*No Fear Coding* Jun 18 2021 Coding and computational thinking (the ability to think like a computer) are among the skills that will serve students well in the future. Coding goes beyond websites and software - it's an essential component in finding solutions to everyday problems. Computational thinking has many applications beyond the computer lab or math class -it teaches reasoning, creativity and expression, and is an innovative way to demonstrate content knowledge and see mathematical processes in action. No-Fear Coding shows K-5 educators how to bring coding into their curriculum by embedding computational thinking skills into activities for every content area. At the same time, embedding these skills helps students prepare for coding in the middle grades as they build their knowledge. To help teachers easily and effectively introduce coding, the book features: Classroom-tested lessons and activities designed for skills progression. Ready-to-implement coding exercises that can be incorporated across the curriculum. Alignment to ISTE and Computer Science Teachers Association (CSTA) standards. Case studies and explorations of technology tools and resources to teach coding.

[Rule Number Two](#) Apr 28 2022 A military psychologist's poignant account of tending to hidden wounds in Iraq--her patients', her colleagues', and finally her own. When Lieutenant Commander Heidi Kraft's twin son and daughter were fifteen months old, she was deployed to !--?xml:namespace prefix = st1 ns = "urn:schemas-microsoft-com:office:smarttags" /--Iraq. A clinical psychologist in the US Navy, Kraft's job was to uncover the wounds of war that a surgeon would never see. She put away thoughts of her children back home, acclimated to the sound of incoming rockets, and

learned how to listen to the most traumatic stories a war zone has to offer. One of the toughest lessons was perfectly articulated by the TV show M\*A\*S\*H: "There are two rules of war. Rule number one is that young men die. Rule number two is that doctors can't change rule number one." Some Marines, Kraft realized, would be damaged by war in ways that she couldn't repair. And sometimes people were repaired in ways she never expected. Rule Number Two is a powerful firsthand account of providing comfort amid the chaos of war, and of what it takes to endure.

**Rerouting Galician Studies** Feb 12 2021 This book—aimed at both the general reader and the specialist—offers a transatlantic, transnational, and multidisciplinary cartography of the rapidly expanding intellectual field of Galician Studies. In the twenty-one essays that comprise the volume, leading scholars based in the United States, Canada, the United Kingdom, and New Zealand engage with this field from the perspectives of queer theory, Atlantic and diasporic thought, political ecology, hydropoetics, theories of space, trauma and memory studies, exile, national/postnational approaches, linguistic ideologies, ethnographic poetry and photography, Galician language in the US academic curriculum, the politics of children's books, film and visual studies, the interrelation of painting and literature, and material culture. Structured around five organizational categories (Frames, Routes, Readings, Teachings, and Visualities), and adopting a pluricentric view of Galicia as an analytical subject of study, the book brings cutting-edge debates in Galician Studies to a broad international readership.

**The Oxford Handbook of Danish Politics** Dec 13 2020 The Oxford Handbook of Danish Politics provides the most comprehensive and thorough English language book on Danish politics ever written. It features chapters by 50 leading experts who have contributed extensively to the field they write about. Why is Denmark an interesting topic for a Handbook? In some respects, Danish political institutions and political life are very similar to that of other small, North European countries such as the other Scandinavian countries and Netherland. However, in other respects, Danish politics is interesting in its own right. For instance, Denmark has a world record in minority governments. According to standard scholarly knowledge, this should result in unstable governments and a bad economy. This is not the case, however, since Denmark has a rather stable political system and a strong and robust economy among the strongest in Europe. How? The Danes have continued reservations towards the EU despite close to 50 years of EC/EU membership, and the Danes rejected the Maastricht Treaty in 1992. Still, the EU issue is handled in ways that do not call for large political battles. How? A third example is that Denmark used to be known as a tolerant and liberal society; its Jews were almost all saved during German occupation during WWII, Denmark was the first country to free pornography, and the first country to formally register same-sex couples. Yet recent Danish politics has also been associated with xenophobia and anti-Muslim sentiments. Why?

