Overruled Boxset: Books 1-5: A Cozy Mini-Mystery Series Oct 10 2020 It's a 'street fight on a chessboard' with courtroom war king Miles Turner and The Jury Whisperer. An unorthodox defense attorney seeks to manipulate manipulation itself as a tiger in the political jungle that 'Iyin' teamwork has become. Book 1 All rise in the courtroom for a cozy whodunit murder mystery, a case the media calls The Mic Drop. Controversial rap star Flex switches lawyers for the new metaphorical war king Miles Turner and The Jury Whisperer Tana Lynn to beat this all-or-nothing charge. Judge Mintall presides in a whodunit range from Flex to premeditated rap rival Second Degree, from The Shenanigans to a political dilemma known as a Rebellious Shadow, the Clue Queen herself, and an unusual delivery service for couples breaking up! With an extra bet, and a unique plea deal offer, can an equally matched prosecutor rhyme "guilty" with "he'll be?" Or will this criminal defense firm, compared to 'a street fight on a chessboard,'

once again prevail with an unorthodox lawyer's audacity to manipulate manipulation itself? "When awareness wins, we don't have to lose each other" – Jwyan C. Johnson

Book 2 After DNA evidence is lost, a domino-effect of politics becomes a trial sure to set two defendants free on technicality. But defendant Barry Sych turns into a murder mystery one day before trial. And legal fingers are pointing at their very own prosecutor! Conspiracy becomes its own trial, charging a top attorney and a crime-rhyming poet. A videotape with mysteriously missing audio causes a once celebrated prosecutor to experience her greatest defense attorney rival, now as their client. Karma's Twist is a courtroom handshake, between both sides, to defeat both political nightmares: innocence punished and justice not served. It's another 'street fight on a chessboard' with courtroom war-king Miles Ahead, the Jury Whisperer, a top prosecutor, a Mirror with Hallucinations, and the Checkmate Queen. As trial is set for Conspiracy, is the law finally catching up to serial killer Karma? Or will its players find themselves too close to its target than anyone is ready to realize?

Book 3 Ride shotgun, with courtroom war king Miles Ahead, in a collision mystery that ended cable news host: The Chaos King. Miles Turner switches lanes, to civil trial, as attorney Sue A. Lott is seeing red in a 'yellow light' making others turn green... with envy. But what are the real twists and turns in Ally Rhodes? Feel the impact of an outsmarted Smart Alec and a not-so-Silent Knight. The Collision's Alibi is a cozy whodunit mini-mystery of chain letters, a bar fight, conspiracy claims, and the invasive ways of The Chaos King himself! But will a legal handshake between both sides reveal the real 'drive' behind it all?

Book 4 It's another 'street fight on a chessboard' as Criminal Justice leads a coin-toss, exploring the flip sides of Pretty Penny, Lucky Penny, and Penny Saver. One prosecutor believes just one Penny makes 'sense.' With her defense attorneys, Miles Ahead and The Jury Whisperer, it's a courtroom war sure to collect every penny and 'make change.' With forbidden affairs, a Mental Girlfriend, and a mysterious diary, trial is set for Mya Penny. For awareness to win, it must reveal more than a Juliet tattoo. My Mental Girlfriend is a 'penny for your thoughts' in a cozy murder mystery. Its whodunit collection ranges from a missing boyfriend, to a stepmom, from the biological mother, to even the victim herself with a Romeo & Juliet self-infliction! "Only a poor heart will nickel-and-dime a penny" – Jwyan C. Johnson

Book 5 Only a window knows if Robin Moore was robbin' more! With no things stolen, and one gunshot in the dark, was this really dad's burglary to steal child custody? And why is this little girl still missing? The seniority of suspicion attracts the legal fight in Miles Turner and The Jury Whisperer for another 'street fight on a chessboard.' With an unlikely helper, can Miles put puzzle pieces together to reveal a 'window of opportunity?' Are there family pieces in this puzzle that simply don't fit together? And should this trial start with the 'puzzle end piece?' Climb inside The Window's Puzzle for a trial of priorities, a criminal past, redemption, The Joneses, and Another Man's Treasure. Join the jury to see if a complete puzzle reveals reasonable doubt... and much more."

Music to My Years Sep 28 2019 In this memoir full of humor and heart, comedian,

writer, and producer Cristela Alonzo shares personal stories of growing up as a first-generation Mexican-American in Texas and following her dreams to pursue a career in comedy. When Cristela Alonzo and her family lived as squatters in an abandoned diner, they only had two luxuries: a television and a radio, which became her pop cultural touchstone and a guiding light. Cristela shares her experiences and struggles of being a first-generation American, her dreams of becoming a comedian, and how it feels to be a creator in a world that often minimizes people of color and women. Her stories range from the ridiculous—like the time she made her own tap shoes out of bottle caps or how the theme song of *The Golden Girls* landed her in the principal's office—to the sobering moments, like how she turned to stand-up comedy to grieve the heartbreaking loss of her mother and how, years later, she's committed to giving back to the community that helped make her. Each significant moment of the book relates to a song, and the resulting playlist is deeply moving, resonant, and unforgettable. *Music to My Years* will make you laugh, cry, and even inspire you to make a playlist of your own.

