Skin in the Game Mar 30 2020 #1 NEW YORK TIMES BESTSELLER • A bold work from the author of *The Black Swan* that challenges many of our long-held beliefs about risk and reward, politics and religion, finance and personal responsibility In his most provocative and practical book yet, one of the foremost thinkers of our time redefines what it means to understand the world, succeed in a profession, contribute to a fair and just society, detect nonsense, and influence others. Citing examples ranging from Hammurabi to Seneca, Antaeus the Giant to Donald Trump, Nassim Nicholas Taleb shows how the willingness to accept one's own risks is an essential attribute of heroes, saints, and flourishing people in all walks of life. As always both accessible and iconoclastic, Taleb challenges long-held beliefs about the values of those who spearhead military interventions, make financial investments, and propagate religious faiths. Among his insights: • For social justice, focus on symmetry and risk sharing. You cannot make profits and transfer the risks to others, as bankers and large corporations do. You cannot get rich without owning your own risk and paying for your own losses. Forcing skin in the game corrects this asymmetry better than thousands of laws and regulations. • Ethical rules aren't universal. You're part of a group larger than you, but it's still smaller than humanity in general. • Minorities, not majorities, run the world. The world is not run by consensus but by stubborn minorities imposing their tastes and ethics on others. • You can be an intellectual yet still be an idiot. "Educated philistines" have been wrong on everything from Stalinism to Iraq to low-carb diets. • Beware of complicated solutions (that someone was paid to find). A simple barbell can build muscle better than expensive new machines. • True religion is commitment, not just faith. How much you believe in something is manifested only by what you're willing to risk for it. The phrase "skin in the game" is one we have often heard but rarely stopped to truly dissect. It is the backbone of risk management, but it's also an astonishingly rich worldview that, as Taleb shows in this book, applies to all aspects of our lives. As Taleb says, "The symmetry of skin in the game is a simple rule that's necessary for fairness and justice, and the ultimate BS-buster," and "Never trust anyone who doesn't have skin in the game. Without it, fools and crooks will benefit, and their mistakes will never come back to haunt them."

Ancient and Medieval Greek Etymology Aug 23 2019 This volume on Greek synchronic etymology offers a set of papers evidencing the cultural significance of etymological commitment in ancient and medieval literature. The four sections illustrate the variety of approaches of the same object, which for Greek writers was much more than a technical way of studying language. Contributions focus on the functions of etymology as they were intended by the authors according to their own aims. (1) "Philosophical issues" addresses the theory of etymology and its explanatory power, especially in Plato and in Neoplatonism. (2) "Linguistic issues" discusses various etymologizing techniques and the status of etymology, which was criticized and openly rejected by some authors. (3) "Poetical practices of etymology" investigates the ubiquitous presence of etymological reflections in learned poetry, whatever the genre, didactic, aetiological or epic. (4) "Etymology and word-plays" addresses the vexed question of the limit between a mere pun and a real etymological explanation, which is more than once difficult to establish. The wide range of genres and authors and the interplay between theoretical reflection and applied practice shows clearly the importance of etymology in Greek thought.

There's Trouble Brewing Aug 15 2021 A quiet English town is turned upside down by a grisly murder . . . Private detective and poet Nigel Strangeways has been invited to address the Maiden Astbury literary society in the sleepy and serene Dorset town. But all is not as peaceful as it seems. Local brewer Eustace Bunnett is on the warpath after his beloved dog is found dead in one of the Bunnett's Brewery vats. The grisly crime casts an air of suspicion over the whole town, but no culprit is found. When a body is discovered in the very same vat, gruesomely boiled down to its bones, Strangeways is called in to catch the killer and solve this very peculiar mystery in a town more perturbing than picturesque . . . "Blake's resourceful and well-read amateur investigator Nigel Strangeways is a distinctive sleuth." —The Times (London) "The Nicholas Blake books are something quite by themselves in English detective fiction." —Elizabeth Bowen

