Getting the books **Life On The Mississippi Mark Twain** now is not type of inspiring means. You could not abandoned going considering books amassing or library or borrowing from your contacts to open them. This is an unconditionally easy means to specifically get lead by on-line. This online notice Life On The Mississippi Mark Twain can be one of the options to accompany you bearing in mind having additional time.

It will not waste your time. recognize me, the e-book will utterly announce you other concern to read. Just invest tiny era to entre this on-line message **Life On The Mississippi Mark Twain** as well as evaluation them wherever you are now.

The Mississippi Pilot Mar 27 2022 This is a very humorous account of the life of a Mississippi Pilot. But the pilots life, as described by Mark Twain, is not merely a record of adventure. It is full of information, and there is much practical knowledge.

River of Dreams Sep 08 2020 Even in the decades before Mark Twain enthralled the world with his evocative representations of the Mississippi, the river played an essential role in American culture and consciousness. Throughout the antebellum era, the Mississippi acted as a powerful symbol of America's conception of itself -- and the world's conception of America. As Twain understood, "The Mississippi is well worth reading about." Thomas Ruys Smith's *River of Dreams* is an examination of the Mississippi's role in the antebellum imagination, exploring its cultural position in literature, art, thought, and national life. Presidents, politicians, authors, poets, painters, and international celebrities of every variety experienced the Mississippi in its Golden Age. They left an extraordinary collection of representations of the river in their wake, images that evolved as America itself

changed. From Thomas Jefferson's vision for the Mississippi to Andrew Jackson and the rowdy river culture of the early nineteenth century, Smith charts the Mississippi's shifting importance in the making of the nation. He examines the accounts of European travelers, including Frances Trollope, Charles Dickens, and William Makepeace Thackeray, whose views of the river were heavily influenced by the world of the steamboat and plantation slavery. Smith discusses the growing importance of visual representations of the Mississippi as the antebellum period progressed, exploring the ways in which views of the river, particularly giant moving panoramas that toured the world, echoed notions of manifest destiny and the westward movement. He evokes the river in the late antebellum years as a place of crime and mystery, especially in popular writing, and most notably in Herman Melville's *The Confidence-Man*. An epilogue discusses the Mississippi during the Civil War, when possession of the river became vital, symbolically as well as militarily. The epilogue also provides an introduction to Mark Twain, a product of the antebellum river world who was to resurrect its imaginative potential for a post-war nation and produce an iconic Mississippi that still flows through a wide and fertile floodplain in American literature. From empire building in the Louisiana Purchase to the trauma of the Civil War, the Mississippi's dominant symbolic meanings tracked the essential forces operating within the nation. As Smith shows in this groundbreaking work, the story of the imagined Mississippi River is the story of antebellum America itself.

*King of the Mississippi* Mar 03 2020 A biting, hilarious literary satire of war, business, and contemporary masculinity, set in the cutthroat-but-ridiculous world of management consulting *King of the Mississippi* is an incisive, uproarious dissection of contemporary male vanity and delusion, centered around a "war" for dominance of a prestigious Houston consulting firm. On one side of the conflict is Brock Wharton, an old money ex-jock whose delight in telling clients to downsize is matched only by his firm conviction that people like himself deserve to run the world. On the other is Mike Fink, a newly hired wily former soldier trying to ride his veteran status to the top of a corporate world that lionizes "the troops" without truly understanding them. Brock and Mike are mortal enemies on sight, bitterly divided not only by background and class but by diametrically opposed (yet equally delusional) visions of what it means to "be a man." And as their escalating conflict spirals out of control, it will take them all the way from the hidebound boardrooms and gladiatorial football fields of Texas to the vapid and self-serving upper echelon of Silicon Valley, to the corporatized battlefield of Iraq, all the while serving as a ruthlessly funny takedown of the vacuity and empty machismo of corporate life and alpha-male culture in modern America. Devastatingly witty, unapologetically scathing, and ultimately surprisingly moving, *King of the Mississippi* marks the arrival of a unique and scintillating new voice in American fiction, one that boldly punctures the myths of American manhood like no one has since the heyday of *The Bonfire of the Vanities* and *American Psycho*.

*Pudd'nhead Wilson and Those Extraordinary Twins* Jan 13 2021 Picture of life in a Missouri town and the adventures of an amateur detective.

