The Jet Ski Manual Sep 02 2022 Jet skis are immensely popular coastal 'playthings' - but they need careful handling and maintenance. This is a highly illustrated hands-on manual providing advice , hints and tips on choosing, driving, handling, maintaining and repairing a jet ski - the complete owner's manual. Many owners will prefer to service and maintain their own machine (much like they would with an outboard motor), rather than take it to a service agent, and the step by step photos in this book will enable them to do just this. This is a brand new, highly illustrated step-by-step guide for the jet ski owner (of which there are many in the UK alone) which provides helpful advice on all the aspects of ownership, handling and maintenance. There is no other book on the market which does this.

Camping by the Waterside Feb 12 2021 This stylish and inspiring book contains all the information campers need to make the most of the wonderful waterside locations throughout the UK and Ireland. Covering all kinds of camping (caravan, campsite and wild), the book starts by showing how to plan your trip, what gear to take and how to get stuck into all the fantastic water-based activities on offer, such as sailing, kayaking, angling, surfing and wild swimming. Tip boxes, top 10 features and gorgeous photos combine to give readers all the knowledge and inspiration they need to get out there, whether they're on their own, part of a family or with a group of friends. The main part of the guide is organised by region, but also searchable by activity. Each region has an overview, and within it the best sites to visit, with useful information (best times of year to go, activities on offer, facilities, cost), advice on most attractive pitches, contact details and photos. There is a huge variety of sites here, all with something unique to offer, and helpful maps plot each one clearly. With a Foreword by One Man and his Campervan's Martin Dorey, this is the essential guidebook for all campers, showing how it really is possible to pitch up in paradise. This 2nd edition is thoroughly updated throughout, featuring new campsites and photography.

Jet Ski Rental Service Business Plan Nov 04 2022 This is a complete business plan for a Jet Ski Rental Service. Each of our plans follows a 7 chapter format: Chapter 1 - Executive Summary - This part of the business plan provides an introduction for the business, showcases how much money is sought for the company, and acts as a guideline for reading the rest of the business plan. Chapter 2 - Financing Summary - The second section of the business plan showcases how you intend to use the financing for your business, how much of the business is owned by the Owners, who sits on the board of directors, and how the business could be sold in the future. Chapter 3 - Products and Services - This section of the business plan showcases the products/services that you are selling coupled with other aspects of your business operations. Chapter 4 - Market Analysis - This is one of the most important sections of your business plan. Each of our plans includes complete industry research specific to the business, an economic analysis regarding the general economy, a customer profile, and a competitive analysis. Chapter 5 - Marketing Plan - Your marketing plan will showcase to potential investors or banks how you intend to properly attract customers to your business. We provide an in depth analysis of how you can use your marketing plan in order to drive sales. Chapter 6 - Personnel Summary - Here, we showcase the organizational structure of your business coupled with the headcount and salaries of your employees. Chapter 7 - Financial Plan - This is the most important part of your business plan. Here, we provide a three year profit and loss statement, cash flow analysis, balance sheet, sensitivity analysis, breakeven analysis, and business ratios.
