Twenty Years of Ozone Decline Aug 22 2019 Homer speaks of lightning bolts after which 'a grim reek of sulphur bursts forth' and the air was 'lled with reeking brimstone'. (Homer 3000 BC). The odour was not actually the smell of sulphur dioxide associated with burning sulphur, but rather was the ?rst recorded detection of the presence of another strong odour, that of ozone (O₃) in Earth's atmosphere. These molecules were formed by the passage of 3 lightning through the air, created by splitting the abundant molecular oxygen (O₂) molecules into two, followed by the addition of each of the free O atoms to another O to form the triatomic product. In fact, most of the ozone molecules present 2 in the atmosphere at any time have been made by this same two-step splitti- plus-combination process, although the initiating cause usually begins with very energetic solar ultraviolet (UV) radiation rather than lightning. Many thousands of years later, the modern history of ozone began with its synthesis in the laboratory of H. F. Schonbein in 1840 (Nolte 1999), although the positive con?rmation of its three-oxygen atom chemical formula came along sometime later. Scienti?c interest in high-altitude stratospheric ozone dates back to 1881 when Hartley measured the spectrum of ozone in the laboratory and found that its ability to absorb UV light extended only to 293nm at the long wavelength end (Hartley 1881a).

The River and the Wall Aug 26 2022 When a team of five explorers embarked on a 1,200-mile journey down the Rio Grande, the river that marks the southern boundary of Texas and the US-Mexico border, their goal was to experience and capture on film the rugged landscapes of this vast frontier before the controversial construction of a border wall changed this part of the river forever. The crew—Texas filmmaker Ben Masters, Brazilian immigrant Filipe DeAndrade, Texas conservationist Jay Kleberg, wildlife biologist Heather Mackey, and Guatemalan-American river guide Austin Alvarado—began the trip in El Paso, pedaling mountain bikes through the city's dry river bed. Their path took them on horseback through the Big Bend, down the Wild and Scenic stretch of the river in canoes, and back to bikes from Laredo to Brownsville. They paddled the last ten miles through a forest of river cane to the Gulf of Mexico. As they made their way to the Gulf, they met and talked with the people who know and live on the river—border patrol, wildlife biologists, ranchers, politicians, farmers, social workers, locals, and travelers. They climbed the wall (in twenty seconds). They encountered rare black bears, bighorn

sheep, and birds of all kinds. And they sought to understand the complexities of immigration, the efficacy of a wall, and the impact of its construction on water access, wildlife, and the culture of the borderlands. The River and the Wall is both a wild adventure on a spectacular river and a sobering commentary on the realities of walling it off.

Media Matters Nov 05 2020 Now, more than 20 years since its initial release, John Fiske's classic text *Media Matters* remains both timely and insightful as an empirically rich examination of how the fierce battle over cultural meaning is negotiated in American popular culture. *Media Matters* takes us to the heart of social inequality and the call for social justice by interrogating some of the most important issues of its time. Fiske offers a practical guide to learning how to interpret the ways that media events shape the social landscape, to contest official and taken-for-granted accounts of how events are presented/conveyed through media, and to affect social change by putting intellectual labor to public use. A new introductory essay by former Fiske student Black Hawk Hancock entitled 'Learning How to Fiske: Theorizing Cultural Literacy, Counter-History, and the Politics of Media Events in the 21st Century' explains the theoretical and methodological tools with which Fiske approaches cultural analysis, highlighting the lessons today's students can continue to draw upon in order to understand society today.

The Third Twin Nov 24 2019 If you loved Natasha Preston's *THE TWIN*, you'll race through this edge-of-your seat thriller about identical twins with a shocking twist. *IT STARTED AS A JOKE*. When they were little, Lexi and her identical twin, Ava, made up a third sister, Alicia. If something broke? Alicia did it. Alicia was always to blame for everything. *NOW THE GAME IS ALL GROWN UP*. The girls are seniors, and they use Alicia as their cover to go out with guys who they'd never, ever be with in real life. But sometimes games just aren't worth playing. A boy has turned up dead, and DNA evidence and surveillance photos point to only one suspect—Alicia. The girl who doesn't exist. *IDENTICAL TWINS. IDENTICAL DNA. IDENTICAL SUSPECTS*. Ava insists that if they keep following the rules for being Alicia, everything will be fine. But Lexi isn't so sure. She must find the truth before another boy is murdered. *BECAUSE EITHER AVA IS A KILLER . . . OR ALICIA IS REAL*. Praise for *THE THIRD TWIN*: "[An] original, riveting thriller." -- Melissa Marr, New York Times bestselling author of *Made for You* "Delicious and deceptive, *The Third Twin* is a twisty-turny thrill ride! I couldn't flip the pages fast enough!" --Kimberly Derting, author of *The Taking* "A classic whodunit."--Kirkus Reviews "Driven by

the adrenaline pump of whodunit and who's next to die."—BCCB "[A] fast-paced thriller . . . fans of "whom can I trust?" mysteries will find much to like."—Booklist

