Genesis Wave: Book One Jan 23 2022 Intended to create life from nothingness, the Genesis Device had the potential to become a weapon of awe-inspiring destructiveness, capable of rearranging matter and life energy on a planetary scale. After the cataclysmic explosion of the Genesis Planet, and the Klingon Empire's attempt to steal the top-secret technology for its own military purposes, Starfleet wisely decided to destroy all data and records on Project Genesis, hoping to bury its deadly secrets forever. Nearly a century later, all that remains of Genesis is the knowledge stored in the mind of an elderly, almost-forgotten scientist named Dr. Carol Marcus. But Dr. Marcus has gone missing, and a menace from bygone days has come rushing back with a vengeance. Sweeping across the Alpha Quadrant at a terrifying speed, a mysterious wave of energy is wiping out populations of entire planets, rearranging matter on a molecular level to create bizarre new landscapes and life-forms. The Starship Enterprise™, commanded by Captain Jean-Luc Picard, is the first Starfleet vessel to discover the threat, but Picard and his crew are not the only ones in danger. Billions of living beings and hundreds of inhabited planets lie in the path of the mutagenic wave, which is expanding outward as it traverses the cosmos. Earth and the Romulan Empire face total obliteration. To discover the origin of the wave, Picard and his crew must probe the long-buried mysteries of the past. But even if he can uncover the shocking history of the Genesis Wave, is there any way to save the future from its unleashed fury? The Genesis Wave, Book One, is the beginning of an apocalyptic two-part adventure that will pit the desperate crew of the Starship Enterprise against a disaster of galactic proportions. [Bible of the Dead](#) Oct 08 2020 A gripping high-concept thriller for fans of Dan Brown and Sam Bourne from the author of The Genesis Secret and The Marks of Cain.

The Gypsy Morph Sep 18 2021 BONUS: This edition contains an excerpt from Terry Brooks's The Measure of the Magic. Terry Brooks won instant acclaim with his phenomenal New York Times

bestseller *The Sword of Shannara*. Its sequels earned Brooks legendary status. Then his darkly enthralling *The Word and the Void* trilogy revealed new depths and vistas to his mastery of epic fantasy. *Armageddon's Children* and *The Elves of Cintra* took Brooks's remarkable mythos to a breathtaking new level by delving deep into the history of Shannara. And now, *The Gypsy Morph* rounds out—with an adventure of unforgettably imaginative scope—the first phase of a new chapter in this classic series. Eighty years into the future, the United States is a no-man's-land: its landscape blighted by chemical warfare, pollution, and plague; its government collapsed; its citizens adrift, desperate, fighting to stay alive. In fortified compounds, survivors hold the line against wandering predators, rogue militias, and hideous mutations spawned from the toxic environment, while against them all stands an enemy neither mortal nor merciful: demons and their minions bent on slaughtering and subjugating the last of humankind. But from around the country, allies of good unite to challenge the rampaging evil. Logan Tom, wielding the magic staff of a Knight of the Word, has a promise to keep—protecting the world's only hope of salvation—and a score to settle with the demon that massacred his family. Angel Perez, Logan's fellow Knight, has risked her life to aid the elvish race, whose peaceful, hidden realm is marked for extermination by the forces of the Void. Kirisin Belloruus, a young elf entrusted with an ancient magic, must deliver his entire civilization from a monstrous army. And Hawk, the rootless boy who is nothing less than destiny's instrument, must lead the last of humanity to a latter-day promised land before the final darkness falls. *The Gypsy Morph* is an epic saga of a world in flux as the mortal realm yields to a magical one; as the champions of the Word and the Void clash for the last time to decide what will be and what must cease; and as, from the remnants of a doomed age, something altogether extraordinary rises.

[Zeitgeist 2025](#) Oct 27 2019 Before and after the presidency of Donald Trump, the United States was—and now is again—on an intentional trajectory to fulfill what famous Freemason Manly P. Hall described as *The Secret Destiny of America*. Hall's book includes future national and global subservience to the god of Freemasonry, a deity most Americans would not imagine when reciting the pledge of allegiance to "one nation under God." Unknown to most Americans and certainly many Christians is the fact that the Great Seal of the United States is a prophecy hidden in plain sight by the Founding Fathers for more than two hundred years, foretelling the return of this terrifying, demonic god who seizes control of Earth in the New Order of the Ages. This supernatural entity was known and feared in ancient times by different names: Apollo, Osiris, and even farther back as Nimrod, whom Masons consider to be the father of their institution.