Into the Real Sep 04 2020 NEW YORK TIMES BEST-SELLING AUTHOR JOHN RINGO AND USA TODAY BEST-SELLING AUTHOR LYDIA SHERRER JOIN FORCES ON A NEW SF NOVEL OF ALIEN INVASION. Ender's Game meets Mean Girls meets Pokemon Go. Lynn Raven may be the boss master of WarMonger 2050 with her online persona of "Larry the Snake," but when the CEO of Tsunami Entertainment personally asks her, as a favor, to beta test a new augmented reality game, she has to face her greatest fear: Going outside and dealing with, ugh, people. As she becomes more immersed in the game, the stakes rise and so do the obstacles. Strife between teammates, a ruthless rival team, and these strange glitches that make it seem like the game algorithm (or maybe "game AI"?) has it in for her. Now she has to face a new fear: is she willing to step into the real to win the future she's always wanted? What do you do when a game and real life merge? The Secrets of the Immortal Nicholas Flamel (Books 1-3) Dec 19 2021 Nicholas Flamel appeared in J.K. Rowling's Harry Potter—but

did you know he really lived? And he might still be alive today! Discover the truth in Michael Scott's New York Times bestselling series the Secrets of the Immortal Nicholas Flamel with the first three books: The Alchemyst, The Magician, and The Sorceress. The truth: Nicholas Flamel was born in Paris on September 28, 1330. The legend: Nicholas Flamel discovered the secret of eternal life. The records show that he died in 1418. But his tomb is empty. Nicholas Flamel lives. But only because he has been making the elixir of life for centuries. The secret of eternal life is hidden within the book he protects—the Book of Abraham the Mage. It's the most powerful book that has ever existed. In the wrong hands, it will destroy the world. That's exactly what Dr. John Dee plans to do when he steals it. Humankind won't know what's happening until it's too late. And if the prophecy is right, Sophie and Josh Newman are the only ones with the power to save the world as we know it. Sometimes legends are true. And Sophie and Josh Newman are about to find themselves in the middle of the greatest legend of all time. "[A] A riveting fantasy...While there is plenty here to send readers rushing to their encyclopedias...those who read the book at face value will simply be caught up in the enthralling story. A fabulous read."—SLJ, Starred Read the whole series! The Alchemyst The Magician The Sorceress The Necromancer The Warlock The Enchantress

White Ninja Jul 26 2022 A New York Times bestseller by the author of *The Ninja: An American* uses his martial arts expertise to track a serial killer preying on the women of Tokyo. A sadist haunts the back alleys and sex clubs of Tokyo, picking up women, horrifically mutilating them, and leaving behind a calling card written in blood: This could be your wife. He kills fearlessly, certain the police will never catch him. The only man who might stop this fiend is Nicholas Linnear, a martial arts expert whose childhood education in the dojos of Japan has made him one of the country's leading practitioners of ninjutsu. But Linnear fears that his illness may have left him Shiro Ninja—stripped of his power and discipline. With the killer growing increasingly brazen, Linnear must summon all his strength and training before his own family becomes the next target. "Compelling [and] highly charged with action," this is a chilling tale of menace, crime, and corruption featuring the half-British, half-Chinese hero of *The Ninja* and *The Miko*, by the #1 New York Times–bestselling author of the Jason Bourne series (Publishers Weekly).

Social Innovation in Higher Education Feb 09 2021 This open access book offers unique and novel views on the social innovation landscape, tools, practices, pedagogies, and research in the context of higher education. International, multi-disciplinary academics and industry leaders present new developments, research evidence, and practice expertise on social innovation in higher education institutions (HEIs), across academic and professional disciplines. The book includes a selected set of peer-reviewed chapters presenting different perspectives against which relevant actors can identify and analyse social innovation in HEIs. The volume demonstrates how HEIs can respond to societal challenges, support positive social change, and contribute to the development of international public policy discourse. It answers the question 'how does the present higher education system, in different countries, promote social innovation and create social change and impact'. In answering this question, the book identifies factors driving success as well as obstacles. Furthermore, it examines how higher education innovation assists societal challenges and investigates the benefits of effective social innovation engagement by HEIs. The interdisciplinary approach of the volume makes it a must-read for scholars, students, policy-makers, and practitioners of economics, education, business and management, political science, and sociology interested in a better understanding of social innovation.