Mercy Flights Jan 07 2021 Mercy Flights--America's first not-for-profit air ambulance service--was created in 1949 in direct response to the polio epidemic and medical transportation problems in Southern Oregon and Northern California. At that time, two small general hospitals provided basic medical care for the community of 17,000 residents. The nearest specialty hospitals for injuries and more complex care were in Eugene (167 miles), Portland (274 miles), and San Francisco (363 miles). Since the Interstate Highway System had not yet been built, these distances were very slowly traveled on two-lane roads. George Milligan, a young air traffic controller--and a pilot himself--mobilized the community to create Mercy Flights and recruited volunteer pilots and nurses to staff the service. The story of Mercy Flights is a grassroots account of heroism, service, creativity, tenacity, and strong community leadership.

13 Ways of Looking at a Fat Girl Mar 21 2022 "Stunning . . . As you watch Lizzie navigate fraught relationships—with food, men, girlfriends, her parents and even with herself—you'll want to grab a friend and say: 'Whoa. This. Exactly.'" —Washington Post A "hilarious, heartbreaking book" (People) from the author of *Bunny* Named one of the best books of the year by NPR, The Atlantic, Time Out New York, and The Globe and Mail Growing up in the suburban hell of Misery Saga (a.k.a. Mississauga), Lizzie has never liked the way she looks—even though her best friend Mel says she's the pretty one. She starts dating guys online, but she's afraid to send pictures, even when her skinny friend China does her makeup: she knows no one would want her if they could really see her. So she starts to lose. With punishing drive, she counts almonds consumed, miles logged, pounds dropped. She fights her way into coveted dresses.

She grows up and gets thin, navigating double-edged validation from her mother, her friends, her husband, her reflection in the mirror. But no matter how much she loses, will she ever see herself as anything other than a fat girl? In her brilliant, hilarious, and at times shocking debut, Mona Awad simultaneously skewers the body image-obsessed culture that tells women they have no value outside their physical appearance, and delivers a tender and moving depiction of a lovably difficult young woman whose life is hijacked by her struggle to conform. As caustically funny as it is heartbreaking, *13 Ways of Looking at a Fat Girl* introduces a vital new voice in fiction. Dreamwood Oct 28 2022 Lucy Darrington has no choice but to run away from boarding school. Her father, an expert on the supernatural, has been away for too long while doing research in Saathe, a remote territory in the Pacific Northwest populated by towering redwoods, timber barons, and the Lupine people. But upon arriving, she learns her father is missing: Rumor has it he's gone in search of dreamwood, a rare tree with magical properties that just might hold the cure for the blight that's ravaging the forests of Saathe. Determined to find her father (and possibly save Saathe), Lucy and her vexingly stubborn friend Pete follow William Darrington's trail to the deadly woods on Devil's Thumb. As they encounter Lupine princesses, giant sea serpents, and all manner of terrifying creatures, Lucy hasn't reckoned that the dreamwood itself might be the greatest threat of all.

Sexual Futures, Queer Gestures, and Other Latina Longings Feb 26 2020 Winner of the Alan Bray Memorial Book Prize presented by the GL/Q Caucus of the Modern Language Association Finalist for the 2015 LGBT Studies Award presented by the Lambda Literary Foundation *Sexual Futures, Queer Gestures and Other Latina Longings* proposes a theory of sexual politics that works in the interstices between radical queer desires and the urgency of transforming public policy, between utopian longings and everyday failures. Considering the ways in which bodily movement is assigned cultural meaning, Juana María Rodríguez takes the stereotypes of the hyperbolically gestural queer Latina femme body as a starting point from which to discuss how gestures and forms of embodiment inform sexual pleasures and practices in the social realm. Centered on the sexuality of racialized queer female subjects, the book's varied archive—which includes burlesque border crossings, daddy play, pornography, sodomy laws, and sovereignty claims—seeks to bring to the fore alternative sexual practices and machinations that exist outside the sightlines of mainstream cosmopolitan gay male culture. Situating articulations of sexual subjectivity between the interpretive poles of law and performance, Rodríguez argues that forms of agency continually mediate among these various structures of legibility—the rigid confines of the law and the imaginative possibilities of the performative. She reads the strategies of Puerto Rican activists working toward self-determination alongside sexual performances on stage, in commercial pornography, in multi-media installations, on the dance floor, and in the bedroom. Rodríguez examines not only how projections of racialized sex erupt onto various discursive mediums but also how the confluence of racial and gendered anxieties seeps into the gestures and utterances of sexual acts, kinship structures, and activist practices. Ultimately, *Sexual Futures, Queer Gestures, and Other Latina Longings* reveals—in lyrical style and explicit detail—how sex has been deployed in contemporary queer communities in order to radically reconceptualize sexual politics.

