Black Power Jun 13 2021 Originally published in 1954, Richard Wright's Black Power is an extraordinary nonfiction work by one of America's premier literary giants of the twentieth century. An impassioned chronicle of the author's trip to Africa's Gold Coast before it became the free nation of Ghana, it speaks eloquently of empowerment and possibility, and resonates loudly to this day. Also included in this omnibus edition are two nonfiction works Wright produced around the time of Black Power. White Man, Listen! is a stirring collection of his essays on race, politics, and other essential social concerns ("Deserves to be read with utmost seriousness"—New York Times). The Color Curtain is an indispensable work urging the removal of the color barrier. It remains one of the key commentaries on the question of race in the modern era. ("Truth-telling will perhaps always be unpopular and suspect, but in The Color Curtain, as in all his later nonfiction, Wright did not hesitate to tell the truth as he saw it."—Amritjit Singh, Ohio University)

The Man Who Lived Underground Jul 26 2022 New York Times Bestseller One of the Best Books of 2021 by Time magazine, the Chicago Tribune, the Boston Globe and Esquire, and one of Oprah's 15 Favorite Books of the Year "The Man Who Lived Underground reminds us that any 'greatest writers of the 20th century' list that doesn't start and end with Richard Wright is laughable. It might very well be Wright's most brilliantly crafted, and ominously foretelling, book." —Kiese Laymon A major literary event: an explosive, previously unpublished novel about race and violence in America by the legendary author of Native Son and Black Boy Fred Daniels, a Black man, is picked up by the police after a brutal double murder and tortured until he confesses to a crime he did not commit. After signing a confession, he escapes from custody and flees into the city's sewer system. This is the devastating premise of this scorching novel, a never-before-seen masterpiece by Richard Wright. Written between his landmark books Native Son (1940) and Black Boy (1945), at the height of his creative powers, it would see publication in Wright's lifetime only in drastically condensed and truncated form, and ultimately be included in the

posthumous short story collection *Eight Men*. Now, for the first time, by special arrangement with the author's estate, the full text of the work that meant more to Wright than any other ("I have never written anything in my life that stemmed more from sheer inspiration") is published in the form that he intended, complete with his companion essay, "Memories of My Grandmother." Malcolm Wright, the author's grandson, contributes an afterword.

The Richard Wright Encyclopedia Aug 15 2021 Richard Wright is one of the most important African American writers. He is also one of the most prolific. Best known as the author of *Native Son*, he wrote 7 novels; 2 collections of short fiction; an autobiography; more than 250 newspaper articles, book reviews, and occasional essays; some 4,000 verses; a photo-documentary; and 3 travel books. By attacking the taboos and hypocrisy that other writers had failed to address, he revolutionized American literature and created a disturbing and realistic portrait of the African American experience. This encyclopedia is a guide to his vast and influential body of works.

Black Boy [Seventy-fifth Anniversary Edition] Sep 28 2022 A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the *New York Times* wrote that "if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy." Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for "obscenity" and "instigating hatred between the races." Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he headed north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to "hurl words into this darkness and wait for an echo." Seventy-five years later, his words continue to reverberate. "To read *Black Boy* is to stare into the heart of darkness," John Edgar Wideman writes in his foreword. "Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear." One of the great American memoirs, Wright's account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time.

Richard Wright: The Library of America Unexpurgated Edition: Native Son / Uncle Tom's Children / Black Boy / And More Jun 20 2019 For the first time in a deluxe boxed set, the definitive edition of Richard Wright's landmark works in the form in which he intended them to be read. Here, in authoritative texts based on the author's original typescripts and proofs, is the Library of America's acclaimed edition of Richard Wright's major works. Wright's first novel, *Lawd Today!*, published posthumously in 1963 and here presented for the first time in its original form, interweaves news bulletins, songs, exuberant wordplay, and scenes of confrontation and celebration into a kaleidoscopic chronicle of the events of one day in the life of a black Chicago postal worker. *Uncle Tom's Children* first brought Wright to national attention. The characters in these five stories struggle to survive the cruelty of racism in the South, as Wright asks what quality of will must a Negro possess to live and die with dignity in a country that denied his humanity. Wright's masterpiece, *Native Son*, exploded on the American literary scene in 1940. The story of Bigger Thomas, a young black man living in the raw, noisy, crowded slums of Chicago's South Side, captured the hopes and yearnings, the pain and rage of black Americans with an unprecedented intensity and vividness. The text printed

