Working on a Song Jul 21 2019 "Working On A Song is one of the best books about lyric writing for the theater I've read."—Lin-Manuel Miranda Anaïs Mitchell named to TIME's List of the 100 Most Influential People in the World of 2020 An illuminating book of lyrics and stories from Hadestown—the winner of eight Tony Awards, including Best Musical—from its author, songwriter Anaïs Mitchell with a foreword by Steve Earle On Broadway, this fresh take on the Greek myth of Orpheus and Eurydice has become a modern classic. Heralded as “The best new

musical of the season," by The Wall Street Journal, and "Sumptuous. Gorgeous. As good as it gets," by The New York Times, the show was a breakout hit, with its poignant social commentary, and spellbinding music and lyrics. In this book, Anais Mitchell takes readers inside her more than decade's-long process of building the musical from the ground up—detailing her inspiration, breaking down the lyrics, and opening up the process of creation that gave birth to Hadestown. Fans and newcomers alike will love this deeply thoughtful, revealing look at how the songs from "the underground" evolved, and became the songs we sing again and again.

A provocative meditation on race, Claudia Rankine's long-awaited follow up to her groundbreaking book Don't Let Me Be Lonely: An American Lyric. Claudia Rankine's bold new book recounts mounting racial aggressions in ongoing encounters in twenty-first-century daily life and in the media. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer field with Zinedine Zidane, online, on TV—everywhere, all the time. The accumulative stresses come to bear on a person's ability to speak, perform, and stay alive. Our addressability is tied to the state of our belonging, Rankine argues, as are our assumptions and expectations of citizenship. In essay, image, and poetry, Citizen is a powerful testament to the individual and collective effects of racism in our contemporary, often named "post-race" society.*

Last Girl Standing Oct 28 2022 Born on the cusp of WWII in 1938, at a time when other little girls dreamed of being nurses and secretaries, Trina Robbins's ambition was to be a bohemian; and indeed she did. She chronicles a life of sex, drugs, rock 'n' roll — and comics — in *Last Girl Standing*. Robbins describes her upbringing in Queens, New York, reading comics through her childhood in the 1940s; visiting the EC offices and becoming part of SF fandom (dating Harlan Ellison at age 16); and posing nude for men's magazines in the 1950s; living in the Village, over her own boutique where she made clothes for and interacted with rock royalty like David Crosby, Donovan, Cass Elliot; her close relationship with Paul Williams; entering the orbit of underground cartoonists like Art Spiegelman, R. Crumb, Vaughn Bodé, and Bill Griffith, when she started contributing comics to *The East Village Other*; and, in the '70s, moving to San Francisco, contending with the phallogocentric underground scene, marrying Kim Deitch, co-founding *Wimmen's Comix*, and being invited into *Felch Comics* (she declined); her work for the *National Lampoon*, *Marvel Comics*, and *Eclipse* in the 1980s; and her crisis as a cartoonist and transformation into an historian and lecturer in the '90s and 2000s. From science fiction to the Sunset Strip, from New York's underground newspapers to San Francisco's underground comix: Trina Robbins broke the rules and broke the law. From dressing Mama Cass to being pelted with jelly babies as she helped photograph the Rolling Stones's first US tour, from drunken New York nights spent with Jim Morrison to producing the very first all-woman comic book, this former *Lady of the Canyon* takes no prisoners in this heavily illustrated memoir.

Archie's Rivals in Teen Comics, 1940s-1970s Aug 22 2019 This is the first book to comprehensively examine the multitude of non-Archie teen humor comic books, including girls and boys such as Patsy Walker, Hedy Wolfe, Buzz Baxter and Wendy Parker from Marvel; Judy Foster, Buzzy, Binky and Scribbly from DC; Candy from Quality Comics; and Hap Hazard from Ace Comics. It covers, often for the first time, the history of the characters, who drew them, why (or why not) they succeeded as rivals for the Archie Series, highlights of both unusual and typical stories and much more. The author provides major plotlines and a history of the development of each series. Much has been written about the Archie characters,

but until now very little has been told about most of their many comic book competitors.