[The Apollo Murders](#) Feb 09 2021 From New York Times bestselling author and astronaut Chris Hadfield comes this exceptional thriller and "exciting journey" into the dark heart of the Cold War and the space race (Andy Weir, author of *The Martian* and *Project Hail Mary*). 1973: a final, top-secret mission to the Moon. Three astronauts in a tiny spaceship, a quarter million miles from home. A quarter million miles from help. NASA is about to launch Apollo 18. While the mission has been billed as a scientific one, flight controller Kazimieras "Kaz" Zemeckis knows there is a darker objective. Intelligence has discovered a secret Soviet space station spying on America, and Apollo 18 may be the only chance to stop it. But even as Kaz races to keep the NASA crew one step ahead of their Russian rivals, a deadly accident reveals that not everyone involved is quite who they were thought to be. With political stakes stretched to the breaking point, the White House and the Kremlin can only watch as their astronauts collide on the lunar surface, far beyond the reach of law or rescue. Full of the fascinating technical detail that fans of *The Martian* loved, and reminiscent of the thrilling claustrophobia, twists, and tension of *The Hunt for Red October*, *The Apollo Murders* is a high-stakes thriller unlike any other. Chris Hadfield captures the fierce G-forces of launch, the frozen loneliness of space, and the fear of holding on to the outside of a spacecraft orbiting the Earth at 17,000 miles per hour as only someone who has experienced all of these things in real life can. Strap in and count down for the ride of a lifetime. "Packed with cosmic action... Featuring undercover spies, scheming Russians and psychopathic murderers, sometimes all at once, it teems with authoritative details." —The New York Times "Nail-biting... I couldn't put it down." —James Cameron, writer and

director of *Avatar* and *Titanic* “ Not to be missed. ” —Frederick Forsyth, author of *The Day of the Jackal* “ An explosive thriller by a writer who has actually been to space . . . Strap in for the ride! ” —Gregg Hurwitz, author of *Orphan X*

Armageddon's Children Jul 25 2019 NEW YORK TIMES BESTSELLER • “ In this exciting first of a new fantasy trilogy, bestseller Brooks effortlessly connects the Tolkien-infused magic of his *Shannara* books . . . with the urban, postapocalyptic world of his *Word and the Void* series. . . . Longtime Brooks fans and newcomers will be riveted. ” —Publishers Weekly (starred review) In our world ’ s near future, civilization has fallen into terrifying chaos. Navigating the scarred landscape that once was America and guided by a powerful talisman, Logan Tom has sworn an oath to seek out a remarkable being born of magic and destined to lead the final fight against darkness. In time, Logan ’ s path will cross with others: Angel Perez, herself a survivor of death-dealing forces, and a makeshift family of refugees forced to survive among street gangs, mutants, and marauders. Common purpose will draw Logan and his allies together. Their courage and convictions will be tested and their fates will be decided, as their singular crusade begins: to take back, or lose forever, the only world they have. BONUS: This edition contains an excerpt from Terry Brooks's *The Measure of the Magic*. “ Dynamic . . . compelling . . . mesmerizing . . . [with] a cliff-hanger that leaves readers salivating for the sequel. ” —Booklist (starred review) “ Strongly recommended . . . a transformative work. ” —SFRevu