in this volume restores the changes and cuts--including the replacement of an entire scene--that Wright was forced to make by book club editors who feared offending their readers. Wright's wrenching memoir *Black Boy*, an eloquent account of his struggle to escape a life of poverty, ignorance and fear in his native South, was an immediate bestseller when it appeared in 1945. But Wright's complete autobiography, published for the first time in this volume as *Black Boy (American Hunger)*, is a far more complex and probing work, chronicling his encounter with racism in the North, his apprenticeship as a writer, and his disillusionment with the Communist Party. Wright's 1953 novel *The Outsider* appears here in a text that restores the many stylistic changes and long cuts made by his editors without his knowledge. When Cross Damon is mistakenly believed to have died in a subway accident, he seizes the opportunity to invent a new life for himself. The text here, based on Wright's final, corrected typescript, casts new light on his development of the style he called poetic realism. Boxed set contains *Richard Wright: Early Works*, 936 pp., and *Richard Wright: Later Works*, 887 pp., volumes #55 and #56 in the Library of America series.

Writers of the Black Chicago Renaissance Nov 25 2019 *Writers of the Black Chicago Renaissance* comprehensively explores the contours and content of the Black Chicago Renaissance, a creative movement that emerged from the crucible of rigid segregation in Chicago's "Black Belt" from the 1930s through the 1960s. Heavily influenced by the Harlem Renaissance and the Chicago Renaissance of white writers, its participants were invested in political activism and social change as much as literature, art, and aesthetics. The revolutionary writing of this era produced some of the first great accolades for African American literature and set up much of the important writing that came to fruition in the Black Arts Movement. The volume covers a vast collection of subjects, including many important writers such as Richard Wright, Gwendolyn Brooks, and Lorraine Hansberry as well as cultural products such as black newspapers, music, and theater. The book includes individual entries by experts on each subject; a discography and filmography that highlight important writers, musicians, films, and cultural presentations; and an introduction that relates the Harlem Renaissance, the white Chicago Renaissance, the black Chicago Renaissance, and the Black Arts Movement. Contributors are Robert Butler, Robert H. Cataliotti, Maryemma Graham, James C. Hall, James L. Hill, Michael Hill, Loyal King, Lawrence Jackson, Angelene Jamison-Hall, Keith Leonard, Lisbeth Lipari, Bill V. Mullen, Patrick Naick, William R. Nash, Charlene Regester, Kimberly Ruffin, Elizabeth Schultz, Joyce Hope Scott, James Smethurst, Kimberly M. Stanley, Kathryn Waddell Takara, Steven C. Tracy, Zoe Trodd, Alan Wald, Jamal Eric Watson, Donyel Hobbs Williams, Stephen Caldwell Wright, and Richard Yarborough.

Going There Jan 20 2022 A kaleidoscopic survey of black satire in 20th- and 21st-century American art In this groundbreaking study, Richard J. Powell investigates the visual forms of satire produced by black artists in 20th- and 21st-century America. Underscoring the historical use of visual satire as antiracist dissent and introspective critique, Powell argues that it has a distinctly African American lineage. Taking on some of the most controversial works of the past century—in all their complexity, humor, and provocation—Powell raises important questions about the social power of art. Expansive in both historical reach and breadth of media presented, *Going There* interweaves discussions of such works as the midcentury cartoons of Ollie Harrington, the installations of Kara Walker, the paintings of Robert Colescott, and the movies of Spike Lee. Other artists featured in the book include David Hammons, Arthur Jafa, Beverly McIver, Howardena Pindell, Betye Saar, and Carrie Mae Weems. Thoroughly researched and rich in context, *Going There* is essential reading in the history of satire, racial politics, and contemporary art.

