I Am Forbidden Jul 07 2020 The extraordinary story of a sister who believes and a sister who rebels, set inside the most insular Hasidic sect, the Satmar. Spanning four generations, from pre-World War II Transylvania, to 1960s Paris, to contemporary New York, Markovits' masterful novel shows what happens when unwavering love and unyielding law clash--a rabbi will save himself while his followers perish; a Gentile maid will be commanded to give up the boy she rescued because he is not of her faith; two devoted sisters will be forced apart when one begins to question their religion's ancient doctrine. One sister embraces and finds comfort in the constraints of the world she's always known, while the other knows she will suffocate in a life without intellectual freedom. Separated by the rules of their community, the two sisters are brought together again when a family secret threatens to make pariahs of them all. Dark, powerful, and utterly compelling, *I Am Forbidden* takes us deep inside the minds of those who leave their restrictive environments, and deep into the souls of those who struggle to stay.

Sailor and Fiddler Apr 27 2022 "Written with the wisdom of a man who has lived through two centuries and the wit of someone who began his career as professional comedy writer, the first part of Wouk's memoir ("Sailor") refers to his Navy experience and writing career, the second ("Fiddler") to what he's learned from living a life of faith."

The Lawgiver Nov 10 2020 A tale told through correspondence, articles, and text messages traces the efforts of a group of movie makers, including a brilliant young writer-director who has rejected her rabbinical father's strict upbringing, to create a movie about the life of Moses.

The Caine Mutiny Oct 22 2021 Each decade new readers discover the characters and curious activities aboard the U.S.S. "Caine in this classic tale of pathos, humor, and scope.

The Glory Jun 05 2020 Committed to fight in the air and on the ground against the monumental resources of the Soviet Union, *The Glory* charts Israel's successes over Egypt and the commando raid on Fatah HQ in Beirut, the first missile-to-sea fight in history, which helped tip

the balance in the Yom Kippur War, and the famous counter-terrorism raid on Entebbe. Shifting between Jerusalem and Washington, Los Angeles and Paris, this is the story of a beleaguered country and the men and women who fought for Israeli Independence and triumphed in the Six-Day War but know their fragile nationhood still hangs by a thread as their own children go into battle.

Herman Wouk May 05 2020 Arnold Beichman's comprehensive study of the writings of Herman Wouk, one of America's leading writers, shows how Wouk's plays and novels exemplify an extraordinary and often highly perceptive preoccupation with American society in war and in peace. Situating Wouk in the same literary tradition as Cervantes, Richardson, Balzac, and Dickens, Beichman demonstrates that Wouk's novels have strong plots, moralist outcomes, and active--essentially positive--characters. The new introduction serves to bring Wouk's work over the past two decades into the reckoning. Making extensive use of Wouk's personal papers and manuscripts as well as personal interviews with him, Beichman's focus is on the social and literary qualities of Wouk's work. In particular, he examines eight novels including *War and Remembrance* and *The Winds of War*; *The Traitor*, one of his three plays; and two moral tracts on Judaism. Wouk has written four more novels, including his latest, *A Hole in Texas*, his twelfth. Beichman portrays Wouk as one of the few living novelists concerned with virtue, and sees his work as against the mainstream of contemporary American novelists. These, he argues, have eschewed such elements of the traditional novel as invention, coincidences, surprises, suspense, and a moral perspective more presumed than examined.

The Glory Dec 12 2020 In *The Hope*, world-famed historical novelist Herman Wouk told the riveting saga of the first twenty years of Israel's existence, culminating in its resounding triumph in the Six-Day War, which amazed the world as few events of this turbulent century have. With *The Glory*, Wouk rejoins the story of Israel's epic journey in one of his most compelling works yet. From the euphoric aftermath of that stunning victory in 1967, through the harrowing battles of the Yom Kippur War, the heroic Entebbe rescue, the historic Camp David Accords, and finally the celebration of forty years of independence and

the opening of the road to peace, Wouk immerses us in the bloody battles, the devastating defeats, the elusive victories.

The Red Leather Diary Apr 03 2020 "A world straight from the pages of an F. Scott Fitzgerald novel. . . . An extraordinary story about coming of age, following your dreams and discovering (or rediscovering) who you are, were and want to be." — Parade Rescued from a Dumpster on the Upper West Side of Manhattan, a discarded diary brings to life the glamorous, forgotten world of an extraordinary young woman Opening the tarnished brass lock of a red leather diary found in the basement of a New York City apartment building, New York Times writer Lily Koppel embarked on a journey into the past. Compelled by the hopes and heartaches captured in the pages, Koppel set out to find the diary's owner, a 90-year old woman named Florence. Eventually reunited with her diary, Florence ventured back to the girl she once was, rediscovering a lost self that burned with artistic fervor. Joining intimate interviews with original diary entries, *The Red Leather Diary* is an evocative and entrancing work that recreates the romance and glitter, sophistication and promise, of 1930s New York, bringing to life the true story of a precocious young woman who dared to follow her dreams.

