com... An enemies to lovers adventure romance... A bridesmaid & best man wedding date... To the Stars and Back When Hollywood's sexiest bachelor meets the girl next door their relationship doesn't follow the script... On-screen, Christian Slade is America's favorite heartthrob. Off-screen, letting romance into his life isn't as easy. The women he dates all seem to want a piece of his glamorous life rather than his heart, and trust doesn't come easy for him. Then along comes Lana. A beautiful rocket scientist who's also sweet, smart, sexy, and has absolutely no idea who he is. But what will happen when she finds out? Will their worlds prove too far apart or could love really be like in the movies? From Thailand with Love All Logan has to do is to get the gold and get the girl. Easy, right? Travel photographer Winter Knowles and archeology professor Logan Spencer dislike each other at first sight. Stuck together into the wild, these two unwilling teammates will bicker and banter their way through a laugh-packed treasure hunt. After years of searching, a new mapping technology has given Logan a clue to the location of the legendary Lost City of Gold. A discovery that could make his career. So the last thing he needs on this life-changing expedition is for his team to get distracted by a pair of long legs. When Winter accepted the assignment on a tropical island she didn't sign up for a brooding team leader who'd clearly prefer to run a boys-only club. Never one to back down from a challenge, Winter

is ready to show him she's no damsel in distress. But when a treasure like no other is uncovered and ruthless enemies will want to keep it for themselves, it'll be up to the two of them to save the day. Left alone to fight in the jungle, they will soon discover their lives might not be the only thing at stake—their hearts could be too. Get ready for the adventure of a lifetime. You May Kiss the Bridesmaid Archibald Hill is handsome, single, and he's going to his best friend's wedding ready to make a conquest or two. After all, everyone knows weddings are the perfect setting to get lucky. Summer Knowles used to have a life—friends, family, a sister who'd do anything for her—until she blew it all away with a terrible mistake. Now, attending her twin's wedding as the party's undesirable number one seems like more than she can handle. So, when a tall stranger with smoldering ice-blue eyes offers her a therapy of seven nights of no-strings-attached fun, she might even ignore that he has a beard and accept. Problem is, Summer has never been good at keeping sex and feelings separated... What readers are saying: A fun read filled with humor, heart, and love big enough to reach... to the stars and back. Recommended read for Contemporary Romance, Chick Lit, and Romantic Comedy fans. Get ready to be starstruck! Gina, Satisfaction for Insatiable Readers I completely fell for Christian in this book and it's been ages since I last felt like this about a book boyfriend. Rachel, Rachel Random Reads A fantastic romantic read that I devoured in one sitting. Kay, Coffee and Kindle Book Reviews An addictive page turner with an absolutely wonderful meet-cute. Julie, Romantic Reads and Such I love an amazing enemies to lovers romantic comedy trope. This one sure gave me all the swoons and I devoured it! . There is nothing more fun to read than a book filled with adventure, lots of action, a bit of heated banter and amazing dialogue to a romantic and funny happily ever after story. Nurse Bookie From Thailand with Love really is a wild ride, and well worth the five stars I've given it! Chick Lit Central A great love hate relationship. with sassy retorts, enjoyable comedy and romance and adventure. BRMaycock's

But What If We're Wrong? Oct 03 2022 "Full of intelligence and insights, as the author gleefully turns ideas upside down to better understand them. . . Replete with lots of nifty, whimsical footnotes, this clever, speculative book challenges our beliefs with jocularly and perspicacity." —Kirkus (starred review) "Klosterman's trademark humor and unique curiosity propel the reader through the book. He remains one of the most insightful critics of pop culture writing today and this is his most thought-provoking and memorable book yet." —Publishers Weekly (starred review) The tremendously well-received New York Times bestseller by cultural critic Chuck Klosterman, exploring the possibility that our currently held beliefs and assumptions about the world will eventually be proven wrong—now in paperback. *But What If We're Wrong?* is a book of original, reported, interconnected pieces, which speculate on the likelihood that many universally accepted, deeply ingrained cultural and scientific beliefs will someday seem absurd. Covering a spectrum of objective and subjective topics, the book attempts to visualize present-day society the way it will be viewed in a distant future. Klosterman cites original interviews with a wide variety of thinkers and experts—including George Saunders, David Byrne, Jonathan Lethem, Alex Ross, Kathryn Schulz, Neil deGrasse Tyson, Brian Greene, Junot Díaz, Amanda Petrusich, Ryan Adams, Dan Carlin, Nick Bostrom, and Richard Linklater. Klosterman asks straightforward questions that are profound in their simplicity, and the answers he explores and integrates with his own analysis generate the most thought-provoking and propulsive book of his career.