*River of Dreams* May 29 2022 Even in the decades before Mark Twain enthralled the world with his evocative representations of the Mississippi, the river played an essential role in American culture and consciousness. Throughout the antebellum era, the Mississippi acted as a powerful symbol of America's conception of itself -- and the world's conception of America. As Twain understood, "The Mississippi is well worth reading about." Thomas Ruys Smith's *River of Dreams* is an examination of the Mississippi's role in

the antebellum imagination, exploring its cultural position in literature, art, thought, and national life. Presidents, politicians, authors, poets, painters, and international celebrities of every variety experienced the Mississippi in its Golden Age. They left an extraordinary collection of representations of the river in their wake, images that evolved as America itself changed. From Thomas Jefferson's vision for the Mississippi to Andrew Jackson and the rowdy river culture of the early nineteenth century, Smith charts the Mississippi's shifting importance in the making of the nation. He examines the accounts of European travelers, including Frances Trollope, Charles Dickens, and William Makepeace Thackeray, whose views of the river were heavily influenced by the world of the steamboat and plantation slavery. Smith discusses the growing importance of visual representations of the Mississippi as the antebellum period progressed, exploring the ways in which views of the river, particularly giant moving panoramas that toured the world, echoed notions of manifest destiny and the westward movement. He evokes the river in the late antebellum years as a place of crime and mystery, especially in popular writing, and most notably in Herman Melville's *The Confidence-Man*. An epilogue discusses the Mississippi during the Civil War, when possession of the river became vital, symbolically as well as militarily. The epilogue also provides an introduction to Mark Twain, a product of the antebellum river world who was to resurrect its imaginative potential for a post-war nation and produce an iconic Mississippi that still flows through a wide and fertile floodplain in American literature. From empire building in the Louisiana Purchase to the trauma of the Civil War, the Mississippi's dominant symbolic meanings tracked the essential forces operating within the nation. As Smith shows in this groundbreaking work, the story of the imagined Mississippi River is the story of antebellum America itself.

[Life on the Mississippi](#) Jul 19 2021 Fashioned from the same experiences that would inspire the masterpiece *Huckleberry Finn*, *Life on the Mississippi* is Mark Twain's most brilliant and most personal nonfiction work. It is at once an affectionate evocation of the vital river life in the steamboat era and a melancholy reminiscence of its passing after the Civil War, a priceless collection of humorous anecdotes and folktales, and a unique glimpse into Twain's life before he began to write. Written in a prose style that has been hailed as among the greatest in English literature, *Life on the Mississippi* established Twain as not only the most popular humorist of his time but also America's most profound chronicler of the human comedy.

**Life on the Mississippi.** Jul 07 2020 *Life on the Mississippi* (1883) is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War. It is also a travel book, recounting his trip along the Mississippi River from St. Louis to New Orleans many years after the war. **Overview**The book begins with a brief history of the river as reported by Europeans and Americans, beginning with the Spanish explorer Hernando de Soto in 1542. It continues with anecdotes of Twain's training as a steamboat pilot, as the 'cub' (apprentice) of an experienced pilot, Horace E. Bixby. He describes, with great affection, the science of navigating the ever-changing Mississippi River in a section that was first published in 1876, entitled "Old Times on the Mississippi". Although Twain was actually 21 when he began his training, he uses artistic license to make himself seem somewhat younger,

**Collected Nonfiction** Apr 03 2020 These three travel memoirs by the beloved author of *The Adventures of Huckleberry Finn* capture nineteenth-century life in America and beyond. *Life on the Mississippi*: Before Samuel Clemens became Mark Twain, he trained to

be a Mississippi River steamboat pilot. Here Twain recounts his apprenticeship under legendary captain Horace Bixby, the dramatic fates of riverboat gamblers, and much more. Years later, as a passenger on a voyage from St. Louis to New Orleans, he witnesses the changes wrought by the Civil War and the steady advance of railroad transportation. *The Innocents Abroad*: Based on a series of letters first published in American newspapers, this is Twain's hilarious and insightful account of an organized tour of Europe and the Holy Land, undertaken in 1867. With trademark satirical wit, he skewers the pretensions of Americans overseas and delights in tormenting local tour guides. First published in 1869, *The Innocents Abroad* made Twain a national celebrity and remains one of the bestselling travelogues of all time. *Roughing It*: In 1861, Twain joined his older brother on a stagecoach journey from Missouri to Carson City, Nevada. Having planned to be gone for only three months, he spent the next "six or seven years" exploring the great American frontier, from the Rocky Mountains to Hawaii. Along the way, he made and lost a theoretical fortune, danced in the finest hotels of San Francisco, and came to terms with freezing to death in a snow bank—only to discover, in the light of morning, that he was fifteen steps from a comfortable inn.

