Who is John Galt? When he says that he will stop the motor of the world, is he a destroyer or a liberator? You will know the answer to these questions when you discover the reason behind the baffling events that play havoc with the lives of the amazing men and women in this book. You will discover why a productive genius becomes a worthless playboy...why a great steel industrialist is working for his own destruction...why a composer gives up his career on the night of his triumph...why a beautiful woman who runs a transcontinental railroad

falls in love with the man she has sworn to kill. *The Moscow Option* Mar 22 2022 This provocative alternative history looks at the Second World War from a new angle - what might have happened had the Germans taken Moscow in 1941. Based on authentic history and real possibilities, this unique speculative narrative plays out the dramatic consequences of opportunities taken and examines the grotesque possibilities of a Third Reich triumphant. On 30 September 1941, the Germans fight their way into the ruins of Moscow and the Soviet Union collapses. Although Russian resistance continues, German ambition multiplies after this signal success and offensives are launched in Africa, the Mediterranean and the Middle East. Hitler's armies, assured of victory, make their leader's dreams reality and Allied hopes of

recovery seem almost hopelessly doomed. David Downing convincingly blends actual history with the stimulating world of alternate events. The Moscow Option is a chilling reminder that history might easily have been very different.

**One Man's Flag** Jan 20 2022 Spring 1915. Eight months after foiling a plot to delay the embarkation of France-bound British troops, and reluctantly arresting his lover's brother for being involved, Jack McColl is stationed in India, charged with defending the Empire against Bengali terrorists and their German allies. Belgium, he finds, is not the only country seeking to expel an invader. In England, meanwhile, Colm Hanley is executed, and his sister Caitlin Hanley begins the business of rebuilding her life. The war is changing everything, and giving fresh impulse to those causes--feminism, socialism and Irish independence--which she as a journalist has long supported. The threat of a Rising in Dublin alarms McColl's bosses as much as it dazzles Caitlin. It was one Irish plot which came between Jack and Caitlin in 1914, and it will take another to bring them back together, as both enemies and lovers.

Jack of Spies May 24 2022 Set on the eve of the First World War, across oceans and continents, steamliners and cross-country trains, David Downing's complex and thrilling new espionage novel takes us all the way back to the dawn of that most fascinating of 20th century characters--the spy. It is 1913, and those who follow the news closely can see the world is teetering on the brink of war. Jack McColl, a Scottish car salesman with an uncanny ear for languages, has always hoped to make a job for himself as a spy. As his sales calls take him from city to great city--Hong Kong to Shanghai to San Francisco to New York--he moonlights collecting intelligence for His Majesty's Secret Service, but British espionage is in its infancy and Jack has nothing but a shoestring budget and the very tenuous protection of a boss in far-away London. He knows, though, that a geopolitical catastrophe is brewing, and now is both the moment to prove himself and the moment his country needs him most. Unfortunately, this is also the moment he begins to realize what his aspiration might cost him. He understands his life is at stake when activities in China suddenly escalate from innocent data-gathering and casual strolls along German military concessions to arrest warrants and knife attacks. Meanwhile, a sharp, vivacious American suffragette journalist has wiled her way deep into his affections, and it is not long before he realizes that her Irish-American family might be embroiled in the Irish Republican movement Jack's bosses are fighting against. How can he choose between his country and the woman he loves? And would he even be able to make such a choice without losing both?

World Population and World Food Supplies Nov 06 2020 Originally published in 1954. This great work surveys the distribution of the world's population and the food production of all countries chosen as important by reason of either their demands on the world food market or their

contributions to it. The author concludes that the more advanced countries can be reasonably assured of food supplies for an indefinite period. The less advanced countries can no longer rely on self-contained systems: they must seek co-operation with the advanced countries to supply them with the appliances needed for a more highly developed agriculture. This book at the time gave statesmen and their scientific advisers, agriculturalists and agricultural economists an invaluable new instrument.