War and Remembrance Sep 20 2021 This is a historical romance. The subject is World War II, the viewpoint American.

So Long, See You Tomorrow Jul 27 2019 In this magically evocative novel, William Maxwell explores the enigmatic gravity of the past, which compels us to keep explaining it even as it makes liars out of us every time we try. On a winter morning in the 1920s, a shot rings out on a farm in rural Illinois. A man named Lloyd Wilson has been killed. And the tenuous friendship between two lonely teenagers—one privileged yet neglected, the other a troubled farm boy—has been shattered. Fifty years later, one of those boys—now a grown man—tries to reconstruct the events that led up to the murder. In doing so, he is inevitably drawn back to his lost friend Cletus, who has the misfortune of being the son of Wilson's killer and who in the months before witnessed things that Maxwell's narrator can only guess at. Out of memory and imagination, the surmises of children and the destructive passions of their parents, Maxwell creates a luminous

American classic of youth and loss.

Run Silent, Run Deep Nov 22 2021 This is a story of the silent service—the submarine crews which destroyed the Japanese merchant marine. A narrative taut with drama, told with the intimacy of a confession, it deals with two strong-headed men: their loves, their jealousies, and their destinies in the lonely and desperate struggle between the hunter and the hunted. Few war novels will rival *Run Silent, Run Deep* in the naked realism of its action. None will surpass its rising excitement and brilliant descriptions of men in combat. Unlike many war novels, here is a story that deals with war from the perspective of command. Edward Beach re-creates with fidelity the anguish, agony, and triumphs of command decisions. In *Commander Richardson*, he has created a character who embodies all that is fine, all that is human, in an excellent naval officer. In a sense, *Run Silent, Run Deep* is a monument, not to the misfits and the mistakes, but to those men who rose to greatness under the sometimes unbearable tensions of action.

Sailor and Fiddler Feb 11 2021 "In an unprecedented literary accomplishment, Herman Wouk, one of America's most beloved and enduring authors, reflects on his life and times from the remarkable vantage point of 100 years old. Many years ago, the great British philosopher Sir Isaiah Berlin urged Herman Wouk to write his autobiography. Wouk responded, "Why me? I'm nobody." Berlin answered, "No, no. You've traveled. You've known many people. You have interesting ideas. It would do a lot of good." Now, in the same year he has celebrated his hundredth birthday, Herman Wouk finally reflects on the life experiences that inspired his most beloved novels. Among those experiences are his days writing for comedian Fred Allen's radio show, one of the most popular shows in the history of the medium; enlisting in the US Navy during World War II; falling in love with Betty Sarah Brown, the woman who would become his wife (and literary agent) for sixty-six years; writing his Pulitzer Prize-winning novel, *The Caine Mutiny*; as well as a big hit Broadway play *The Caine Mutiny Court Martial*; and the surprising inspirations and people behind such masterpieces as *The Winds of War*, *War and Remembrance*, *Marjorie Morningstar*, and *Youngblood Hawke*. Written with the wisdom of a man who has lived through two centuries and the wit of someone who began his career as professional comedy writer, the first part of Wouk's memoir ("Sailor") refers to his Navy experience and writing career, the second ("Fiddler") to what he's learned from living a life of faith. Ultimately, *Sailor and Fiddler* is an unprecedented reflection from a vantage point few people have lived to experience"--
[Marjorie Morningstar](#) Nov 03 2022 Now hailed as a "proto-feminist classic" (*Vulture*), Pulitzer Prize winner Herman Wouk's powerful coming-of-age novel about an ambitious young woman pursuing her artistic dreams in New York City has been a perennial favorite since it was first a bestseller in the 1950s. A starry-eyed young beauty, Marjorie Morgenstern is nineteen years old when she leaves home to accept the job of her dreams--working in a summer-stock company for Noel Airman, its talented and intensely charismatic director. Released

from the social constraints of her traditional Jewish family, and thrown into the glorious, colorful world of theater, Marjorie finds herself entangled in a powerful affair with the man destined to become the greatest--and the most destructive--love of her life. Rich with humor and poignancy, *Marjorie Morningstar* is a classic love story, one that spans two continents and two decades in the life of its heroine. "I read it and I thought, 'Oh, God, this is me.'" --Scarlet Johansson
The Hope Jan 13 2021 Taking readers from 1948 to 1967 in Sinai, Jerusalem, and Washington, D.C., a stunning depiction of the conflicts that shaped the struggling nation of Israel follows the adventures of a sinister Mossad man, a religious ace fighter pilot, the daughter of a CIA man, and more. Reprint. 12,000 first printing.