Raid on the Sun Aug 06 2020 The first authorized inside account of one of the most daring—and successful—military operations in recent history From the earliest days of his dictatorship, Saddam Hussein had vowed to destroy Israel. So when France sold Iraq a top-of-the-line nuclear reactor in 1975, the Israelis were justifiably concerned—especially when they discovered that Iraqi scientists had already formulated a secret program to extract weapons-grade plutonium from the reactor, a first critical step in creating an atomic bomb. The reactor formed the heart of a huge nuclear plant situated twelve miles from Baghdad, 1,100 kilometers from Tel Aviv. By 1981, the reactor was on the verge of becoming “ hot, ” and Israeli Prime Minister Menachem Begin knew he would have to confront its deadly potential. He turned to Israeli Air Force commander General David Ivry to secretly plan a daring surgical strike on the reactor—a never-before-contemplated mission that would prove to be one of the most remarkable military operations of all time. Written with the full and exclusive cooperation of the Israeli Air Force high command, General Ivry (ret.), and all of the eight mission pilots (including Ilan Ramon, who become Israel ’ s first astronaut and perished tragically in the shuttle *Columbia* disaster), *Raid on the Sun* tells the extraordinary story of how Israel plotted the unthinkable: defying its U.S. and European allies to eliminate Iraq ’ s nuclear threat. In the tradition of *Black Hawk Down*, journalist Rodger Claire re-creates a gripping tale of personal sacrifice and survival, of young pilots who trained in the United States on the then-new, radically sophisticated

F-16 fighter bombers, then faced a nearly insurmountable challenge: how to fly the 1,000-plus-kilometer mission to Baghdad and back on one tank of fuel. He recounts Israeli intelligence 's incredible "black ops" to sabotage construction on the French reactor and eliminate Iraqi nuclear scientists, and he gives the reader a pilot 's-eye view of the action on June 7, 1981, when the planes roared off a runway on the Sinai Peninsula for the first successful destruction of a nuclear reactor in history.

Red Storm Rising Sep 06 2020 From the author of the Jack Ryan series comes an electrifying #1 New York Times bestseller—a standalone military thriller that envisions World War 3... A chillingly authentic vision of modern war, *Red Storm Rising* is as powerful as it is ambitious. Using the latest advancements in military technology, the world's superpowers battle on land, sea, and air for ultimate global control. It is a story you will never forget. Hard-hitting. Suspenseful. And frighteningly real. "Harrowing...tense...a chilling ring of truth." —TIME

Gold in Havilah Mar 13 2021 "Author Hoefling (*Journey to God*, 2010) seamlessly combines her extraordinary mastery of early biblical tales with a spirit of inventive creativity, weaving a story that both embellishes but also preserves the original story... a gripping account that only deepens an inherited tale about the birth of mankind and about good and evil." -Kirkus Reviews Akliah, a daughter of Adam and Eve, has grown up at the foot of the holy mountain where the Garden of Eden lies. She and her siblings know well the story of their parents fall from innocence and their banishment from Eden. And they know the prophecy, that their privileged brother, Cain, will soon crush the head of the ancient serpent who tempted their parents there. Fiercely in love with Cain, Akliah is determined to become his wife. But her schemes are shattered when Cain kills his brother, Abel, and abducts her to a barren land east of Eden where she grieves her mistakes and Cain spirals into ever-deepening tiers of delusion through his bondage to a beautiful fallen angel. When she finally meets a man who offers a chance for love and redemption, Akliah is torn between an honest confession of her past and her longing to be admired. Against the backdrop of life in a city dedicated to dark powers, Akliah must finally make the choice to restore her integrity, or die trying.

The Farm Nov 08 2020 From the author of *CHILD 44*, soon to be a major film starring Tom Hardy, Noomi Rapace and Gary Oldman, comes an intricately-knitted thriller in the vein of John Le Carre's *A PERFECT SPY*. Daniel believed that his parents were enjoying a peaceful retirement on a remote farm in Sweden, the country of his mother's birth. But with a single phone call, everything changes. 'Your mother... she's not well', his father tells him. 'She's been imagining things - terrible, terrible things.' In fact, she has been committed to a mental hospital. Before Daniel can board a plane to Sweden, his mother calls: 'Everything that man has told you is a lie. I'm not mad... I need the police... Meet me at Heathrow.' Presented with a horrific crime, a conspiracy that implicates his own father, Daniel must examine the evidence and decide: who is telling the truth, his mother or his father? And he has secrets of his own that for too long he has kept hidden... 'Chilling, hypnotic and thoroughly compelling. You will not read a better thriller this year' MARK BILLINGHAM 'On rare occasions, an author pulls off the high-wire act of writing a crime-oriented novel that easily transcends the genre. *The Farm* is one of these... A remarkable achievement' JEFFERY DEAVER 'Tom Rob Smith has created a truly original and chilling thriller, which makes you ask yourself: who would I believe?' JOJO MOYES TOM ROB SMITH is the bestselling author of Man Booker-longlisted *CHILD 44*, a multi-million-copy bestseller and now a major film starring Tom Hardy, Noomi Rapace and Gary Oldman. *THE SECRET SPEECH* and *AGENT 6*, both bestsellers, complete the trilogy.

