*Never Caught, the Story of Ona Judge* Apr 27 2022 "A brilliant work of US history." —School Library Journal (starred review) "Gripping." —BCCB (starred review)

"Accessible...Necessary." —Kirkus Reviews (starred review) A National Book Award Finalist for Nonfiction, *Never Caught* is the eye-opening narrative of Ona Judge, George and Martha Washington's runaway slave, who risked everything for a better life—now available as a young reader's edition! In this incredible narrative, Erica Armstrong Dunbar reveals a fascinating and heartbreaking behind-the-

scenes look at the Washingtons when they were the First Family—and an in-depth look at their slave, Ona Judge, who dared to escape from one of the nation's Founding Fathers. Born into a life of slavery, Ona Judge eventually grew up to be George and Martha Washington's "favored" dower slave. When she was told that she was going to be given as a wedding gift to Martha Washington's granddaughter, Ona made the bold and brave decision to flee to the north, where she would be a fugitive. From her childhood, to her time with the Washingtons and living in the slave quarters, to her escape to New Hampshire, Erica Armstrong Dunbar, along with Kathleen Van Cleve, shares an intimate glimpse into the life of a little-known, but powerful figure in history, and her brave journey as she fled the most powerful couple in the country.

*Deadly Confections* Dec 24 2021 Life wasn't all that great when you were dead. Piper was the head baker of Secret Confections in the scorching hot small Texas town of Babylon. Or...at least she was until she died. Struck by one of her own out of control cupcake trucks, Piper's soul left her body and managed to somehow find its way into Purgatory. Turned out, the waiting room for Heaven and Hell was a small, invisible town in Texas. Just her luck. She'd always wanted to leave Texas and ended

up being stuck there for the rest of her afterlife. But things weren't all bad. She has a new bakery and new semi-kind of life. Until a guy rushes into her shop and dies right on top of her brand new ceramic floor. Which might not have been that bad until he uttered the one word that was instant death to the livelihood of a baker with a brand new business. Poison.