**The Boys' Ambition** Oct 22 2021 Mark Twain relates the boyhood experiences on the Mississippi that led to his ambition to be a river-boat pilot.

[The Writings of Mark Twain](#) Jan 01 2020 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. **Black Life on the Mississippi** Oct 10 2020 All along the Mississippi--on country plantation landings, urban levees and quays, and the decks of steamboats--nineteenth-century African Americans worked and fought for their liberty amid the slave trade and the growth of the cotton South. Offering a counternarrative to Twain's well-known tale from the perspective of the pilothouse, Thomas C. Buchanan paints a more complete picture of the Mississippi, documenting the rich variety of experiences among slaves and free blacks who lived and worked on the lower decks and along the river during slavery, through the Civil War, and into emancipation. Buchanan explores the creative efforts of steamboat workers to link riverside African American communities in the North and South. The networks African Americans created allowed them to keep in touch with family members, help slaves escape, transfer stolen goods, and provide forms of income that were important to the survival of their communities. The author also details the struggles that took place within the steamboat work culture. Although the realities of white supremacy were still potent on the river, Buchanan shows how slaves, free blacks, and postemancipation freedpeople fought for better wages and treatment. By exploring the complex relationship between slavery and freedom, Buchanan sheds new light on the ways African Americans resisted slavery and developed a vibrant culture and economy up and down America's

greatest river.

*Death on the Mississippi: The Mark Twain Mysteries #1* Sep 01 2022 There was a ghastly murder in New York City, and Mark Twain's address was in the dead man's pocket. But even more alarming was that Twain had just received a message sent by an old friend from his riverboat days -- and the handwriting matched the note found on the corpse. So with his new secretary, Wentworth Cabot, Twain caught a steamboat bound for New Orleans. On board were all matter of people -- wealthy tourists and old river rats, literary amateurs and high-stakes gamblers . . . and a determined killer whose only goal was to bring Mark Twain's celebrated career to a stop!

**The Innocents at Home** Oct 29 2019

Young Mark Twain and the Mississippi Feb 11 2021 Recounts the early life of Samuel Clemens, from his happy-go-lucky boyhood to the realization of his ambition to become a Mississippi River pilot.

**The Adventures of Tom Sawyer** Sep 28 2019

**Mark Twain and the Queens of the Mississippi** Jul 31 2022 Focuses on this American author's connection with steamboats on the Mississippi River while also presenting a history of the craft.

**Life on the Mississippi, Part 2 (Esprios Classics)** Jun 25 2019 *Life on the Mississippi* (1883) is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War. It is also a travel book, recounting his trip up the Mississippi River from New Orleans to Saint Paul many years after the war. The book begins with a brief history of the river as reported by Europeans and Americans, beginning with the Spanish explorer Hernando de Soto in 1542. It continues with anecdotes of Twain's training as a steamboat pilot, as the 'cub' (apprentice) of an experienced pilot, Horace E. Bixby. He describes, with great affection, the science of navigating the ever-changing Mississippi River in a section that was first published in 1876, entitled "Old Times on the Mississippi".

**Life On The Mississippi Annotated** Aug 20 2021 *Life on the Mississippi* is a memoir by Mark Twain detailing his days as a steamboat pilot on the Mississippi River before and after the American Civil War. The book begins with a brief history of the river. It continues with anecdotes of Twain's training as a steamboat pilot, as the 'cub' of an experienced pilot. He describes, with great affection, the science of navigating the ever-changing Mississippi River. In the second half, the book describes Twain's return, many years later, to travel on a steamboat from St. Louis to New Orleans. He describes the competition from railroads, the new, large cities, and his observations on greed, gullibility, tragedy, and bad architecture. He also tells some stories that are most likely tall tales. Simultaneously published in 1883 in the U.S. and in England, it is said to be the first book composed on a typewriter.

Life On The Mississippi Illustrated Jun 05 2020 *Life on the Mississippi* (1883) is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War. It is also a travel book, recounting his trip up the Mississippi River from New Orleans to Saint Paul many years after the war.