Morningstar: Growing Up With Books Jan 25 2022 "[An] enchanting journey through Ann Hood's early fascination with reading.... Book lovers will find *Morningstar* irresistible."—Lynn Sharon Schwartz, author of *Ruined by Reading* Growing up in a mill town in Rhode Island, in a household that didn't foster a love of reading, novelist Ann Hood discovered nonetheless the transformative power of literature. She learned to channel her imagination, ambitions, and curiosity by devouring ever-growing stacks of books. In *Morningstar*, Hood recollects with warmth and honesty how *The Bell Jar*, *Marjorie Morningstar*, *The Hammad Experiment*, and *The Outsiders* influenced her teen psyche and introduced her to topics that could not be discussed at home: desire, fear, sexuality, and madness. Later, *Johnny Got His Gun* and *Grapes of Wrath* dramatically influenced her political thinking while the Vietnam War and Kent State shootings became headline news, and classics such as *Dr. Zhivago* and *Les Misérables* stoked her ambitions to travel the world. With characteristic insight and charm, Hood showcases the ways in which books gave her life and can transform—even save—our own lives.

Land of Love and Drowning Sep 08 2020 A critically acclaimed debut from an award-winning writer—an epic family saga set against the magic and the rhythms of the Virgin Islands. In the early 1900s, the Virgin Islands are transferred from Danish to American rule, and an important ship sinks into the Caribbean Sea. Orphaned by the shipwreck are two sisters and their half brother, now faced with an uncertain identity and future. Each of them is unusually beautiful, and each is in possession of a particular magic that will either sink or save them. Chronicling three generations of an island family from 1916 to the 1970s, *Land of Love and Drowning* is a novel of love and magic, set against the emergence of Saint Thomas into the modern world. Uniquely imagined, with echoes of Toni Morrison, Gabriel García Márquez, and the author's own Caribbean family history, the story is told in a language and rhythm that evoke an entire world and way of life and love. Following the Bradshaw family through sixty years of fathers and daughters, mothers and sons, love affairs, curses, magical gifts, loyalties, births, deaths, and triumphs, *Land of Love and Drowning* is a gorgeous, vibrant debut by an exciting, prizewinning young writer.

Inside, Outside Oct 10 2020 Herman Wouk's classic novel moves on from the grand themes which have won him international acclaim -

war, the fate of nations, and the indomitable spirit of man - to the quest for identity, in the clash between the Inside of faith and family and the Outside of the glittery American dream. *Inside, Outside* sweeps through more than sixty years, from the pre-war, pre-atomic innocence of the twenties and thirties to the turbulent immediate past. Scenes of rollicking family humour and show-business comedy alternate with sudden tragedy, the spectacle of a falling President and the explosion of war. A bittersweet first love, relived after forty years, and a tense secret wartime mission between Washington and Jerusalem call forth the author's renowned storytelling gift. An intense, personal book about intimate things, *Inside, Outside* is a merry, poignant, sometimes ribald picture of the American Jewish experience, by a master at the peak of his powers.

Delta Wedding Jun 25 2019 This novel of a Mississippi family in the 1920s "presents the essence of the Deep South and does it with infinite finesse" (*The Christian Science Monitor*). From one of the most treasured American writers, winner of a National Book Award and Pulitzer Prize, comes *Delta Wedding*, a vivid and charming portrait of Southern life. Set in 1923, the story is centered on the Fairchilds, a big and clamorous family, who live on a plantation in the Mississippi delta. They are in the midst of planning their daughter's wedding when a nine-year-old relative, Laura McRaven, whose mother has just died, comes to visit. Drama leads to drama, revelation to revelation, in a novel that is "nothing short of wonderful" (*The New Yorker*). The result is a sometimes-riotous view of a Southern family, and the parentless child who learns to become one of them.

A Hole in Texas Dec 24 2021 With this rollicking novel hailed equally for its satiric bite, its lightly borne scientific savvy, and its tender compassion for foible-prone humanity, one of America's preeminent storytellers returns to fiction. Guy Carpenter is a regular guy, a family man, an obscure NASA scientist, when he is jolted out of his quiet life and summoned to the corridors of power in Washington, D.C. Through a turn of events as unlikely as it is inevitable, Guy finds himself compromised by scandal and romance, hounded by Hollywood, and agonizingly alone at the white-hot center of a firestorm ignited as three potent forces of American culture -- politics, big science, and the media -- spectacularly collide.