**Masaryk Station** Aug 27 2022 Berlin, 1948. Still occupied by the four Allied powers and largely in ruins, the city has become the cockpit of a new Cold War. The legacies of the war have become entangled in the new Soviet-American conflict, creating a world of bizarre and fleeting loyalties—a paradise for spies. As spring unfolds, a Western withdrawal looks increasingly likely. Berlin’s German inhabitants live in fear of the Soviet forces who occupy half the city, and whose legacy of violence has ripped apart many families. John Russell works for both Stalin's NKVD and the newly created CIA, trying his best to cut himself loose from both

before his double-agency is discovered by either. As tensions between the great powers escalate, each passing day makes Russell’s position more treacherous. He and his Soviet liaison, Shchepkin, seek out one final operation—one piece of intelligence so damning it could silence the wrath of one nation and solicit the protection of the other. It will be the most dangerous task Russell has ever taken on, but one way or the other, it will be his last.

**Diary of a Dead Man on Leave** Apr 23 2022 From bestselling author David Downing, master of historical espionage, comes a heart-wrenching depiction of Germany in the days leading up to World War II and the difficult choices of one man of conviction. In April 1938, a man calling himself Josef Hofmann arrives at a boarding house in Hamm, Germany, and lets a room from the widow who owns it. Fifty years later, Walter Gersdorff, the widow's son, who was eleven years old in the spring of 1938, discovers the carefully hidden diary the boarder had kept during his stay, even though he never should have written any of its contents down. What Walter finds is a chronicle of one the most tumultuous years in German history, narrated by a secret agent on a deadly mission. Josef Hofmann was not the returned Argentinian immigrant he'd said he was-- he was a communist spy under Moscow's command trying to reconnect with remaining members of Germany's suppressed communist party. Hofmann's bosses believe the common workers are the only way to stop the German war machine from within. Posing as a railroad man, Hofmann sets out on his game of "Russian roulette," approaching Hamm's ex-party members one at a time and delicately feeling out their allegiances. He always knew his mission would most likely end in his

death, and he was satisfied to make that sacrifice for the revolution if it could help stop Hitler and his abominable ideology. But as he grows close to the Gersdorffs, accidentally stepping into the role of the father Walter never had, Hofmann begins to wish for another kind of hope in his life.

Smalltime: A Story of My Family and the Mob Dec 27 2019 A Kirkus Reviews Best Nonfiction Book of 2021 Family secrets emerge as a best-selling author dives into the history of the mob in small-town America. Best-selling author Russell Shorto, praised for his incisive works of narrative history, never thought to write about his own past. He grew up knowing his grandfather and namesake was a small-town mob boss but maintained an unspoken family vow of silence. Then an elderly relative prodded: You're a writer—what are you gonna do about the story? *Smalltime* is a mob story straight out of central casting—but with a difference, for the small-town mob, which stretched from Schenectady to Fresno, is a mostly unknown world. The location is the brawny postwar factory town of Johnstown, Pennsylvania. The setting is City Cigar, a storefront next to City Hall, behind which Russ and his brother-in-law, "Little Joe," operate a gambling empire and effectively run the town. *Smalltime* is a riveting American immigrant story that travels back to Risorgimento Sicily, to the ancient, dusty, hill-town home of Antonino

Sciotto, the author's great-grandfather, who leaves his wife and children in grinding poverty for a new life—and wife—in a Pennsylvania mining town. It's a tale of Italian Americans living in squalor and prejudice, and of the rise of Russ, who, like thousands of other young men, created a copy of the American establishment that excluded him. *Smalltime* draws an intimate portrait of a mobster and his wife, sudden riches, and the toll a lawless life takes on one family. But *Smalltime* is something more. The author enlists his ailing father—Tony, the mobster's son—as his partner in the search for their troubled patriarch. As secrets are revealed and Tony's health deteriorates, the book becomes an urgent and intimate exploration of three generations of the American immigrant experience. Moving, wryly funny, and richly detailed, *Smalltime* is an irresistible memoir by a masterful writer of historical narrative.