Chaos Mar 01 2020 A journalist's twenty-year fascination with the Manson murders leads to shocking new revelations about the FBI's involvement in this riveting reassessment of an infamous case in American history. Over two grim nights in Los Angeles, the young followers of Charles Manson murdered seven people, including the actress Sharon Tate, then eight months pregnant.

With no mercy and seemingly no motive, the Manson Family followed their leader's every order -- their crimes lit a flame of paranoia across the nation, spelling the end of the sixties. Manson became one of history's most infamous criminals, his name forever attached to an era when charlatans mixed with prodigies, free love was as possible as brainwashing, and utopia -- or dystopia -- was just an acid trip away. Twenty years ago, when journalist Tom O'Neill was reporting a magazine piece about the murders, he worried there was nothing new to say. Then he unearthed shocking evidence of a cover-up behind the "official" story, including police carelessness, legal misconduct, and potential surveillance by intelligence agents. When a tense interview with Vincent Bugliosi -- prosecutor of the Manson Family and author of *Helter Skelter* -- turned a friendly source into a nemesis, O'Neill knew he was onto something. But every discovery brought more questions: Who were Manson's real friends in Hollywood, and how far would they go to hide their ties? Why didn't law enforcement, including Manson's own parole officer, act on their many chances to stop him? And how did Manson -- an illiterate ex-con -- turn a group of peaceful hippies into remorseless killers? O'Neill's quest for the truth led him from reclusive celebrities to seasoned spies, from San Francisco's summer of love to the shadowy sites of the CIA's mind-control experiments, on a trail rife with shady cover-ups and suspicious coincidences. The product of two decades of reporting, hundreds of new interviews, and dozens of never-before-seen documents from the LAPD, the FBI, and the CIA, *Chaos* mounts an argument that could be, according to Los Angeles Deputy District Attorney Steven Kay, strong enough to overturn the verdicts on the Manson murders. This is a book that overturns our understanding of a pivotal time in American history.

The Genesis Code Dec 10 2020 Joe Lassiter is an ex-FBI investigator bent on revenge. His sister and young nephew have been murdered and the killer hospitalised. Despite warnings from the police Lassiter will stop at nothing to discover why. His search leads him to uncover an attempt by the Vatican to destroy all traces of a discovery that has sent them into such an alarm, that they have charged a right-wing fundamentalist hit-squad to rid the world of all evidence of it. The discovery originates from a confession in a remote village in Italy. A confession that sends the local priest into a panic and the Vatican into an uproar. The confession belongs to the late Dr Franco Baresi, and concerns the work at his fertility clinic - a fertility clinic that Lassiter's sister attended and, as he horrifyingly discovers, all the other victims in a recent series of murders that have swept the world. Women who were infertile until they attended the clinic. Lassiter must discover the remaining mothers before the hit men, and meanwhile his sister's killer is on the loose...

Origin May 15 2021 Robert Langdon, Harvard professor of symbology, arrives at the ultramodern Guggenheim Museum Bilbao to attend the unveiling of a discovery that "will change the face of science forever." The evening's host is Edmond Kirsch, a forty-year-old billionaire and futurist, and one of Langdon's first students. But the meticulously orchestrated evening suddenly erupts into chaos, and Kirsch's precious discovery teeters on the brink of being lost forever. Facing an imminent threat, Langdon is forced to flee. With him is Ambra Vidal, the elegant museum director who worked with Kirsch. They travel to Barcelona on a perilous quest to locate a cryptic password that will unlock Kirsch's secret. Navigating the dark corridors of hidden history and extreme religion, Langdon and Vidal must evade an enemy whose all-knowing power seems to emanate from Spain's Royal Palace. They uncover clues that ultimately bring them face-to-face with Kirsch's shocking discovery...and the breathtaking truth that has long eluded us.