**Hiding Heidi** Aug 01 2022 An atmospheric, enchanting story, skillfully drawn by exciting new talent, Fiona Woodcock about a little girl with an amazing gift for concealing herself. Heidi and her friends LOVE to play hide and seek. The trouble is, Heidi always win. She can't help it - she's just too good! But sometimes being hard to find can be hard to take, so Heidi needs to come up with a plan... 'Playful imagery and Heidi's eventual recognition of her friends' talents add up to a warm story about compromise and common ground' Publishers Weekly 'A very attractive addition to the picture book shelves from an artist to be watched' Books for Keeps PRAISE FOR POPPY AND THE BLOOMS: 'Fiona Woodcock's beautiful illustrations perfectly capture the contrast between a grey cityscape and the joyful kaleidoscope that fresh flowers can add... This gentle little story is a delight from start to finish' Books for Keeps 'A beautifully illustrated picture book which feels like a real visual treat... The artwork is stunning and very original and I think this makes it stand out as an interesting read for small children.' Being Mummy blog 'Blooming wonderful!'

Healing the Healer Inside You Jun 06 2020 About The Book Universal laws are the rules or patterns that can be applied to everything present in the Universe. It's important and very useful to be able to comprehend these laws as they serve as a guide to move around in life. Every human is born on this planet to experience life in a physical body. Being incarnated serves a simple purpose; to help us reach 'Spiritual Freedom' and 'Enlightenment' through Ascension, which balances Karma through the mastery of our lessons. This book will answer all your Why, What, and How human beings, as well all universal life, work. All that you must know and not ignore! Some of the lessons you will learn: Why we suffer and how to Liberate ourselves from pain and Karma How to enjoy playing the Game of Life and the Core Ground Rules within and without How to Know, Trust and Love ourselves and Reclaim our own Identity The basics of Energy, Chakras, and Aura. How to move into Spiritual Freedom Practical tools to Re-program yourself, Breathing, Meditation exercises, and much more . About the Author Heidi M. Morrison is the creator and founder of Heidi Morrison Teachings with "Healing the Healer Inside You." At the age of 15, she entered the fitness industry and became a Sports Medicine trainer. She was always about looking for more efficient ways to help herself and her clients. Therefore, she continued learning by becoming a Corrective Exercise Specialist, Medical Exercise Specialist, and Massage Therapist. That achievement did not stop Heidi from looking for more answers to help others, finding out that all issues were coming intensely from an emotional state. The author started to learn about the Mind and the connection with the sub-consciousness with different types of Meditation techniques and Spiritual Healing Modalities. Heidi is a formally trained Akashic Records Practitioner, Reiki Master, Medium, Breath-work Facilitator, Biofield Tuning Practitioner, and a Clairvoyant Reader, Healer and Teacher. As a former Energy worker, Heidi is able to teach complex topics in layman's terms. Today, Heidi is an Avatar of knowledge acquired through long-time education, life lessons, and experiences . In essence Heidi M. Morrison is a Holistic Medicine Woman, a formally trained Clairvoyant Reader, Healing facilitator, a Teacher, a Life -Soul synergy Mentor and Coach. "My Life purpose is to share my wisdom and knowledge and to assist others in their journey of realizing their sole purpose. " - Heidi M. Morrison

**Heidi** Sep 02 2022 Heidi is a novel for children written in 1880 which remains one of the most well-known pieces of Swiss literature. A young girl is taken to live with her grandfather in a remote alpine village. He has been estranged from the village for years, but his granddaughter penetrates his crusty exterior and transforms his isolated life into one of joy. She also befriends the young goat-herd, Peter.