Old Times on the Mississippi Aug 08 2020 When Mark Twain was a boy, there was but one permanent ambition among his comrades in the village on the west bank of the Mississippi River. That was, to be a steamboatman. There were transient ambitions of other sorts, but they were only transient. When a circus came and went, it left the boys burning to become

clowns; the first negro minstrel show that came to that section left them all suffering to try that kind of life; now and then they had a hope that if they lived and were good, God would permit them to be pirates. These ambitions faded out, each in its turn; but the ambition to be a steamboatman always remained. 'Old Times on the Mississippi' is a collection of seven short stories, that appeared in the 'Atlantic Monthly' of the 1870s.

**Old Times on the Mississippi** Nov 03 2022

**Life on the Mississippi** Oct 02 2022 At once a romantic history of a mighty river, an autobiographical account of Twain's early steamboat days, and a storehouse of humorous anecdotes and sketches, here is the raw material from which Mark Twain wrote his finest novel, *Adventures of Huckleberry Finn*. Hannibal, Missouri, on the banks of the Mississippi River, was host to riverboat travelers from around the world, providing a vigorous and variable atmosphere for the young Samuel Clemens to absorb. Clemens became a riverboat pilot and even chose his pen name—Mark Twain—from a term boatmen would call out signifying water depth at two fathoms, meaning safe clearance for travel. It was from this background that *Life on the Mississippi* emerged. It is an epochal record of America's growth, a stirring remembrance of her vanished past. And it earned for its author his first recognition as a serious writer. With an Introduction by Justin Kaplan and an Afterword by John Seelye

*The Writings of Mark Twain: Life on the Mississippi* Sep 20 2021

**Old Man River** Jul 27 2019 A fascinating account of how the Mississippi River shaped America In *Old Man River*, Paul Schneider tells the story of the river at the center of America's rich history—the Mississippi. Some fifteen thousand years ago, the majestic river provided Paleolithic humans with the routes by which early man began to explore the continent's interior. Since then, the river has been the site of historical significance, from the arrival of Spanish and French explorers in the 16th century to the Civil War. George Washington fought his first battle near the river, and Ulysses S. Grant and William T. Sherman both came to President Lincoln's attention after their spectacular victories on the lower Mississippi. In the 19th century, home-grown folk heroes such as Daniel Boone and the half-alligator, half-horse, Mike Fink, were creatures of the river. Mark Twain and Herman Melville led their characters down its stream in *The Adventures of Huckleberry Finn* and *The Confidence-Man*. A conduit of real-life American prowess, the Mississippi is also a river of stories and myth. Schneider traces the history of the Mississippi from its origins in the deep geologic past to the present. Though the busiest waterway on the planet today, the Mississippi remains a paradox—a devastated product of American ingenuity, and a magnificent natural wonder.

**Mark Twain Along the Mississippi** Jan 25 2022 Discusses the life, adventures, and writings of Samuel Clemens.

**One Mississippi** Feb 23 2022 You need only one best friend, Daniel Musgrove figures, to make it through high school alive. After his family moves to Mississippi just before his junior year, Daniel finds fellow outsider Tim Cousins. The two become inseparable, sharing a fascination with ridicule, *The Sonny and Cher Comedy Hour*, and Arnita Beecham, the most bewitching girl at Minor High. But soon things go terribly wrong. The friends commit a small crime that grows larger and larger, and threatens to engulf the whole town. Arnita, the first black prom queen in the history of the school, is injured and wakes up a different person. And Daniel, Tim, and their families are swept up in a shocking chain of events.

"There is nothing small about Childress's fine novel. It's big in all the ways that matter --

big in daring, big in insight, and big-hearted. Really, really big-hearted." -New Orleans Times-Picayune

**Mississippi Writings** Dec 12 2020 The best-known works of Mark Twain, in one volume for the first time: Tom Sawyer, Life on the Mississippi, Huckleberry Finn, and Pudd'nhead Wilson. Filled with comic and melodramatic adventure, these four books evoke life along the Mississippi River, which for Twain represented the boundary between the comforts of civilization and the rough realities, violence, and potential freedom of the frontier.