Making Whoopie (Hot Cakes Book Three) Apr 23 2022 This marriage of convenience is about to get sticky. Getting hitched for the health insurance is not Jocelyn Asher's idea of romance. But the hospital quote has really frosted her cookies, and suddenly, "I'm rich. We should just get married," sounds a whole lot more swoony. Especially when the man proposing is this gorgeous. And takes her to parties featuring champagne and petit fours. She's a sucker for anything with bubbles or icing. And just like that she finds herself married to a near stranger. Grant Lorre is usually allergic to spontaneity. So why did he ask the beautiful small-town baker he had a one-night stand with to marry him? Somehow watching her lick batter off a whisk—not a euphemism—made a wedding and a little fraud seem like a sweet idea. They'll just play house and make some whoopie-pies, of course—for a few months and then move on with their separate lives. Until then, bring on the cream filling. And that is a euphemism. But as things heat up even outside of the kitchen, they quickly realize there's no recipe to follow when it comes to love.

Reaper: Drone Strike Nov 18 2021 Nicholas Irving's *Reaper: Drone Strike* is the next book in the explosive thriller series by the former special operations sniper and New York Times bestselling author of *The Reaper*. On a classified mission to help the Israeli Defense Forces stop a Syrian and Hezbollah invasion to seize the Golan Heights, Ranger sniper Vick Harwood and his spotter go deep undercover. Operating with limited support from the American and Israeli governments, Vick is out on the edge. Alessandra Cavezza, Director of Operations in Syria for the Italian UN Commission for Refugees, is moving families out of an embattled neighborhood. The nearly vacant suburb has been a haven for anti-Assad forces, ISIS militants, and Russian private military contractors. As she crawls into the basement of a home to help find a young girl's doll, she finds a secret room that has detailed descriptions of unthinkable attacks on the United States, and falls into the hands of a madman: Jasar Tankian, Lebanese mastermind behind the plots. As Syrian tanks attempt to push through Israeli defenses at the border, Team Reaper picks off Syrian tank commanders as they battle Israeli tanks, jets, and infantrymen. Combat intensifies as Vick goes black on ammunition. Commandeering a cargo drone to deliver Team Reaper to a landing zone near the coordinates, Vick becomes Alessandra's—and America's—only hope for survival.

Incerto 4-Book Bundle Nov 06 2020 Nassim Nicholas Taleb's landmark *Incerto* series is an investigation of luck, uncertainty, probability, opacity, human error, risk, disorder, and decision-making in a world we don't understand, in nonoverlapping and standalone books. All four volumes—*Antifragile*, *The Black Swan*, *Foiled by Randomness*, and the expanded edition of *The Bed of Procrustes*, updated with more than 50 percent new material—are now together in one ebook bundle. ANTIFRAGILE "Startling . . . richly crammed with insights, stories, fine phrases and intriguing asides."—*The Wall Street Journal* Just as human bones get stronger when subjected to stress and tension, many things in life benefit from disorder, volatility, and turmoil. What Taleb has identified and calls "antifragile" is that category of things that not only gain from chaos but need it in order to survive and flourish. The resilient resists shocks and stays the same; the antifragile gets better and better. What is crucial is that the antifragile loves errors, as it incurs small harm and large benefits from them. Spanning politics, urban