Wildly You: Permission to Fail Forward Into Self-Awareness and Acceptance Sep 09 2020 Permission to fail fast, fail often, and fail forward... If you've ever found yourself paralyzed by inaction, stuck in comparison, or left wondering "what is it all for anyway?" then welcome to the human experience. You're right on track. In this book, seasoned Wellness Consultant, Acupuncturist, Veteran, and Healer Heidi Fearon Barker walks you through her own personal journey of failures and successes, navigating the world with open eyes and an open heart. As an overachiever, setting records in swimming from the age of 6, she thrived on success from a young age. But in the midst of all the doing she found something even more fulfilling than all the accolades and external validation... she found herself. By giving herself permission to fail forward, Heidi began to understand what it really meant to not only have radical self-awareness, but to honor it in order to be of service in a much bigger way. This book will leave you feeling inspired, entertained and encouraged. And if permission to fail (or succeed) is what you need, it will provide that, too. In a world rampant with comparison and criticism, it takes sincere effort to deeply know yourself and honor what you want. The craving for an intimate relationship with

ourselves and others is real. And for that to happen, we've got to get quiet enough to listen to the whispers within us all. It's a conscious practice to feel into our purpose and desires and choose to live in alignment, regardless of the outside world. We are all imperfect, and what a gift that is (we are). Through some incredible experiences, a healthy dose of right timing, and a wildly adventurous spirit, Heidi discovered a way through all the noise as she realized that success was never about the medals and trophies at all; success is about who we become in the process of stepping into courage, and facing our fears head on, over and over again. Heidi will share personal stories that will make you laugh, cry, and dive inward to discover your own truth so that you, too, can become... WILDLY YOU! Your life is waiting. The time is now.

**The Edcamp Model** Apr 16 2021 Exciting professional development that works! Discover Edcamp, a model of professional development that's never one-size-fits-all-and always productive. In Edcamp, "unconference" participants create the agenda and lead the sessions, drawing on their individual expertise, and engage in active collaboration for real results. **Don't Pat Me on the Head!** Mar 04 2020 Heidi chronicles her 19 year career in Talk Radio and 15 years as a Cable TV pundit. She describes what it took to get there, what it took to survive in the business for so long and how she weathered the inevitable blowback and setbacks you'll face in a career based on your opinion. There are great behind-the-scenes stories, tips on picking topics and guests, and lessons learned along the way. Her story is a reminder that regardless of your occupation, being true to yourself and your values is always worth the "cost".

**Wired for Authenticity** May 06 2020 Discover how to lead with authenticity and agility in a fast-changing world! "Wired for Authenticity is the definitive guide to your journey of self-awareness. Along the way, you will meet the colorful cast of characters that inhabit and inhibit you, and you will develop the skills you need to recognize, confront, and influence outcomes. Henna Inam's vulnerable and irreverent style will enable you to unleash your inner authentic self." –Alex Wellen, chief product officer, CNN "In Wired for Authenticity, Henna Inam reintroduces us to our original nature and offers practices to bring that authentic person to life! When our true selves show up to work, we can better connect with our teams, colleagues, family, and friends. Even more powerful, we give those around us permission to do the same. It is contagious!" –Kathleen Ciaramello, president, National Food Service and On-Premise, Coca-Cola Refreshments Leadership today is more challenging than ever. Trends including the rapid pace of change, constant restructuring, and a 24/7, always-on work environment are creating overwhelmed employees and eroding trust in workplaces. Organizations need leaders who drive engagement, innovation, and outstanding client experiences. How can you be this type of leader? Henna Inam shares proven strategies based on neuroscience research and her work as an executive coach and speaker, with clients who are executives in Fortune 500 companies. The practical tools she shares in this book have worked for her clients and can help you

- practice a new model of authenticity to be more trusted and agile and less overwhelmed;
- experience greater success and fulfillment in your leadership, workplace, and life;
- engage and influence clients, peers, and bosses more powerfully; and
- lead team members with more inspiration and ease.

**Heidi** Mar 28 2022 Be transported to the Swiss Alps with this classic story of a young girl who has the ability to soften the hardest of hearts. Originally published in 1881, Heidi tells the story of a five-year old orphaned girl whose aunt brings her to live with her grandfather in the Swiss Alps. The residents of the nearby town

fear Heidi's grandfather because he lives in seclusion, but she gradually opens his heart with her youth and energy. When she turns eight, her aunt returns to take her away. Heidi makes the most of her situation, teaching timeless lessons to her grandfather and her friends, as well as to generations of readers. With illustrations by Jessie Willcox Smith, this beautiful, vibrant clothbound hardcover is unabridged and makes a great addition to every child's library. The Knickerbocker Classics bring together the essential works of classic authors from around the world in stunning editions to be collected and enjoyed.

