Irrational Man Feb 27 2020 Widely recognized as the finest definition of existentialist philosophy ever written, this book introduced existentialism to America in 1958. Barrett speaks eloquently and directly to concerns of the 1990s: a period when the irrational and the absurd are no better integrated than before and when humankind is in even greater danger of destroying its existence without ever understanding the meaning of its existence.

Irrational Man begins by discussing the roots of existentialism in the art and thinking of Augustine, Aquinas, Pascal, Baudelaire, Blake, Dostoevski, Tolstoy, Hemingway, Picasso, Joyce, and Beckett. The heart of the book explains the views of the foremost existentialists—Kierkegaard, Nietzsche, Heidegger, and Sartre. The result is a marvelously lucid definition of existentialism and a brilliant interpretation of its impact.

Conjure Tales and Stories of the Color Line Apr 30 2020 Unlike the popular "Uncle Remus" stories of Joel Chandler Harris, Charles W. Chesnutt's tales probe psychological depths in black people unheard of before in Southern regional writing. They also expose the anguish of mixed-race men and women and the consequences of racial hatred, mob violence, and moral compromise. This important collection contains all the stories in his two published volumes, *The Conjure Woman* and *The Wife of His Youth*, along with two uncollected works: the tragic "Dave's Neckliss" and "Baxter's Procustes", Chesnutt's parting shot at prejudice. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Secret Memoirs of Jacqueline Kennedy Onassis Jul 14 2021 A fictionalized memoir depicts the iconic figure's feelings and thoughts between the recorded lines of history, offering insights into how she experienced the assassination of JFK, her rivalry with Maria Callas, and her abuse-marked marriage to Aristotle Onassis. By the author of *Good Morning, Darkness*. 25,000 first printing.

Anecdotes of Destiny and Ehrengard Jun 20 2019 In the classic "Babette's Feast," a mysterious Frenchwoman prepares a sumptuous feast for a gathering of religious ascetics and, in doing so, introduces them to the true essence of grace. In "The Immortal Story," a miserly old tea-trader living in Canton wishes for power and finds redemption as he turns an oft-told sailors' tale into reality for a young man and woman. And in the magnificent novella *Ehrengard*, Dinesen tells of the powerful yet restrained rapport between a noble Wagnerian beauty and a rakish artist. Hauntingly evoked and sensuously realized, the five stories read and novella collected here have the hold of "fairy stories read in childhood . . . of dreams . . . and of our life as dreams" (*The New York Times*).

Paradise Reclaimed Sep 16 2021 An idealistic Icelandic farmer journeys to Mormon Utah and back in search of paradise in this captivating novel by Nobel Prize—winner Halldor Laxness. The quixotic hero of this long-lost classic is Steinar of Hlidar, a generous but very poor man who lives peacefully on a tiny farm in nineteenth-century Iceland with his wife and two adoring young children. But when he impulsively offers his children's beloved pure-white pony to the visiting King of Denmark, he sets in motion a chain of disastrous events that leaves his family in ruins and himself at the other end of the earth, optimistically building a home for them among the devout polygamists in the Promised Land of Utah. By the time the broken family is reunited, Laxness has spun his trademark blend of compassion and comically brutal satire into a moving and spellbinding enchantment, composed equally of elements of fable and folklore and of the most humble truths.

The Sibyl Jun 25 2022

The Marriage Feast May 24 2022 This collection of stories written over a period of more than thirty shows the deep seriousness and astonishing versatility of Par Lagerkvist's imagination. From the commonplace charm of the title story, to the searing futuristic satire of "The Children's Campaign," to the disquieting fantasy of "The Lift That Went Down to Hell," we see that Lagerkvist admits no settled boundaries between fact and fable. In this he is a poet for whom fantasy permeates the actual and "reality" can take on the dimensions of the fabulous. Life is, to him, a system of dark paradoxes; but there is also the good -- "a quiet, everyday radiance that mankind always had difficulty noticing and setting a value on."

Pilgrim at Sea Mar 22 2022 With *Pilgrim at Sea* the author has completed his tetralogy (set of 4 books) searching for God--journeying to the Holy Land but we never get there, we are always at sea. You learn to accept yourself from the sea--his existentialist sermon. There is a shipwreck and plundering, etc.

This small incident becomes life-changing: he decides to quit his job, leave his wife, sell his possessions, and spend a year wandering the wilds of Finland—with the bunny as his boon companion. The Sibyls Oct 05 2020 "African women are the only women in the world whose ancient mothers were not born under the yoke of patriarchy. During ancient times, for the first 6,000 years, Africa was ruled by a powerful order of matriarchs. Considering the current status of African women around the world today, one can hardly be convinced that her matriarchal presence and the enormous influence she welded in the ancient world, had far exceeded the limited physical, cultural geographical and political designations of which Africa and her religions are confined today. During her reign, African religions had reached very high levels of theological and ritual development. And were the original spiritual home of the world's first great oracles, prophetesses and prophets. Under the rising tide of African patriarchy, the sacerdotal order of Sibyls were sold as slaves to build and work the powerful oracles they established in Ancient Greece, Rome, Turkey and Babylon. What is now currently the 'holy seat of the Vatican' in Italy, was originally the sacerdotal seat of these ancient black Sibyl Queen Mothers. Centuries before for Christ, they were known to heal the sick, restore dignity and strength to the weak, and restore sight to the blind. They were famous for curing lameness, epileptics, deaf mutes and lepers. They were said to 'cast out demons' and even to 'raise-up the dead' Their prophecies are the oldest and most authentic in the world. They were the basis for Greek and Roman tragedies and plays. More astonishing, their prophetic books were later collected by the Roman authorities, who needed a 'western theological' foundation in order to compete with the powerful levitical Jews. These Sibyl prophecies soon became the sole and undisputed precursor to the western, Christian Bible. As the first established, sacerdotal, African matriarchs, the Sibyls cultural and religious impact was arguably the most profound, on ancient civilization than modern history has ever revealed or care to admit. From Mesopotamia, to Libya, Mizarim (Kemet/Egypt), Ionia, Minoa, Peloponnese (Turkey) and Mycenae (Greece) and later Rome, the Sibyls were the primary, divine Vatican and absolute moral authority. The absence of African women's contribution in world history as major economic, political and spiritual players, as oppose to 'exceptions to the norm,' or mere appendages of 'great men', has been problematic and disturbing at best. For the first time ever, her real history is being unearthed, revealed and told. In its telling, many shocking revelations that remained hidden for more than 2000 years, will finally be know." -- Back cover