What If God Were One Of Us? 2nd Edition Feb 12 2021

If We Were Us Dec 13 2020 Morgan Matson meets Becky Albertalli in this story of two best friends who are forced to confront truths about their friendship, identities, and relationships their senior year at boarding school. Everyone at the prestigious Bexley School believes that Sage Morgan and Charlie Carmichael are meant to be. Even though Charlie seems to have a new girlfriend every month, and Sage has never had a real relationship, their friends and family all know it's just a matter of time until they realize that they are actually in love. When Luke Morrissey shows up on the Bexley campus his presence immediately shakes things up. Charlie and Luke are drawn to each other the moment they meet, giving Sage the opportunity to steal away to spend time with Charlie's twin brother, Nick. But Charlie is afraid of what others will think if he accepts that he has much more than a friendship with Luke, that he's never felt this way before. And Sage fears that if she lets things with Nick get too serious too quickly, they won't be able to last as a couple outside of high school and miss their chance at forever. The duo will need to rely on each other and their

lifelong friendship to figure things out with the boys they love.

What If We Were All The Same! Jun 30 2022 "What If We Were All The Same! is an inspirational and warm celebration of the differences in all living things... highly recommended" 2020 Gold recipient of the prestigious Mom's Choice Award Award Winner in the 2019 Children's Picture Book Category by American Book Fest What If We Were All The Same! embraces all of our beautiful differences. Aimed to help children understand there are many great reasons for being friends with those who are different than they are. Whether they have red hair or brown hair, green eyes or blue eyes, long legs or short legs, light skin or dark skin, glasses, uses a wheelchair or anything else, it's absolutely OKAY! Our differences are what makes us unique and if we truly think about it, would you want to be the exact same as someone else? What If We Were All The Same! is fun-filled with rhymes and colorful illustrations, brings attention to tough topics children can relate to. Great book for parents; conversation starter to discuss prejudices and racism to kids Great book for librarians and teachers; school introduction or back-to-school reading Great book to discuss friendship, acceptance, empathy, bullying, and more Great multicultural representation of diversity, inclusion, and acceptance

I'd Like You More If You Were More like Me Sep 09 2020 I'd Like You More If You Were More like Me takes on one of life's most important questions: How can I get closer to God and other people? We were created for deep connections. When people have deep connections, says John Ortberg, they win in life. When they don't have deep connections, they cannot win in life. I'd Like You More if You Were More like Me offers help in overcoming one of the biggest obstacles to making deep connections: the fact that we're so different. Different from God and different from each other. The good news is that connectedness is not based on similarity, but on shared experiences. When one person invites another to share an experience, they're connected. It can be sharing a beautiful sunset or a meal, having a great conversation over cup of coffee, going for walk, or even teasing somebody. And when we share those same experiences with God, we get closer to him, too. God wants to connect with us—so much that he sent his son to live as a human being. God took on flesh and shared every human experience. So we don't have to wonder what a close relationship with God looks like anymore. An intimate relationship with God and other people doesn't have to be a cliché, it can be a daily way of life.

[What If We Are the Angels?](#) Aug 01 2022

The Social Studies Curriculum Jun 26 2019 This updated third edition contains new chapters on important issues—including race, gender, sexuality, and multiculturalism—affecting social studies education.

If This Were Fiction Oct 11 2020 *If This Were Fiction* is a love story—for Jill Christman's long-ago fiancé, who died young in a car accident; for her children; for her husband, Mark; and ultimately, for herself. In this collection, Christman takes on the wide range of situations and landscapes she encountered on her journey from wild child through wounded teen to mother, teacher, writer, and wife. In these pages there are fatal accidents and miraculous births; a grief pilgrimage that takes Christman to jungles, volcanoes, and caves in Central America; and meditations on everything from sexual trauma and the more benign accidents of childhood to gun violence, indoor cycling, unlikely romance, and even a ghost or two. Playing like a lively mixtape in both subject and style, *If This Were Fiction* focuses an open-hearted, frequently funny, clear-eyed feminist lens on Christman's first fifty years and sends out a message of love, power, and hope.

[If You Were Me](#) Jul 08 2020 Sheila O'Flanagan's bestseller IF YOU WERE ME will make readers wonder: what would I do if my first love came back into my life? A must-read if you enjoy the novels of Veronica Henry and Catherine Alliott. You're engaged to a great man. You're on a countdown to your wedding day. You stopped thinking about your first love a long time ago. But what if one unexpected, forbidden kiss were to throw your life upside down? Carlotta O'Keefe suddenly finds herself wondering if the girl she was would recognise the woman she has become. She thought she was living a charmed life. But what if she's got it all wrong? What if her past is meant to be her future? What readers are saying about *If You Were Me*: 'One of [Sheila O'Flanagan's] best books - just a sweet story about the one that got away. Empowering and refreshing' Goodreads reviewer, 5 stars 'Great characters, fast-paced and very entertaining - I couldn't put it down' Amazon reviewer, 5 stars 'I loved this juicy book. I loved Carlotta's drive, ambition and strength.

This book will appeal to a lot of women' Goodreads reviewer, 5 stars