*Icons of Tomorrow* May 30 2022 This book is a selection of candid and often amusing interviews with independent singer/songwriters around Australia. From the wide-eyed innocence of teens starting out to the older more experienced musicians who have faced the disappointments and frustrations of competing against the major labels. Each published article concludes with the web links of the musician interviewed. The idea being that, having been introduced to them as an individual, the reader can then visit their website, check out their music, and show much needed support.

*Heidi's Guide to Four Letter Words* Nov 11 2020 Cowritten by USA Today best-selling author Tara Sivec and award-winning narrator Andi Arndt, a hysterically funny, heartfelt romance about starting over and taking chances. Nothing good ever comes from drinking a box of wine alone. So when I decided to entertain my drunken self by setting up some hand-me-down podcasting equipment and reading the steamy parts from romance novels, I never thought anyone would actually listen. The fact that I admitted my huge crush on my sexy next door neighbor made the whole thing even more mortifying. But sometimes life surprises you, and that's how my podcast, Heidi's Discount Erotica, was born. Now I, Heidi Larsen, a sweet former kindergarten teacher in Waconia, Minnesota, lead a scandalous double life reading erotic novels to the listening world. And with each episode, I find myself embracing my new alter ego more and more. Now I'm starting to feel more comfortable in my own skin and do things I never would have dreamed of - like kissing my neighbor. Look out, Waconia, because Heidi's on the loose! She's in your ears, in your hearts, and down your pants...wait, that didn't sound as good as it did in my head. Well, you get the picture, don'tcha know!

**NATO's Lessons in Crisis** Jul 20 2021 Lessons in failure: institutional memory of strategic errors -- Tête à tête: the informal development of institutional memory -- Dilemmas in design: constraints on sharing knowledge of errors -- See no evil: reflections on errors in Afghanistan, Libya and Ukraine -- Hear no evil: the informal processes of sharing knowledge of errors -- Speak no evil: the sources that spur knowledge sharing of errors -- A reactive culture: why the informal development of memory persists -- Conclusion: toward total recall in crisis management

**Pineros** Dec 25 2021 Although the exploitation of Latino workers in many industries is well known, pineros Latino forest workers toil largely in obscurity. Brinda Sarathy investigates how the US federal government came to be one of the country's largest employers of Latino labour, and documents pinero wages and working conditions in comparison to those of white forest labourers. Pinero exploitation, Sarathy argues, is the product of an ongoing history of institutionalized racism in the West. Overcoming this legacy depends on improving the visibility and working conditions of pineros and providing them with a stronger voice in immigration and forestry policy-making.

**Heidi** Oct 03 2022 A Swiss orphan is heartbroken when she must leave her beloved grandfather and their happy home in the mountains to go to school and to care for an invalid girl in the city.

Letter Lessons and First Words Aug 09 2020 "This is part of the Research-Informed Classroom series and is about the importance of teaching phonics and language development in young children"--

**Heidi Heckelbeck and the Never-Ending Day** Jul 08 2020 Heidi wishes her perfect day would never end in the twenty-first Heidi Heckelbeck adventure! When Heidi wakes up

to a bird singing at her window, she has a feeling that this Saturday might be the best day ever. Then, after her favorite breakfast, a shopping trip with friends, and an incredible movie night sleepover, Heidi knows it's better than the best day. It's the perfect day! In fact, it's so good that Heidi sneaks in a little magic to make every day just as awesome. But when she wakes up to relive the same perfect day over and over again...will her best day ever turn into a never-ending disaster? With easy-to-read language and illustrations on almost every page, the Heidi Heckelbeck chapter books are perfect for beginning readers.