Robert B. Parker's The Bitterest Pill Jul 25 2022 The opioid epidemic has reached Paradise, and Police Chief Jesse Stone must rush to stop the devastation in the latest thriller in Robert B. Parker's New York Times-bestselling series. When a popular high school cheerleader dies of a suspected heroin overdose, it becomes clear that the opioid epidemic has spread even to the idyllic town of Paradise. It will be up to Police Chief Jesse Stone to unravel the supply chain and unmask the criminals behind it, and the investigation has a clear epicenter: Paradise High School. Home of the town's best and brightest future leaders and its most vulnerable down-and-out teens, it's a rich and bottomless market for dealers out of Boston looking to expand into the suburbs. But when it comes to drugs, the very people Jesse is trying to

protect are often those with the most to lose. As he digs deeper into the case, he finds himself battling self-interested administrators, reluctant teachers, distrustful schoolkids, and overprotective parents . . . and at the end of the line are the true bad guys, the ones with a lucrative business they'd kill to protect.

Canyon Cinema Feb 20 2022 Bringing alive a remarkable moment in American cultural history, Scott MacDonald tells the colorful story of how a small, backyard organization in the San Francisco Bay Area emerged in the 1960s and evolved to become a major force in the development of independent cinema. Drawing from extensive conversations with men and women crucial to Canyon Cinema, from its newsletter Canyon Cinemanews, and from other key sources, MacDonald offers a lively chronicle of the life and times of this influential, idiosyncratic film exhibition and distribution collective. His book features many primary documents that are as engaging and relevant now as they were when originally published, including essays, poetry, experimental writing, and drawings.

Nothing Mat(t)ers May 23 2022 *Nothing Mat(t)ers* is a feminist critique of the theories of Foucault, Derrida, and Lacan, among others. Somer Brodribb analyzes the texts and the arguments that post-structuralism has nominated as central, in the process exposing the misogyny at their core. Brodribb provides a history of definitions of structuralism, post-structuralism, deconstruction, and postmodernism. She considers feminist encounters with structuralism and existentialism. She evaluates the originality of Foucault's contributions and discusses feminist responses to his work. Turning to Derrida, she considers his fixation with dissemination and demeaning versus conception and new embodiment. She contrasts the work of Lacan and Irigaray on ethics before turning to the work of de Beauvoir, O'Brien, and other feminists as an authentic alternative to postmodern critical theory.

Cruel Nov 17 2021 "Rarely is an author so skilled at portraying such unremitting evil and the poignant, human side of his characters in a single tale." —Jeffery Deaver "Jacob Stone is equal parts Thomas Harris, Michael Connelly, Jo Nesbo, and Stephen King. CRUEL will leave you shaking . . . with fear, excitement, and the uncontrollable compulsion to keep on reading." —Lee Goldberg, #1 New York Times bestselling author of True Fiction "17." L.A. detective Morris Brick knows the number all too well. It was the gruesome signature the Nightmare Man left next to his victims' bodies. Brick's father was the first to investigate the killings. Five women were butchered before the perpetrator vanished. Seventeen years later he resurfaced—to kill again in the same depraved ways. Now another seventeen years have passed. Brick knows in his gut that it's time for the Nightmare Man to reawaken. But even Brick can't imagine the madman's true agenda. Or just how terrifying the sleepless nights are going to get in the City of Angels . . .

