Swoon: Great Seducers and Why Women Love Them Oct 05 2020 Casanovas: where are those great romancers of women? In *Swoon*, Betsy Prioleau gives us a smart, entertaining study of ladies' men, demystifying their character, seductive secrets, and killer charm. Combining history, science, culture, and colorful contemporary research, Prioleau gives us a portrait of the successful seducer that explodes every stereotype and shatters every cliché. Instead of a satanic rake, slick player, or rich, handsome powerbroker, he's an unlikely, often homely Romeo who cares about women and understands what they want. Through analyses of history's legendary lovers and interviews with today's heartthrobs, Prioleau uncovers the surprising seductive secrets that really rock female hearts, from unfeigned ardor to conversational flair. In doing so, she destroys the pick-up artists' advice of such books as *The Game*. Finally, Prioleau critiques the twenty-first-century sexual malaise, especially women's record discontent with men, and argues that it's high time to retrieve and celebrate the great seducer.

Orientalism Sep 04 2020 More than three decades after its first publication, Edward Said's groundbreaking critique of the West's historical, cultural, and political perceptions of the East has become a modern classic. In this wide-ranging, intellectually vigorous study, Said traces the origins of "orientalism" to the centuries-long period during which Europe dominated the Middle and Near East and, from its position of power, defined "the orient" simply as "other than" the occident. This entrenched view continues to dominate western ideas and, because it does not allow the East to represent itself, prevents true understanding. Essential, and still eye-opening, *Orientalism* remains one of the most important books written about our divided world.

Breathing Room Sep 23 2019 Join the New York Times bestselling author on a journey to the sun-washed hills of Tuscany. Another sexy, wonderful, contemporary love story with all the heart, wisdom, and wit that have made Susan Elizabeth Phillips the gold standard for women's fiction. Dr. Isabel Favor, author of Four Cornerstones for a Favorable Life, has sacrificed everything to build her self-help empire. Then, in a matter of weeks, it all comes crashing down. She loses her money to an unscrupulous accountant, her fiancé to a frumpy older woman, and her reputation to headlines denouncing her as a fraud. America's diva of self-help soon discovers she can fix everyone's life but her own. Broke, heartsick, and soul-weary, she heads for Italy in search of a little breathing room. Lorenzo Gage makes his living killing people... on the silver screen, that is. He's viciously handsome and sublimely talented. But as he begins his vacation in Italy, he's also vaguely dissatisfied. Being a villain with a face to die for has its rewards, but he hates the feeling that everything he's neglected in life is catching up with him. Then he spots Isabel sipping a glass of wine in a sidewalk café. A good guy wouldn't think of seducing such a tidy-looking woman... but he'd never seen the fun in playing the hero. It doesn't take long for Isabel to realize she's escaped one kind of chaos only to be plunged into another. Even the shelter of a simple stone farmhouse nestled in a Tuscan olive grove can't provide her with the refuge she needs—not when the townspeople are scheming to drive her away, and her plan to restore her reputation has come up empty. And especially not when the man who deceived her refuses to leave her in peace. Breathing Room is a book for any woman who's dreamed of wandering through a vineyard, of lazing under the Tuscan sky, or of reforming a deliciously wicked man. This is a story of hope and renewal, of love and redemption when it's needed the most. Sometimes it takes a special place... a special love... a little breathing room... for life to deliver all its glorious promise.

For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its

origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

The Coincidence of Coconut Cake Jun 20 2019 You've Got Mail meets How to Eat a Cupcake in this delightful novel about a talented chef and the food critic who brings down her restaurant—whose chance meeting turns into a delectable romance of mistaken identities. In downtown Milwaukee, Wisconsin, Lou works tirelessly to build her beloved yet struggling French restaurant, Luella's, into a success. She cheerfully balances her demanding business and even more demanding fiancé...until the morning she discovers him in the buff—with an intern. Witty yet gruff British transplant Al is keeping himself employed and entertained by writing scathing reviews of local restaurants in the Milwaukee newspaper under a pseudonym. When an anonymous tip sends him to Luella's, little does he know he's arrived on the worst day of the chef's life. The review practically writes itself: underdone fish, scorched sauce, distracted service—he unleashes his worst. The day that Al's mean-spirited review of Luella's runs, the two cross paths in a pub: Lou drowning her sorrows, and Al celebrating his latest publication. As they chat, Al playfully challenges Lou to show him the best of Milwaukee and she's game—but only if they never discuss work, which Al readily agrees to. As they explore the city's local delicacies and their mutual attraction, Lou's restaurant faces closure, while Al's column gains popularity. It's only a matter of time before the two fall in love...but when the truth comes out, can Lou overlook the past to chase her future?