Older Yet Faster May 18 2021 Older Yet Faster (book with illustrations and photos, and online lesson and exercise videos) is a manual for teaching runners how to transition to efficient running and to help them to avoid incurring almost all of the common running injuries as they do so. It is ideal for beginners to learn how to run well and for experienced runners to changeover to good technique. Coaches can also use this book as a reference on how to implement technique change for their clients, and we expect it to become the go-to manual for medical professionals, to help them deal with running related injuries caused by bad technique and footwear. After learning how injuries are caused and then gaining a good understanding of running technique in the early chapters you will be prepared to read about our technique-change system which we call "OYF Running". This consists of "Keith's Lessons" used in combination with "Heidi's Strengthening Exercises" and forms the main body of the book." Keith shows you how to run efficiently in a simple, step-by-step guide both in the book and with videos. Each Lesson provides exercises set out in a format which is both easy to understand and implement. The first three lessons teach you the basics of running correctly and the last three help you put these into practice and help you to refine your technique over the period of your transition. This program is set up so that runners can teach themselves in conjunction with the online videos and forum. Heidi's Strengthening Exercises consists of a well-ordered series of exercises which will help your body safely adjust to the redistribution of the workload and are essential to rebuild parts of the body which have been neglected due to poor technique. It should be started as soon as possible, in order to build strength and to deal with the resultant muscle and tendon soreness that you will start to experience. We identify specific injuries and how they are caused and we show how by improving running technique, and re-strengthening these injuries are quickly cured. Podiatrists will find Heidi's experiences and advice particularly interesting, especially as they will almost certainly, be in conflict with what is still taught in universities. Chapters Twelve and Thirteen, 'Managing the changes' and 'Rehabilitation', explain what should happen during the transition and what to do should you get injured, or if you are currently injured. Chapter Fourteen is very important as you must have suitable footwear to run with good technique. There is then a chapter on how your body shape will change as you adopt your new technique and a chapter on general tips and traps a list of commonly used terms, a glossary and an index. Finally, we have included three appendices: For Coaches, For Podiatrists and a detailed look at Heidi's strengthening program. In Appendix A, Keith discusses how to implement his Lessons from a coach's point of view, in Appendix B, Heidi explains how she treats her patients who are suffering with specific injuries and in Appendix C she explains her Strengthening program in greater detail for medical professionals and interested runners.

**Succeed** Jan 26 2022 Do you ever wonder how some people make success look so simple? In Succeed, award-winning social psychologist Heidi Grant Halvorson offers counterintuitive insights, illuminating stories, and science-based information that can help anyone: • Set a goal to pursue even in the face of adversity • Build willpower, which can be strengthened like a muscle • Avoid the kind of positive thinking that makes people fail Whether you want to motivate your kids, your employees, or just yourself, Succeed unlocks the secrets of achievement, and shows you how to create new possibilities in every area of your life.

**The Courage Companion** Oct 11 2020 "Life shrinks or expands in proportion to one's courage." – Anais Nin Looking for the confidence to face life's challenges? Feeling the need for new inspiration and adventure? Do you know what it takes to be really brave? Courage comes by taking action before we are forced to do so. And in the words of Eleanor Roosevelt: "We gain strength, and courage, and confidence by each experience in which we really stop to look fear in the face...we must do that which we think we cannot." Courage, also known as bravery, will, and fortitude, is the ability to confront fear, danger, uncertainty, or intimidation. Physical courage is courage in the face of physical pain, hardship, and threat of death, while moral courage is the ability to act rightly in the face of popular opposition, shame, or discouragement. Authors Mary Beth Sammons and Nina Lesowitz have gone to the front lines of adversity and fear to surface the brave hearts who took action before they were forced to, confronting and overcoming their fears in ways that inspire us all. From world-class athletes to spiritual teachers, to cancer patients, to ordinary people who took extraordinary action to transform their lives, these courage warriors will show you how to turn apprehension into action. Enriched with motivational quotes, expert advice, and power practices, this courage guidebook will show you how to live your life with guts and gusto.