planning, war, personal finance, economic systems, and medicine in an interdisciplinary and erudite style, *Antifragile* is a blueprint for living in a Black Swan world. **THE BLACK SWAN** “[A book] that altered modern thinking.”—The Times (London) A black swan is a highly improbable event with three principal characteristics: It is unpredictable; it carries a massive impact; and, after the fact, we concoct an explanation that makes it appear less random and more predictable. The astonishing success of Google was a black swan; so was 9/11. In this groundbreaking and prophetic book, Taleb shows that black swan events underlie almost everything about our world, from the rise of religions to events in our own personal lives, and yet we—especially the experts—are blind to them. **FOOLED BY RANDOMNESS** “[Fooled by Randomness] is to conventional Wall Street wisdom approximately what Martin Luther’s ninety-five theses were to the Catholic Church.”—Malcolm Gladwell, *The New Yorker* Are we capable of distinguishing the fortunate charlatan from the genuine visionary? Must we always try to uncover nonexistent messages in random events? *Fooled by Randomness* is about luck: more precisely, about how we perceive luck in our personal and professional experiences. Set against the backdrop of the most conspicuous forum in which luck is mistaken for skill—the markets—*Fooled by Randomness* is an irreverent, eye-opening, and endlessly entertaining exploration of one of the least understood forces in our lives. **THE BED OF PROCRUSTES** “Taleb’s crystalline nuggets of thought stand alone like esoteric poems.”—Financial Times This collection of aphorisms and meditations expresses Taleb’s major ideas in ways you least expect. The Bed of Procrustes takes its title from Greek mythology: the story of a man who made his visitors fit his bed to perfection by either stretching them or cutting their limbs. With a rare combination of pointed wit and potent wisdom, Taleb plows through human illusions, contrasting the classical views of courage, elegance, and erudition against the modern diseases of nerdiness, philistinism, and phoniness.

Hell Divers III: Deliverance Oct 05 2020 The New York Times and USA Today bestselling series They will dive, but will humanity survive? Left for dead on the nightmarish surface of the planet, Commander Michael Everhart and his team of Hell Divers barely escape with their lives aboard a new airship called Deliverance. After learning that Xavier “X” Rodriguez may still be alive, they mount a rescue mission for the long-lost hero. In the skies, the Hive is falling apart, but Captain Jordan is more determined than ever to keep humanity in their outdated lifeboat. He will do whatever it takes to keep the ship in the air—even murder. But when he learns the Hell Divers he exiled have found Deliverance, he changes course for a new mission—find the divers, kill them, and make their new ship his own. In the third installment of the Hell Divers series, Michael and his fellow divers fight across the mutated landscape in search of X. But what they find will change everything.

Infamous Jan 08 2021 The world has fallen in love with Nick Gautier and the Dark-Hunters. Now Nick’s saga continues in the next eagerly anticipated volume... Go to school. Get good grades. Stay out of trouble. That’s the mandate for most kids. But Nick Gautier isn’t the average teenager. He’s a boy with a destiny not even he fully understands. And his first mandate is to stay alive while everyone, even his own father, tries to kill him. He’s learned to annihilate zombies and raise the dead, divination and clairvoyance, so why is learning to drive and keep a girlfriend so dang hard? But that isn’t the primary skill he has to master. Survival is. And in order to survive, his next lesson makes all the others pale in comparison. He is on the brink of becoming either the greatest hero mankind has ever known. Or he’ll be the one who ends the world. With enemies new and old gathering forces, he will have to call on every part of himself to fight or he’ll lose everyone he cares about. Even himself.

Turned Up Oct 17 2021 Dillon Alexander has been Kit Derby’s nemesis the third grade spelling bee. Working together one night during their senior year, they stopped bickering long enough to share an emotionally charged kiss. But a tragedy that same night left them both racked with guilt, driving Dillon out of town and leaving Kit determined to keep her distance. Now an emergency room physician, Dillon has returned to Chance, Nebraska, and falls into old habits with Kit. But when a blizzard traps them together overnight, the real competition begins.