The End of the Golden Gate Jul 13 2021 Capturing an ever-changing San Francisco, 25 acclaimed writers tell their stories of living in one of the most mesmerizing cities in the world. Over the last few decades, San Francisco has experienced radical changes with the influence of Silicon Valley, tech companies, and more. Countless articles, blogs, and even movies have tried to capture the complex nature of what San Francisco has become, a place millions of people have loved to call home, and yet are compelled to consider leaving. In this beautifully written collection, writers take on this Bay Area-dweller's eternal conflict: Should I stay or should I go? Including an introduction written by Gary Kamiya and essays from Margaret Cho, W. Kamau Bell, Michelle Tea, Beth Lisick, Daniel Handler, Bonnie Tsui, Stuart Schuffman, Alysia Abbott, Peter Coyote, Alia Volz, Duffy Jennings, John Law, and many more, *The End of the Golden Gate* is a penetrating journey that illuminates both what makes San Francisco so magnetizing and how it has changed vastly over time, shapeshifting to become something new for each generation of city dwellers. With essays chronicling the impact of the tech-industry invasion and the evolution, gentrification, and radical cost of living that has transformed San Francisco's most beloved neighborhoods, these prescient essayists capture the lasting imprint of the 1960s counterculture movement, as well as the fight to preserve the art, music, and other creative movements that make this forever the city of love. For anyone considering moving to San Francisco, wishing to relive the magic of the city, or anyone experiencing the sadness of leaving the bay—and ultimately, for anyone that needs a reminder of why we stay. Bound to be a long-time staple of San Francisco literature, anyone who has lived in or is currently living in San Francisco will enjoy the rich history of the city within these pages and relive intimate memories of their own. • GIVING BACK TO THE COMMUNITY: A percentage of

the proceeds will be given to charities that help those in the bay experiencing homelessness. Every copy purchased offers a small way to help those in need.

A Critical Cinema 3 Apr 29 2020 *A Critical Cinema 3* continues Scott MacDonald's compilation of personal interviews and public discussions with major contributors to independent filmmaking and film awareness. An informative exchange with Amos Vogel, whose *Cinema 16 Society* drew American filmgoers into a broader sense of film history, is followed by interviews reflecting a wide range of approaches to filmmaking. Sally Potter discusses her popular feature, *Orlando*, in relation to the experimental work that preceded it, and Canadian independent John Porter argues compellingly for small-gauge, Super-8mm filmmaking. Ken Jacobs discusses the "Nervous System" apparatus with which he transforms old film footage into new forms of motion picture art; Jordan Belson describes his *Vortex Concerts*, ancestors of modern laser light shows; and Elias Merhige talks about going beneath the "rational structure of meaning" in *Begotten*. *A Critical Cinema 3* presents independent cinema as an international and multiethnic phenomenon. MacDonald interviews filmmakers from Sweden, France, Italy, Austria, Armenia, India, the Philippines, and Japan and examines the work of African Americans, European Americans, Asian Americans, and Hispanics. He provides an introductory overview of each interviewee, as well as detailed film/videographies and selected bibliographies. With its predecessors, *A Critical Cinema* (California, 1988) and *A Critical Cinema 2* (California, 1992), this is the most extensive, in-depth exploration of independent cinema available in English.

Documentary Trial Plays in Contemporary American Theater Oct 16 2021 From the Chicago Conspiracy Trial and the O. J. Simpson trial to the Clarence Thomas/Anita Hill congressional hearings, legal and legislative proceedings in the latter part of the twentieth-century kept Americans spellbound. Situated on the shifting border between imagination and the law, trial plays edit, arrange, and reproduce court records, media coverage, and first-person interviews, transforming these elements into a performance. In this first book-length critical study of contemporary American documentary theater, Jacqueline O'Connor examines in depth ten such plays, all written and staged since 1970, and considers the role of the genre in re-creating and revising narratives of significant conflicts in contemporary history. Documentary theater, she shows, is a particularly appropriate and widely utilized theatrical form for engaging in debate about tensions between civil rights and institutional power, the inconsistency of justice, and challenges to gender norms. For each of the plays discussed, including *The Trial of the Catonsville Nine*, *Unquestioned Integrity: The Hill/Thomas Hearings*, and *The Laramie Project*, O'Connor provides historical context and a brief production history before considering the trial the play focuses on. Grouping plays historically and thematically, she demonstrates how dramatic representation advances our understanding of the law's power while revealing the complexities that hinder society's pursuit of justice.