The Complete Travel Books, Anecdotes & Memoirs of Mark Twain (Illustrated) May 05 2020 This unique collection of "The Complete Travel Books, Anecdotes & Memoirs of Mark Twain (Illustrated)" has been designed and formatted to the highest digital standards. "The Innocents Abroad" humorously chronicles Twain's "Great Pleasure Excursion" on board the chartered vessel Quaker City through Europe and the Holy Land in 1867. "Roughing It" follows the travels of young Mark Twain through the Wild West during the years 1861-1867. The book illustrates many of Twain's early adventures, including a visit to Salt Lake City, gold and silver prospecting, real-estate speculation and a journey to the Kingdom of Hawaii. "Old Times on the Mississippi" is a short account of Twain's experiences as a cub pilot, learning the Mississippi river. "A Tramp Abroad" details Twain's journey through central and southern Europe with his friend. As the two men make their way through Germany, the Alps, and Italy, they encounter situations made all the more humorous by their reactions to them. "Life on the Mississippi" is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War, recounting his trip along the Mississippi River from St. Louis to New Orleans after the War. "Following the Equator" - In an attempt to extricate himself from debt, Twain undertook a tour of the British Empire in 1895, a route chosen to provide numerous opportunities for lectures in English. The book is a social commentary, critical of racism towards Blacks, Asians, and Indigenous groups. "Some Rambling Notes of an Idle Excursion" presents a series of stories about a trip that Twain and some friends took to Bermuda from New York City. "Chapters from my Autobiography" comprises a rambling collection of anecdotes and ruminations of Mark Twain, assembled during his life. Samuel Langhorne Clemens (1835-1910), better known by his pen name Mark Twain, was an American writer, humorist, entrepreneur, publisher, and lecturer.

*Heart of Darkness* Aug 27 2019

**Life on the Mississippi**, Nov 30 2019 Life on the Mississippi (1883) is a memoir by Mark Twain of his days as a steamboat pilot on the Mississippi River before the American Civil War, and also a travel book, recounting his trip along the Mississippi River from St. Louis to New Orleans many years after the War.

*Mark Twain: Mississippi Writings (LOA #5)* Apr 27 2022 Mark Twain is perhaps the most widely read and enjoyed of all our national writers. This Library of America collection presents his best-known works, together for the first time in one volume. Tom Sawyer "is simply a hymn," said its author, "put into prose form to give it a worldly air," a book where nostalgia is so strong that it dissolves the tensions and perplexities that assert themselves in the later works. Twain began Huckleberry Finn the same year Tom Sawyer was published, but he was unable to complete it for several more. It was during this period of uncertainty that Twain made a pilgrimage to the scenes of his childhood in Hannibal, Missouri, a trip that led eventually to Life on the Mississippi. The river in Twain's descriptions is a bewitching mixture of beauty and power, seductive calms and treacherous

shoals, pleasure and terror, an image of the societies it touches and transports. Each of these works is filled with comic and melodramatic adventure, with horseplay and poetic evocations of scenery, and with characters who have become central to American mythology—not only Tom Sawyer and Huck Finn, but also Roxy, the mulatto slave in *Puddn'head Wilson*, one of the most telling portraits of a woman in American fiction. With each book there is evidence of a growing bafflement and despair, until with *Puddn'head Wilson*, high jinks and games, far from disguising the terrible cost of slavery, become instead its macabre evidence. Through each of four works, too, runs the Mississippi, the river that T. S. Eliot, echoing Twain, was to call the “strong brown god.” For Twain, the river represented the complex and often contradictory possibilities in his own and his nation’s life. The Mississippi marks the place where civilization, moving west with its comforts and proprieties, discovers and contends with the rough realities, violence, chicaneries, and promise of freedom on the frontier. It is the place, too, where the currents Mark Twain learned to navigate as a pilot—an experience recounted in *Life on the Mississippi*—move inexorably into the Deep South, so that the innocence of joyful play and boyhood along its shores eventually confronts the grim reality of slavery. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation’s literary heritage by publishing, and keeping permanently in print, America’s best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

**The 100 Best Nonfiction Books of All Time** Nov 22 2021 100 Best Non Fiction Books has its origins in the recent 2 year-long Observer serial which every week featured a work of non fiction). It is also a companion volume to McCrum's very successful 100 Best Novels published by Galileo in 2015. The list of books starts in 1611 with the King James Bible and ends in 2014 with Elizabeth Kolbert's *The Sixth Extinction*. And in between, on this extraordinary voyage through the written treasures of our culture we meet Pepys' Diaries, Charles Darwin's *The Origin of Species*, Stephen Hawking's *A Brief History of Time* and a whole host of additional works.