Drawdown Jun 25 2019 • New York Times bestseller • The 100 most substantive solutions to reverse global warming, based on meticulous research by leading

scientists and policymakers around the world “At this point in time, the Drawdown book is exactly what is needed; a credible, conservative solution-by-solution narrative that we can do it. Reading it is an effective inoculation against the widespread perception of doom that humanity cannot and will not solve the climate crisis. Reported by-effects include increased determination and a sense of grounded hope.” —Per Espen Stoknes, Author, *What We Think About When We Try Not To Think About Global Warming* “There’s been no real way for ordinary people to get an understanding of what they can do and what impact it can have. There remains no single, comprehensive, reliable compendium of carbon-reduction solutions across sectors. At least until now. . . . The public is hungry for this kind of practical wisdom.” —David Roberts, *Vox* “This is the ideal environmental sciences textbook—only it is too interesting and inspiring to be called a textbook.” —Peter Kareiva, Director of the Institute of the Environment and Sustainability, UCLA In the face of widespread fear and apathy, an international coalition of researchers, professionals, and scientists have come together to offer a set of realistic and bold solutions to climate change. One hundred techniques and practices are described here—some are well known; some you may have never heard of. They range from clean energy to educating girls in lower-income countries to land use practices that pull carbon out of the air. The solutions exist, are economically viable, and communities throughout the world are currently enacting them with skill and determination. If deployed collectively on a global scale over the next thirty years, they represent a credible path forward, not just to slow the earth’s warming but to reach drawdown, that point in time when greenhouse gases in the atmosphere peak and begin to decline. These measures promise cascading benefits to human health, security, prosperity, and well-being—giving us every reason to see this planetary crisis as an opportunity to create a just and livable world.

[Aural/Oral Dramaturgies](#) Jul 27 2019 *Aural/Oral Dramaturgies: Theatre in the Digital Age* focuses on the ‘aural turn’ in contemporary theatre-making, examining a number of seemingly disparate trends that foreground speech and sound -- ‘post-verbatim’ theatre, ‘amplified storytelling’ (works using microphones and headphones), and ‘gig theatre’ that incorporates live music performance. Its main argument is that the dramaturgical underpinnings of these works contribute to an understanding of theatre as an extra-literary activity, greater than the centrality of the script that traditionally dominated many historical discussions. This quality is usually expressed in terms of the corporeality in dance and physical theatre, but the aural/oral turn gives an alternative viewpoint on the interplay between text and performance. The book's case studies draw on the ways in which a range of theatre companies engage with the dramaturgy of speech and sound in their work. It is further accompanied by a specially curated collection of digital resources, including interviews, conversations, and presentations from artists and academics. This is a key text for scholars, students, and

practitioners of contemporary performance, and anyone working with dramaturgies of orality and aurality in today's performance environment.

***You Deserve the Truth* Oct 22 2021** From a millennial media maker and award-winning social critic, an accessible, straightforward, and remarkable guide that “invites us beyond the old stories we’ve told about ourselves, and into the wonder of our dreams, hopes, and love—so we can find our truth and purpose” (Glennon Doyle, New York Times bestselling author) for a generation paralyzed by the pressures of life. Behind the glossy Instagram pictures, many people in their 20s and 30s are living frustrating lives: overwhelmed and confused, anxious and inauthentic, exhausted and afraid. They are leading lives that, unbeknownst to them, have been shaped by everyone but themselves. From social media to the workplace, the stories that they have believed have left them constantly seeking a better life but rarely ever finding it. Erica Williams Simon saw this all too well. At 27, she abruptly walked away from her career as a rising political media star to find her own truth and a truth that would help others finally build a life worth living. She rejected the lies that the world had taught her, and rewrote the ideas that have the power to shape a generation. *You Deserve the Truth* is a “refreshingly blunt take on happiness” (Publishers Weekly) and is a masterclass in how to challenge the narratives about fear, work, identity, success, love, and life. Take the Mic: Fictional Stories of Everyday Resistance Jan 25 2022 A young adult anthology featuring fictional stories of everyday resistance.

Enough of Me Aug 08 2020 I'm living the dream in my fancy-pants world, and I've got the Instagram feed to prove it. Who am I kidding? I'm literally holding it together with one more cup of coffee, yesterday's dry shampoo, and a prayer. So I finally said enough. Enough of me. I'm bidding farewell to chasing emptiness and exchanging it for more of Jesus. If we agree with Paul in Acts 20:24 that our lives are worth nothing unless we use them for finishing the work of telling others the Good News - where are we in our quest to get busy for Jesus? In our world of hashtags, hair color, and having it all together, chances are we aren't accomplishing much. *Enough of Me* is an 8-week Bible study for women focused on what God's Word has to say about the tug-of-war between our flesh and our mission. The study explores the barriers that stand between where we are today and where God wants to use us to finish His work. Do you have a nagging in your heart for more purpose? Are you right smack dab in the middle of a tug-of-war between your flesh and your mission? Often we want to live out the purpose and mission God has for us, but we're too distracted, exhausted, and empty. Maybe it's time to say enough to the excuses, anxiety, and interruptions that get in our way. Could it be we're so busy chasing emptiness and playing the people-pleasing game, that we can't find time to live on mission? It's time to take a deep breath and do some inventory. Let's dig in and see what God's Word has to say about this tug-of-war between our flesh and our mission. Let's figure out ways to quit chasing emptiness and take bold

steps of obedience. Let's discover how we can glorify God and steer people to Jesus in our cubicles, at our dinner tables, in our mom-groups, and with people we encounter every day. What would happen if we said Enough of Me . . . more Jesus.

The Fatherhood Framework May 17 2021 Fathers are meant for more. If you're a father, you're on a journey with a purpose. Quite frankly, fatherhood is hard. Whether your children are still little or grown with kids of their own, navigating the different phases of life is challenging. How do we know what the correct picture of fatherhood looks like? How can we know what we should do along the way? The Fatherhood Framework lays out who you are meant to be as a father by understanding God's design and plan for fatherhood. There isn't a more crucial time in history to make fatherhood a priority. Our culture needs fathers who will not stop short of giving their best to point their family to a greater purpose.