[Lady in the Lake](#) Aug 20 2021 SOON TO BE A SERIES FROM APPLE TV! A New York Times Bestseller The revered New York Times bestselling author returns with a novel set in 1960s Baltimore that combines modern psychological insights with elements of classic noir, about a middle-aged housewife turned aspiring reporter who pursues the murder of a forgotten young woman. In 1966, Baltimore is a city of secrets that everyone seems to know—everyone, that is, except Madeline "Maddie" Schwartz. Last year, she was a happy, even pampered housewife. This year, she's bolted from her marriage of almost twenty years, determined to make good on her youthful ambitions to live a passionate, meaningful life. Maddie wants to matter, to leave her mark on a swiftly changing world. Drawing on her own secrets, she helps Baltimore police find a murdered girl—assistance that leads to a job at the city's afternoon newspaper,

the Star. Working at the newspaper offers Maddie the opportunity to make her name, and she has found just the story to do it: Cleo Sherwood, a missing woman whose body was discovered in the fountain of a city park lake. If Cleo were white, every reporter in Baltimore would be clamoring to tell her story. Instead, her mysterious death receives only cursory mention in the daily newspapers, and no one cares when Maddie starts poking around in a young Black woman's life—except for Cleo's ghost, who is determined to keep her secrets and her dignity. Cleo scolds the ambitious Maddie: You're interested in my death, not my life. They're not the same thing. Maddie's investigation brings her into contact with people that used to be on the periphery of her life—a jewelry store clerk, a waitress, a rising star on the Baltimore Orioles, a patrol cop, a hardened female reporter, a lonely man in a movie theater. But for all her ambition and drive, Maddie often fails to see the people right in front of her. Her inability to look beyond her own needs will lead to tragedy and turmoil for all sorts of people—including Ferdie, the man who shares her bed, a police officer who is risking far more than Maddie can understand.

Fucchoi Sep 28 2019 "Terse and intense and new...I loved it."

—Tommy Orange, author of *There There* "Fucchoi is its generation's coming of age novel...Utterly of its moment, of this moment."—Jay McInerney, *Wall Street Journal* A fearless and savagely funny examination of masculinity under late capitalism from an electrifying new voice. Set in Philly one year into Trump's presidency, Sean Thor Conroe's audacious, freewheeling debut follows our eponymous fucchoi, Sean, as he attempts to live meaningfully in a world that doesn't seem to need him. Reconciling past, failed selves—cross-country walker, SoundCloud rapper, weed farmer—he now finds himself back in his college city, trying to write, doing stimulant-fueled bike deliveries to eat. Unable to accept that his ex has dropped him, yet still engaged in all the same fuckery—being coy and spineless, dodging decisions, maintaining a rotation of baes—that led to her leaving in the first place. But now Sean has begun to wonder, how sustainable is this mode? How much fuckery is too much fuckery? Written in a riotous, utterly original idiom, and slyly undercutting both the hypocrisy of our era and that of Sean himself, *Fucchoi* is an unvarnished, playful, and searching examination of what it means to

be a man. "Got under my skin in the way the best writing can."

—Sheila Heti "Sean Conroe isn't one of the writers there's a hundred of. He writes what's his own, his own way." —Nico Walker, author of *Cherry*

City Boy Mar 27 2022 An "enormously entertaining" portrait of "a Bronx Tom Sawyer" (*San Francisco Chronicle*), *City Boy* is a sharp and moving novel of boyhood from Pulitzer Prize winner Herman Wouk. A hilarious and often touching tale of an urban kid's adventures and misadventures on the street, in school, in the countryside, always in pursuit of Lucille, a heartless redhead personifying all the girls who torment and fascinate pubescent lads of eleven.

The Will To Live On Mar 15 2021 Herman Wouk has ranged in his novels from the mighty narrative of *The Caine Mutiny* and the warm, intimate humor of *Marjorie Morningstar* to the global panorama of *The Winds of War* and *War and Remembrance*. All these powers merge in this major new work of nonfiction, *The Will to Live On*, an illuminating account of the worldwide revolution that has been sweeping over Jewry, set against a swiftly reviewed background of history, tradition, and sacred literature. Forty years ago, in his modern classic *This Is My God*, Herman Wouk stated the case for his religious beliefs and conduct. His aim in that work and in *The Will to Live On* has been to break through the crust of prejudice, to reawaken clearheaded thought about the magnificent Jewish patrimony, and to convey a message of hope for Jewish survival. Although the Torah and the Talmud are timeless, the twentieth century has brought earthquake shocks to the Jews: the apocalyptic experience of the Holocaust, the reborn Jewish state, the precarious American diaspora, and deepening religious schisms. After a lifetime of study, Herman Wouk examines the changes affecting the Jewish world, especially the troubled wonder of Israel, and the remarkable, though dwindling, American Jewry. The book is peppered with wonderful stories of the author's encounters with such luminaries as Ben Gurion, Isidor Rabi, Yitzhak Rabin, Saul Bellow, and Richard Feynman. Learned in general culture, warmly tolerant of other beliefs, this noted author expresses his own other beliefs, this noted author expresses his own faith with a passion that gives the book its fire and does so in the clear, engaging style that—as in all Wouk's fiction—makes the reader want to know what the next page will bring.