**River Boy** Nov 10 2020 Ste-e-e-eamboat's a-comin'!" Along the banks of the great Mississippi River, a young boy named Samuel Clemens raced to the docks whenever he heard that familiar cry. He dreamed of exploring the world beyond his river town. Little did he know that one day he would become the famous writer Mark Twain, and write about his boyhood adventures along the bustling river waterfront in the classic stories *The Adventures of Huckleberry Finn* and *The Adventures of Tom Sawyer*. Sam's exploits take him from the printing presses of the Hannibal Courier to the decks of the steamboats that travel the mighty Mississippi, and even to the Wild West. Now noted historian William Anderson tells the colorful story of Sam's life as he grows from a mischievous boy into the enterprising author. Dan Andreasen's fresh, vibrant paintings capture the spirit of the storyteller who will live on forever as one of America's literary icons.

**Life on the Mississippi** Dec 24 2021

*Life on the Mississippi* Jun 29 2022 *Life on the Mississippi* is a memoir by Mark Twain detailing his days as a steamboat pilot on the Mississippi River before and after the American Civil War. The book begins with a brief history of the river. It continues with anecdotes of Twain's training as a steamboat pilot, as the 'cub' of an experienced pilot. He describes, with great affection, the science of navigating the ever-changing Mississippi River. In the second half, the book describes Twain's return, many years later, to travel on a steamboat from St. Louis to New Orleans. He describes the competition from railroads, the new, large cities, and his observations on greed, gullibility, tragedy, and bad architecture. He also tells some stories that are most likely tall tales. Simultaneously published in 1883 in the U.S. and in England, it is said to be the first book composed on a typewriter.

**Deep Water** Apr 15 2021 Mark Twain's visions of the Mississippi River offer some of the most indelible images in American literature: Huck and Jim floating downstream on their raft, Tom Sawyer and friends becoming pirates on Jackson's Island, the young Sam Clemens himself at the wheel of a steamboat. Through Twain's iconic river books, the Mississippi has become an imagined river as much as a real one. Yet despite the central place that Twain's river occupies in the national imaginary, until now no work has explored the shifting meaning of this crucial connection in a single volume. Thomas Ruys Smith's *Deep Water: The Mississippi River in the Age of Mark Twain* is the first book to provide a comprehensive narrative account of Twain's intimate and long-lasting creative engagement with the Mississippi. This expansive study traces two separate but richly intertwined stories of the river as America moved from the aftermath of the Civil War toward modernity. It follows Twain's remarkable connection to the Mississippi, from his early years on the river as a steamboat pilot, through his most significant literary statements, to his final reflections on the crooked stream that wound its way through his life and

imagination. Alongside Twain's evolving relationship to the river, *Deep Water* details the thriving cultural life of the Mississippi in this period—from roustabouts to canoeists, from books for boys to blues songs—and highlights a diverse collection of voices each telling their own story of the river. Smith weaves together these perspectives, putting Twain and his creations in conversation with a dynamic cast of river characters who helped transform the Mississippi into a vibrant American icon. By balancing evocative cultural history with thought-provoking discussions of some of Twain's most important and beloved works, *Deep Water* gives readers a new sense of both the Mississippi and the remarkable writer who made the river his own.

**Views on the Mississippi** Mar 15 2021 "Henry Peter Bosse (1844-1903) is now recognized as the leading photographer of the Mississippi River during the late nineteenth century: he extensively photographed the Upper Mississippi from 1883 to 1893, a time of unprecedented environmental and social change. His work was practically unknown until five separate volumes of his photographs were discovered within the past decade. Since then, his photographs have been exhibited at the Smithsonian and other national museums and purchased by private art collectors around the world." "Views on the Mississippi brings together for the first time almost one hundred of Bosse's most stunning images. These photographs, tracing the river from Minneapolis to St. Louis, capture the Mississippi as it was being transformed from an untamed natural wonder to a modern commercial highway. Presenting wagon and railroad bridges, towns and villages along the banks, and the steamboats that served them, Bosse's photography depicts the river at the fulcrum between the nostalgic, romantic era recorded by Mark Twain and the coming century of industrial development and environmental alterations (the navigation projects of the Army Corps are among the changes documented by Bosse). Also included is a detailed reproduction of Bosse's rare landmark map of the river, first published in 1887-88."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc.