**The Work of Art** Aug 28 2019 The Work of Art is an essential twenty-first century roadmap for turning your creative work into a thriving business. Featuring brass-tacks useful information for creative entrepreneurs of every skill set, this book covers topics from personal branding, budgeting, and mental health, to guidance on clearing the hurdles that come forth as you rise to steady success. Heidi Luerra is the Founder & CEO of RAW: natural born artists, the world's largest independent arts organization. For almost 20 years, Heidi has worked with artists of all creative genres. Starting her own clothing line at a young age, she earned her business stripes the hard way. Over the past decade, Heidi has grown RAW to a worldwide operation in over 80 cities with over 200k artists in the RAW community (so she's got some stuff to say). Heidi offers no-nonsense advice (because who needs the fluff?), warnings against common creative pitfalls (because we don't have to fall for them), and real step-by-step action guides (because creative success takes planning). Heidi uses her own personal stories and sloppy mistakes (perhaps even oversharing) to demonstrate key lessons for creatives, including patience, persistence and best practices. She also profiles 15 working creative entrepreneurs from an array of artistic fields who have arrived at their own rewarding success. You'll travel along the path of what it really looks like to charge in the direction of your dreams. The Work of Art is cheeky, fun, and as honest as it gets.

**Covenant Companion** Apr 04 2020

The Publishers' Trade List Annual Oct 30 2019

**Grade 5 Teacher's Resource Guide** Nov 04 2022 In this Grade 5 Teacher's Resource Guide, you will find: 10 best practices for close reading applied to small group instruction; Strategies for differentiating instruction for on grade level, approaching grade level, above grade level, and English Language Learners; Mini-lessons to teach the process of independent close reading; A launching lesson for each unit; Lessons for all six books (3 literary sources and 3 informational sources) that include independent close reading, follow-up text-dependent questions, and a skill matched to the selected passages; A text-to-text lesson at the end of the unit integrating all sources; Assessment tasks aligned to Common Core Standards and Depth of Knowledge; Rubrics, checklists, annotation sheets, skill targets, answer frames, and more to help you scaffold student learning.

**Making Music and Having a Blast!** Mar 16 2021 In her follow-up to *Making Music and Enriching Lives: A Guide for All Music Teachers*, Bonnie Blanchard offers students a set of tools for their musical lives that will help them stay engaged, even during the challenging times in their musical development. Blanchard discusses issues such as finding an instructor, selecting the right instrument, and choosing a college or

conservatory. The book includes lessons on music theory and history as well as a guide to finding additional materials in print and online. Blanchard's strategies for making practice productive and preparing for auditions are useful tips students can return to again and again.

**So B. It** Oct 23 2021 Now a major motion picture starring Alfre Woodard, Jessica Collins, John Heard, Jacinda Barrett, Cloris Leachman, and Talitha Bateman—in theaters October 2017! From acclaimed author Sarah Weeks comes a touching coming-of-age story about a young girl who goes on a cross-country journey to discover the truth about her parents, which the New York Times called "a remarkable novel." Perfect for fans of Rebecca Stead's *When You Reach Me* and Ali Benjamin's *The Thing About Jellyfish*. She doesn't know when her birthday is or who her father is. In fact, everything about Heidi and her mentally disabled mother's past is a mystery. When a strange word in her mother's vocabulary begins to haunt her, Heidi sets out on a cross-country journey in search of the secrets of her past. Far away from home, pieces of her puzzling history come together. But it isn't until she learns to accept not knowing that Heidi truly arrives.

Lessons from the Edge Jan 14 2021 Athletes and "extreme sports" fans will enjoy this exciting inside look at highrisk athletics, which uses firsthand accounts to reveal the secrets of surviving and competing in this grueling venue. Original.