*The Complete Story of Sadako Sasaki Aug 02 2020 **Independent Publisher Book Award (IPPY) Winner** **Middle School Book of the Year-- Northern Lights Book Awards** **Skipping Stones Honor Award Winner** For the first time, middle readers can learn the complete story of the courageous girl whose life, which ended through the effects of war, inspired a worldwide call for peace. In this book, author Sue DiCicco and Sadako's older brother Masahiro tell her complete story in English for the first time--how Sadako's courage throughout her illness inspired family and friends, and how she became a symbol of all people, especially children, who suffer from the impact of war. Her life and her death carry a message: we must have a wholehearted desire for peace and be willing to work together to achieve it. Sadako Sasaki was two years old when the atomic bomb was dropped on her city of Hiroshima at the end of World War II. Ten years later, just as life was starting to feel almost normal again, this athletic and enthusiastic girl was fighting a war of a different kind. One of many children affected by the bomb, she had contracted leukemia. Patient and determined, Sadako set herself the task of folding 1000 paper cranes in the hope that her wish to be made well again would be granted. Illustrations and personal family photos give a glimpse into Sadako's life and the horrors of war. Proceeds from this book are shared equally between The Sadako Legacy NPO and The Peace Crane Project.*

Still Standing Feb 08 2021 Natalie Queiroz was eight months pregnant when she was stabbed by her partner in the most vicious attack imaginable. In the space of nine minutes, and in broad daylight, Natalie was stabbed twenty-four times with a carving knife. She suffered horrific wounds to her lungs, liver, stomach and uterus, whilst the knife missed her baby by a margin of two millimeters, before the arteries in her wrists were methodically severed by the hooded attacker she finally realised was her partner and the father of her unborn child. After heroic intervention by passers-by and police, the attack was brought to an end, but her

ordeal was not over. An air ambulance rescue was launched, and against all medical odds, Natalie and her baby survived - but not without life-changing physical and emotional damage. *Still Standing* is the story of one life-shattering event - what came before that fateful day, what happened on it, and how one woman and her baby survived to rebuild and heal together after it. At once a shocking story of evil, manipulation and violence, and a truly moving reminder that a life can be pieced back together, no matter how bad the damage, this book will empower and inspire anyone who has ever faced true adversity to rise up and stand tall.

I Think He's Crazy! Jan 27 2020 For fourteen years, cartoonist B.K. Taylor regaled and baffled readers with the good-natured goofiness of his odd suburban family, The Appletons, and his innocent cast of Canadians who encounter the outside world and the trials of everyday life in Timberland Tales. Talyor's art is richly, realistically, and subversively detailed. At first, you might think it's being played straight, but take a closer look ... With a foreword by comedian and star Tim Allen (Last Man Standing) and an afterword by horror writer R.L. Stine (Goosebumps; Fear Street).

Out Standing in the Field Jan 07 2021 Some books are catalysts. Shake Hands

with the Devil was one. For 2017, that book is Out Standing in the Field. In her memoir, Sandra Perron describes her experience of the Canadian Military - one of the most important institutions of our nation. What she has to say is exactly what the top brass has been paying lip-service to for years, and doing nothing to improve. In 2016, the Auditor General's Report noted that the military had no strategy to recruit women, even though they are required to meet a target that 25% of the uniformed personnel be women. According to Statistics Canada, 1,000 members of our military say they have been sexually assaulted in the past year. In her revealing and moving memoir, Sandra Perron, Canada's first female infantry officer and a member of the Royal 22e Régiment - the legendary "Van Doos" - describes her fight against a system of institutional sexism. Though repeatedly identified as top of her class throughout her training, she was subject to harassment by her male colleagues. Her military experience, however, wasn't all negative. Through two deployments to Bosnia and Croatia, Perron forged lasting friendships with men and women, serving her country with courage and compassion, and her determination helped pave the way for women's inclusion in the Armed Forces. Out Standing in the Field is the story of a soldier who refused to let her comrades or her country down, even while serving a military institution that failed her repeatedly. Beautifully written, Perron's memoir is a testament to her fortitude and patriotism, and serves as proof that the spirit of a true hero cannot be bent or broken.