Bunny Sep 27 2022 "Jon Swift + Witches of Eastwick + Kelly 'Get In Trouble' Link + Mean Girls + Creative Writing Degree Hell! No punches pulled, no hilarities dodged, no meme unangled! O Bunny you are sooo genius!" —Margaret Atwood, via Twitter "A wild, audacious and ultimately unforgettable novel." —Michael Schaub, Los Angeles Times "Awad is a stone-cold genius." —Ann Bauer, The Washington Post The Vegetarian meets Heathers in this darkly funny, seductively strange novel from the acclaimed author of 13 Ways of Looking at a Fat Girl "We were just these innocent girls in the night trying to make something beautiful. We nearly died. We very nearly did, didn't we?" Samantha Heather Mackey couldn't be more of an outsider in her small, highly selective MFA program at New England's Warren University. A scholarship student who prefers the company of her dark imagination to that of most people, she is utterly repelled by the rest of her fiction writing cohort—a clique of unbearably twee rich girls who call each other "Bunny," and seem to move and speak as one. But everything changes when Samantha receives an invitation to the Bunnies' fabled "Smut Salon," and finds herself inexplicably drawn to their front door—ditching her only friend, Ava, in the process. As Samantha plunges deeper and deeper into the Bunnies' sinister yet saccharine world, beginning to take part in the ritualistic off-campus "Workshop" where they conjure their monstrous creations, the edges of reality begin to blur. Soon, her friendships with Ava and the Bunnies will be brought into deadly collision. The spellbinding new novel from one of our most fearless chroniclers of the female experience, Bunny is a down-the-rabbit-hole tale of loneliness and belonging, friendship and desire, and the fantastic and terrible power of the imagination. The Spice Necklace Dec 06 2020 The author of *An Embarrassment of Mangoes* offers "a mouthwatering slice of Caribbean culture" in this blend of travel memoir and cookbook (New York Post). While sailing around the Caribbean, Ann Vanderhoof and her husband Steve track wild oregano-eating goats in the cactus-covered hills of the Dominican Republic, gather nutmegs on an old estate in Grenada, make searing-hot pepper sauce in a Trinidadian kitchen, cram for a chocolate-tasting test at the University of the West Indies, and sip moonshine straight out of hidden back-country stills. Along the way, they are befriended by a collection of unforgettable island characters: Dwight, the skin-diving fisherman who always brings them something from his catch and critiques their efforts to cook it; Greta, who harvests sea moss on St. Lucia and turns it into potent Island-Viagra; sweet-hand Pat, who dispenses hugs and impromptu dance lessons along with cooking tips in her Port of Spain kitchen. Back in her galley, Ann practices making curry like a Trini, dog sauce like a Martiniquais, and coo-coo like a Carriacouan. And for those who want to take these adventures into their own kitchens, she pulls 71 delicious recipes from the stories she tells, which she places at the end of the relevant chapters. The Spice Necklace is a wonderful escape into a life filled with sunshine (and hurricanes), delicious food, irreplaceable company, and island traditions.

Blood and Salt Mar 09 2021 The last words Ash hears her mother say are, "When you fall in love, you will carve out your heart and throw it into the deepest ocean. You will be all in—blood and salt." Determined to find her mother when she disappears, Ash follows her to Quivara, Kansas, the spiritual commune she escaped long ago. But something sinister and ancient waits among the rustling cornstalks of this village lost to time. Her mother is nowhere to be found, but Ash is plagued by memories of her ancestor, Katia, which harken back to the town's history of unrequited love, murder, alchemy, and immortality. Charming traditions give way to a string of deaths. And Ash feels herself drawn to Dane, a

mysterious, forbidden boy with secrets of his own. As the community prepares for a ceremony five hundred years in the making, Ash fights to save her mother, her lover, and herself. She must discover the truth about Quivara before it's too late. Before she's all in—blood and salt.

Robert B. Parker's The Bitterest Pill Jun 24 2022 The opioid epidemic has reached Paradise, and Police Chief Jesse Stone must rush to stop the devastation in the latest thriller in Robert B. Parker's New York Times-bestselling series. When a popular high school cheerleader dies of a suspected heroin overdose, it becomes clear that the opioid epidemic has spread even to the idyllic town of Paradise. It will be up to police chief Jesse Stone to unravel the supply chain and unmask the criminals behind it, and the investigation has a clear epicenter: Paradise High School. Home of the town's best and brightest future leaders and its most vulnerable down-and-out teens, it's a rich and bottomless market for dealers out of Boston looking to expand into the suburbs. But when it comes to drugs, the very people Jesse is trying to protect are often those with the most to lose. As he digs deeper into the case, he finds himself battling self-interested administrators, reluctant teachers, distrustful schoolkids, and overprotective parents . . . and at the end of the line are the true bad guys, the ones with a lucrative business they'd kill to protect.