Extinction Horizon Mar 10 2021 USA Today bestseller Nicholas Sansbury Smith’s first book in his thrilling post-apocalyptic series about one man’s mission to save the world. Master Sergeant Reed Beckham has led his Delta Force Team, codenamed Ghost, through every kind of hell imaginable and never lost a man. When a top secret Medical Corps research facility goes dark, Team Ghost is called in to face their deadliest enemy yet—a variant strain of Ebola that turns men into monsters. After barely escaping with his life, Beckham returns to Fort Bragg in the midst of a new type of war. As cities fall, Team Ghost is ordered to keep CDC virologist Dr. Kate Lovato alive long enough to find a cure. What she uncovers will change everything. Handbook of Medieval Culture Sep 16 2021 A follow-up publication to the Handbook of Medieval Studies, this new reference work turns to a different focus: medieval culture. Medieval research has grown tremendously in depth and breadth over the last decades. Particularly our understanding of medieval culture, of the basic living conditions, and the specific value system prevalent at that time has considerably expanded, to a point where we are in danger of no longer seeing the proverbial forest for the trees. The present, innovative handbook offers compact articles on essential topics, ideals, specific knowledge, and concepts defining the medieval world as comprehensively as possible. The topics covered in this new handbook pertain to issues such as love and marriage, belief in God, hell, and the devil, education, lordship and servitude, Christianity versus Judaism and Islam, health, medicine, the rural world, the rise of the urban class, travel, roads and bridges, entertainment, games, and sport activities, numbers, measuring, the education system, the papacy, saints, the senses, death, and money.

Beauty and the Bayou (Boys of the Bayou Book 3) Jan 20 2022 A sexy small town, beauty and the beast rom com! Sawyer Landry knows he's been beastly to be around for the past few months. But he can't seem to remember how to be fun-loving and friendly. Until he sees Juliet Dawson on his boat dock... and realizes that hip waders are, apparently, one of his turn-ons. But despite the beauty in the boots, the last thing he needs right now is a city girl in his way for the next two weeks. But he's not really getting a vote. Juliet is determined that her little brother rebuild the dock he and his idiot friends smashed. She's quirky, klutzy, independent...and possibly an even bigger pessimist than Sawyer is. He's incredibly drawn to the cynical fish-out-of-water, who seems to be the one person who isn't intimidated by his growling. The big, gruff boat captain is the first person in a long time to want to watch out for her and Juliet finds that hotter than his grandma's jambalaya. Well, that and his sexy scar, his emotional baggage, and the sense of humor and fun that is buried deep. But Sawyer doesn't need any more people to worry about long-term and the things that make him feel protective of Juliet aren't going to go away. So, this two-week adventure can't be anything more than a fling. With Juliet down on the bayou, there's an even bigger threat than alligators and hurricanes. There's the very good chance of someone ending up with a broken heart.

The truth: Nicholas Flamel was born in Paris on September 28, 1330. The legend: Nicholas Flamel discovered the secret of eternal life. The records show that he died in 1418. But his tomb is empty. Nicholas Flamel lives. But only because he has been making the elixir of life for centuries. The secret of eternal life is hidden within the book he protects—the Book of Abraham the Mage. It's the most powerful book that has ever existed. In the wrong hands, it will destroy the world. That's exactly what Dr. John Dee plans to do when he steals it. Humankind won't know what's happening until it's too late. And if the prophecy is right, Sophie and Josh Newman are the only ones with the power to save the world as we know it. Sometimes legends are true. And Sophie and Josh Newman are about to find themselves in the middle of the greatest legend of all time. "[A] A riveting fantasy...While there is plenty here to send readers rushing to their encyclopedias...those who read the book at face value will simply be caught up in the enthralling story. A fabulous read."—SLJ, Starred Read the whole series! The Alchemyst The Magician The Sorceress The Necromancer The Warlock The Enchantress