**Lonely Hearts** Feb 24 2022 Even hot messes need a happily ever after. With the quiet help of his wealthy family, Sebastian "Baz" Acker has successfully kept his painful past at bay. But as the end of college draws near, his friends—his buffer zone—are preparing to move on, while his own life is at a crippling standstill. With loneliness bearing down on him, Baz hooks up—then opens up—with Elijah Prince, the guy Baz took a bullet for last year. The aftershocks of their one-night stand leave giant cracks in Baz's carefully constructed armor. For the first time, the prospect isn't terrifying. Accustomed to escaping his demons by withdrawing into his imagination, Elijah isn't used to having a happy herd of friends. He's even less comfortable as the object of a notorious playboy's affections. Yet all signs seem to indicate this time happiness might be within his grasp. When Baz's mother runs for a highly sought-after public office, the media hounds drag Baz's and Elijah's pasts into the light. In the blinding glare, Baz and Elijah face the ultimate test: discovering if they're stronger together...or apart.

**Heidi Heckelbeck Gets Glasses** Dec 01 2019 When she gets glasses, Heidi's friend Lucy gets a lot of attention at school, and eight-year-old Heidi decides that she must have glasses too, until her Aunt Trudy helps her to see that she really does not need them.

Welcome to Heidi Nov 23 2021 If you ever wondered what 50 would look like on a former alcoholic tattooed shoe addict who eats cake out of her garbage can and secretly prays to her vagina to die on a regular basis - well wonder no more and Welcome to Heidi. This collection of stories culled from over 300 blogs and rewritten for your pleasure will take readers on a journey they never expected and perhaps never knew they wanted to go on. From dating, to how to tame Jewish hair, getting a pot license at 52, and surviving what is perhaps the worst Hollywood job ever - Welcome To Heidi will remind you to laugh at life's most inane moments - even when those moments are happening to you. Welcome To Heidi says everything you wish you could say but can't and proves that having it all is possible - as long as the "all" is shoes. Take a trip inside the mind of a sarcastic, dysmorphic, slightly mental, completely fashion addicted, single woman who's trying to live the second half of her life with zero apologies and massive debt. Welcome to Heidi - you'll never want to leave.

**Fever Pitch** Aug 21 2021 Sometimes you have to play love by ear. Aaron Seavers is a pathetic mess, and he knows it. He lives in terror of incurring his father's wrath and disappointing his mother, and he can't stop dithering about where to go to

college—with fall term only weeks away. Ditched by a friend at a miserable summer farewell party, all he can do is get drunk in the laundry room and regret he was ever born. Until a geeky-cute classmate lifts his spirits, leaving him confident of two things: his sexual orientation, and where he's headed to school. Giles Mulder can't wait to get the hell out of Oak Grove, Minnesota, and off to college, where he plans to play his violin and figure out what he wants to be when he grows up. But when Aaron appears on campus, memories of hometown hazing threaten what he'd hoped would be his haven. As the semester wears on, their attraction crescendos from double-cautious to a rich, swelling chord. But if more than one set of controlling parents have their way, the music of their love could come to a shattering end.

**Heidi** Sep 21 2021 An abridged version of Johanna Spyri's classic story of a Swiss orphan who is heartbroken when she must leave her beloved grandfather and their happy home in the mountains to go to school and to care for an invalid girl in the city.

The Bookseller's Boyfriend, Volume 1 Jan 02 2020 Bookshop owner Jacob Moore can't believe his longtime celebrity crush, author Rasul Youssef, is moving to Copper Point. For many, the chance to meet the playboy novelist would be a dream come true, but Jacob dreads it. You should never meet your heroes. You definitely shouldn't pretend to be their boyfriend. Rasul came to this backwater town for an academic residency--a necessary evil, since he's burned through his advance without finishing the book that goes with it. But he's also getting distance from a toxic relationship. Quiet, reserved Jacob isn't his type, but their charade gives Rasul a respite from the social media circus surrounding his breakup, and Jacob's charming apartment proves the perfect setting to write. Of course, prolonged exposure reveals that Jacob's reserved exterior hides a thoughtful, intelligent man who sets Rasul's imagination--and heart--alight. Every day Rasul reveals himself to be more than Jacob ever dreamed he could. Jacob tries to be content with friendship and the professional overlap between author and bookseller, knowing a shooting star like Rasul could never make a home with Jacob in a small town like Copper Point. Could he?

*Heidi* Jun 30 2022