Declare Jan 29 2020 As a young double agent infiltrating the Soviet spy network in Nazi-occupied Paris, Andrew Hale finds himself caught up in a secret, even more ruthless war. Two decades later, in 1963, he will be forced to confront again the nightmare that has haunted his adult life: a lethal unfinished operation code-named *Declare*. From the corridors of Whitehall to the Arabian desert, from post-war Berlin to the streets of Cold War Moscow, Hale's desperate quest draws him into international politics and gritty espionage tradecraft -- and inexorably drives Hale, the fiery and beautiful Communist agent Elena Teresa Ceniza-Bendiga, and Kim Philby, mysterious traitor to the British cause, to a deadly confrontation on the high glaciers of Mount Ararat, in the very shadow of

the fabulous and perilous Ark.

My Father's Secret War Dec 30 2019 In this moving and compelling memoir about parent and child, father and daughter, Pulitzer Prize-winning writer Lucinda Franks discovers that the remote, nearly impassive man she grew up with had in fact been a daring spy behind enemy lines in World War II. Sworn to secrecy, he began revealing details of his wartime activities only in the last years of his life as he became afflicted with Alzheimer's. His exploits revealed a man of remarkable bravado -- posing as a Nazi guard, slipping behind enemy lines to blow up ammunition dumps, and being flown to one of the first concentration camps liberated by the Allies to report on the atrocities found there. *My Father's Secret War* is an intimate account of Franks coming to know her own father after years of estrangement. Looking back at letters he had written her mother in the early days of WWII, Franks glimpses a loving man full of warmth. But after the grimmest assignments of the war his tone shifts, settling into an all-too-familiar distance. Franks learns about him -- beyond the alcoholism and adultery -- and comes to know the man he once was. Her story is haunting, and beautifully told, even as the tragedy becomes clear: Franks finally comes to know her father, but only as he is slipping further into his illness. Lucinda Franks understands her father as the disease claims him. *My Father's Secret War* is a triumph of love over secrets, and a tribute to the power of the connection of family.

East of Eden Sep 26 2019 A masterpiece of Biblical scope, and the magnum opus of one of America ' s most enduring authors, in a commemorative hardcover edition In his journal, Nobel Prize winner John Steinbeck called East of Eden "the first book," and indeed it has the primordial power and simplicity of myth. Set in the rich farmland of California's Salinas Valley, this sprawling and often brutal novel follows the intertwined destinies of two families—the Trasks and the Hamiltons—whose generations helplessly reenact the fall of Adam and Eve and the poisonous rivalry of Cain and Abel. The masterpiece of Steinbeck ' s later years, East of Eden is a work in which Steinbeck created his most mesmerizing characters and explored his most enduring themes: the mystery of identity, the inexplicability of love, and the murderous consequences of love's absence. Adapted for the 1955 film directed by Elia Kazan introducing James Dean, and read by thousands as the book that brought Oprah ' s Book Club back, East of Eden has remained vitally present in American culture for over half a century.

Escape from Earth Nov 28 2019 ESCAPE FROM EARTH is the untold story of the engineers, dreamers and rebels who started the American space programme. In particular, it is the story of Frank Malina, founder of what became Nasa's Jet Propulsion Laboratory and the scientist who cracked the, as he

called it, problem of escape from the Earth by rocket. It's a wild ride. Jack Parsons, Malina's chemistry-expert research partner, was a bed-hopping occultist with delusions of grandeur. We get all the horrible details: drug parties and sex magic, cameos by Aleister Crowley and L Ron Hubbard, and an ill-fated attempt to start a mail-order religion. Armed with hitherto unpublished letters, journals, and documents from the Malina family archives, Fraser MacDonald reveals what we didn't know. Jack Parsons betrayed Frank Malina to the FBI, cooperating fully in their investigation of Malina for un-American activities. The Jet Propulsion Lab's second director secretly denounced Frank as a Communist. Frank's research group had close ties to the spy network of the infamous Rosenbergs - the only Americans executed during the Red Scare. This is a story of soaring ideals entangled in the most human of complications: infidelity and divorce, betrayal and treason.