Standing on an Apple Box Jun 12 2021 Director, dancer, goodwill advocate for the United Nations: Aishwaryaa Rajinikanth Dhanush is so much more than the daughter of a legendary actor, or the wife of southern cinema's biggest star. Growing up in Bangalore and then Madras, in a household that resolutely kept out any hint of her father's superstardom, she was a quiet, introverted child whose greatest pleasure was a visit to Marina Beach and an occasional meal out. It was not cinema but law that became a preoccupation when she started thinking about college and career - but fate, and her mother, had other plans for her. Aishwaryaa writes with disarming honesty about life as Rajinikanth's daughter, of falling in love and raising two boys with Dhanush, of fighting her own demons and finding satisfaction in a career of her choice. She reflects on the many roles a woman has to juggle at home and outside - in her case, under the watchful gaze of cameras and celebrity-watchers. Intensely personal, but also inspirational, Aishwaryaa's memoir is an unusually frank insight into growing up in cinema-land. A playful meditation on the joys and difficulties of being a woman in this age, Standing on an Apple Box is as much a celebration of individual fulfilment as it is of family.

*Dancing in the Mosque Oct 24 2019 A People Book of the Week & a Kirkus Best Nonfiction of the Year An exquisite and inspiring memoir about one mother's unimaginable choice in the face of oppression and abuse in Taliban-controlled Afghanistan. In the days before Homeira Qaderi gave birth to her son, Siawash, the road to the hospital in Kabul would often be barricaded because of the frequent suicide explosions. With the city and the military on edge, it was not uncommon for an armed soldier to point his gun at the pregnant woman's bulging stomach, terrified that she was hiding a bomb. Frightened and in pain, she was once forced to make her way on foot. Propelled by the love she held for her soon-to-be-born child, Homeira walked through blood and wreckage to reach the hospital doors. But the joy of her beautiful son's birth was soon overshadowed by other dangers that would threaten her life. No ordinary Afghan woman, Homeira refused to cower under the strictures of a misogynistic social order. Defying the law, she risked her freedom to teach children reading and writing and fought for women's rights in her theocratic and patriarchal society. Devastating in its power, *Dancing in the Mosque* is a mother's searing letter to a son she was forced to leave behind. In telling her story—and that of Afghan women—Homeira challenges you to reconsider the meaning of motherhood, sacrifice, and survival. Her story asks you to consider the lengths you would go to protect yourself, your family, and your dignity.*

Girls They Write Songs About Oct 04 2020 A power ballad to female friendship, *Girls They Write Songs About* is a thrumming, searching novel about the bonds that shape us more than any love affair. We moved to New York to want undisturbed and unchecked. And what did we want? New York, 1997. As the city's gritty edges are being smoothed into something safer and shinier, two aspiring writers meet at a music magazine. Rose—brash and self-possessed—is a staff writer. Charlotte—hesitant, bookish—is an editor. First wary, then slowly admiring, they recognize in each other an insatiable and previously unmatched ambition. Soon they're inseparable, falling into the kind of friendship that makes every day an adventure, and makes you believe that you will, of course, achieve extraordinary things. Together, Charlotte and Rose find love and lose it; they hit their strides and stumble; they make choices and live past them. They say to each other, "Don't ever leave me." It's their favorite joke, but they know that they could never say a truer thing. But then the steady beats of their sisterhood fall out of sync. They have seen each other through so much—marriage, motherhood, divorce, career glories and catastrophes, a million small but necessary choices. What will it mean if they have to give up dreaming together? That the friendship that once made them sing out now shuts them down? And even if they can reconcile themselves to the lives they've chosen, can they make peace with the ones they didn't? As smart and comic as it is gloriously exuberant, Carlene Bauer's *Girls They Write Songs About* takes a timeless story and turns it into a pulsing, wrecking, clear-eyed tale of two women reckoning with the loss of the friendship that helped define them, and the countless ways all the women they've known have made them who they are.