**WBCN and the American Revolution** Jul 22 2019 How Boston radio station WBCN became the hub of the rock-and-roll, antiwar, psychedelic solar system. While San Francisco was celebrating a psychedelic Summer of Love in 1967, Boston stayed buttoned up and battened down. But that changed the following year, when a Harvard Law School graduate student named Ray Riepen founded a radio station that played music that young people, including the hundreds of thousands at Boston-area colleges, actually wanted to hear. WBCN-FM featured album cuts by such artists as the Mothers of Invention, Aretha Franklin, and Cream, played by announcers who felt free to express their opinions on subjects that ranged from recreational drugs to the war in Vietnam. In this engaging and generously illustrated chronicle, Peabody Award-winning journalist and one-time WBCN announcer Bill Lichtenstein tells the story of how a radio station became part of a revolution in youth culture. At

WBCN, creativity and countercultural politics ruled: there were no set playlists; news segments anticipated the satire of *The Daily Show*; on-air interviewees ranged from John and Yoko to Noam Chomsky; a telephone "Listener Line" fielded questions on any subject, day and night. From 1968 to Watergate, Boston's WBCN was the hub of the rock-and-roll, antiwar, psychedelic solar system. A cornucopia of images in color and black and white includes concert posters, news clippings, photographs of performers in action, and scenes of joyousness on Boston

CommonInterwoven through the narrative are excerpts from interviews with WBCN pioneers, including Charles Laquidara, the "news dissector" Danny Schechter, Marsha Steinberg, and Mitchell Kertzman.

Lichtenstein's documentary *WBCN and the American Revolution* is available as a DVD sold separately.

**Zoo Station** Sep 28 2022 By 1939, Anglo-American journalist John Russell has spent over a decade in Berlin, where his son lives with his mother. He writes human-interest pieces for British and American papers, avoiding the investigative journalism that could get him deported. But as World War II approaches, he faces having to leave his son as well as his girlfriend of several years, a beautiful German starlet. When an acquaintance from his old communist days approaches him to do some work for the Soviets, Russell is reluctant, but he is unable to resist the offer. He becomes involved in other dangerous activities, helping a Jewish family and a determined young American reporter. When the British and the Nazis notice his involvement with the Soviets, Russell is dragged into the murky world of warring intelligence services.

*Masaryk Station* Aug 15 2021 Berlin, 1948. Still occupied by the four Allied powers and largely in ruins, the city has become the cockpit of a new Cold War. The legacies of the war have become entangled in the new Soviet-American conflict, creating a world of bizarre and fleeting loyalties—a paradise for spies. As spring unfolds, a Western withdrawal looks increasingly likely. Berlin's German inhabitants live in fear of the Soviet forces who occupy half the city, and whose legacy of violence has ripped apart many families. John Russell works for both Stalin's NKVD

and the newly created CIA, trying his best to cut himself loose from both before his double-agency is discovered by either. As tensions between the great powers escalate, each passing day makes Russell's position more treacherous. He and his Soviet liaison, Shchepkin, seek out one final operation—one piece of intelligence so damning it could silence the wrath of one nation and solicit the protection of the other. It will be the most dangerous task Russell has ever taken on, but one way or the other, it will be his last.

*Cesare* Mar 10 2021 "Jerome Charyn is one of the most important writers in American literature." —Michael Chabon "[Charyn's] sentences are pure vernacular music, his voice unmistakable." —Jonathan Lethem "One of our most rewarding novelists." —Larry McMurtry On a windy night in 1937, a seventeen-year-old German naval sub-cadet is wandering along the seawall when he stumbles upon a gang of ruffians beating up a tramp, whose life he saves. The man is none other than spymaster Wilhelm Canaris, chief of the Abwehr, German military intelligence. Canaris adopts the young man and dubs him "Cesare" after the character in the silent film *The Cabinet of Dr. Caligari* for his ability to break through any barrier as he eliminates the Abwehr's enemies. Canaris is a man of contradictions who, while serving the regime, seeks to undermine the Nazis and helps Cesare hide Berlin's Jews from the Gestapo. But the Nazis will lure many to Theresienstadt, a phony paradise in Czechoslovakia with sham restaurants, novelty shops, and bakeries, a cruel ghetto and way station to Auschwitz. When the woman Cesare loves, a member of the Jewish underground, is captured and sent there, Cesare must find a way to rescue her. *Cesare* is a literary thriller and a love story born of the horrors of a country whose culture has died, whose history has been warped, and whose soul has disappeared. Jerome Charyn is the author of more than fifty works of fiction and nonfiction. Among other honors, he has received the Rosenthal Family Foundation Award for Fiction from the American Academy of Arts and Letters and his novels have been selected as finalists for the Firecracker Award and PEN/Faulkner Award for Fiction.