The Genesis Secret Sep 30 2022 The internationally bestselling thriller—an audacious blend of science, history, and suspense—from the author of The Marks of Cain and The Lost Goddess War-reporter Rob Luttrell is expecting a soft assignment when he's sent to Kurdistan to cover the excavation of the world's oldest human civilization. But, soon after he arrives, the site is violated, first by sabotage—and then by death. Meanwhile, a Scotland Yard detective investigating a series of spectacularly grisly murders discovers a link between the victims and what is happening in Kurdistan. As the two men race to prevent more deaths, they close in on a biblical era secret that will shake the foundations of the modern world. For readers of Raymond Khoury, Kate Mosse, and Douglas Preston and Lincoln Child.

The Genesis Quest Jun 15 2021 "Some have argued that life began in the chemical-rich seas of the early Earth, the famous primordial soup, while others are convinced that life began in strange vents pumping hot water out of the sea floor, where the chemical reactions that sustain living cells could get started. Or perhaps life began in volcanic ponds on land, or in meteorite impact zones, or even in beds of clay. Each idea has attracted staunch believers who promote it with an almost religious fervor. But the story of life's origins is more than this: it is a story that takes in some of the greatest discoveries in modern biology, from cells to DNA, and evolution to life's family tree. This book is the first full history of the scientists who struggled to explain one of the greatest mysteries of all: how and why life began"--

Doctor Who and the Genesis of the Daleks May 03 2020 The Time Lords have a mission for the Doctor. Together with Sarah and Harry, he finds himself stranded on the war-torn planet Skaro where the conflict between the Thals and the Kaleds has been raging for a thousand years. Chemical and biological weapons have started a cycle of mutation among the planet's inhabitants that cannot be stopped. But Kaled scientist Davros has perfected a life support system and travel machine for the creature he knows his race will ultimately evolve into – the Dalek. The Doctor must stop the creation

of the Daleks, or perhaps affect their development so they evolve into less aggressive creatures. But with Davros ' s plans to destroy the Thals and to wipe out any dissenters among his own ranks in progress, is the Doctor already too late? This novel is based on a Doctor Who story which was originally broadcast from 8 March–12 April 1975. Featuring the Fourth Doctor as played by Tom Baker with his companions Sarah Jane Smith and Harry Sullivan

The Elves of Cintra Oct 20 2021 With his groundbreaking New York Times bestseller *The Sword of Shannara* and its acclaimed sequels, Terry Brooks brought a new audience to epic fantasy. Then he gave the genre a darkly compelling contemporary twist in his trilogy of *the Word and the Void*. Last year, in *Armageddon ' s Children*, Brooks undertook the stunning chronicle that united two unique worlds. Now that story of clashing forces of darkness and light, of *Shannara ' s* beginnings and the human race ' s possible end, marches forward into an unforgettable second volume full of mystery, magic, and momentous events. Across the ruined landscape that is America—hopelessly poisoned, plague-ridden, burned, and besieged by demon armies bent on exterminating all mortal life—two pilgrims have been summoned to serve the embattled cause of good. Logan Tom has journeyed to desolate Seattle to protect a ragged band of street urchins and the being known as “ the gypsy morph, ” who is both mortal and magical, and destined to save mankind unless he is destroyed. Likewise, Angel Perez has her own quest, one that will take her from the wreckage of Los Angeles to a distant, secret place untouched by the horrors of the nationwide blight—a place where the race of Elves has dwelled since before man existed. But close behind these lone Knights of the Word swarm the ravaging forces of the Void. As the menacing thunder of war drums heralds the arrival of the demons and their brutal minions in Seattle, the young survivors who call themselves the Ghosts are forced to brave the dangerous world of gangs, mutants, and worse to escape the invasion. And Logan Tom must infiltrate a refugee compound to rescue Hawk, the leader of the street urchins, who has yet to learn the truth about who and what he is. Meanwhile, Angel Perez has joined an equally urgent mission: to find the Ellcrys, a fabled talisman crucial to protecting the Elven realm against an influx of unspeakable evil from the dread dimension known as the Forbidding. But Angel and her Elf allies must beware—for a demon spy, with a monstrous creature at its command, walks among them. As the legions of darkness draw the noose tighter, and the time of confrontation draws near, those chosen to defend the soul of the world must draw their battle lines and prepare to fight with, and for, their lives. If they fail, humanity falls.