The New Black Mask Apr 23 2022

Thirteen Mar 10 2021 One hundred years from now, and against all the odds, Earth has found a new stability; the political order has reached some sort of balance, and

the new colony on Mars is growing. But the fraught years of the 21st century have left an uneasy legacy ... Genetically engineered alpha males, designed to fight the century's wars have no wars to fight and are surplus to requirements. And a man bred and designed to fight is a dangerous man to have around in peacetime. Many of them have left for Mars but now one has come back and killed everyone else on the shuttle he returned in. Only one man, a genengineered ex-soldier himself, can hunt him down and so begins a frenetic man-hunt and a battle survival. And a search for the truth about what was really done with the world's last soldiers. *BLACK MAN* is an unstoppable SF thriller but it is also a novel about prejudice, about the ramifications of playing with our genetic blue-print. It is about our capacity for violence but more worrying, our capacity for deceit and corruption. This is another landmark of modern SF from one of its most exciting and commercial authors.

The Black Cat Apr 30 2020 Richard Jury is still dealing with the guilt of the accident that sent Lu Aquilar into a coma. But then he gets assigned the case of a beautiful woman who was murdered on the grounds of a pub called the Black Cat. And the only witness is a black cat. The woman is unidentifiable-but Jury is going to see that the person responsible is known to all...

Black City Demon Nov 18 2021 Since he became the guardian of the Gate between our world and Feirie sixteen hundred years ago, Nick Medea, once Saint George, has battled to keep the darkest Feirie--the Wyld--from invading the mortal plane. With the dragon an unwilling part of him, Nick maintains balance between realms, often at great cost to him and those nearest to him. Nick and his ragtag confederates--including the shape-shifter Fetch and Nick's reincarnated love, Claryce--have battled the Wyld, but mortals as sinister as the darkest Feirie. Now, with Prohibition in full swing and bootlegger wars embattling Chicago, a murderous evil born of the mortal world has turned its attention to the power of the Gate...and Nick himself. Nick must turn again to his most untrustworthy ally: the dragon within. Yet even together they may not be enough to face what was once a man...but is now a creature even dragons may fear. From the Trade Paperback edition.

Orange Is the New Black and Philosophy Feb 09 2021 This collection of eighteen chapters by talented philosophical minds probes some of the many lessons to be learned from *Orange Is the New Black* (mostly the addictive Netflix comedy-drama but with some attention to the best-selling real-life book by Piper Kerman). The show and the book that inspired it both dramatically highlight the troubling, stressful situation of millions of incarcerated Americans. How do the show's shower scenes shed light on the classical mind-body problem? How can we make our lives meaningful when our options are curtailed by authority? What does it mean to manipulate someone, and why is it bad? What can we learn about the peculiarity of human beliefs from Pennsatucky's notion of the gay agenda? Is Litchfield Prison a preparation for life outside--or just a scale model of life outside? What could the governors of Litchfield learn from Jeremy Bentham and his panopticon? How is it that even in prison we find ourselves condemned to be free? Why is one of the worst things about prison being forced to see who and what we really are? It so happens that life in prison is absolutely full and overfull of philosophical implications. *Orange Is the New Black and Philosophy* stays close to the characters and scenes of the TV show, applying insights from ethics, existentialism, metaphysics, epistemology, and political philosophy. The book is aimed at thoughtful fans of this amazingly fine TV show, who want to learn more about its disturbing issues.

Richard Wright, New Edition Jul 22 2019 Presents a selection of criticism devoted to the work of African American author Richard Wright.

Optionality Jul 02 2020 Not Sure What the Future Holds? No Problem. It's hard not to be worried about the future, especially if you just lost your job, are trying to plan your career, or are suddenly missing thousands of dollars from your retirement account. In *Optionality*, finance journalist Richard Meadows lays out a guide for not only becoming resilient to shocks, but positioning yourself to profit from an

unpredictable world. Meadows takes us on a journey from quitting his office job at age 25, to lounging on tropical beaches living the early retirement dream, to finding and adopting an ancient philosophy for systematically pursuing the good life. Learn how to: • Find investment opportunities with open-ended upside, and maximise the chances of a 'moonshot' success • Make life-changing choices under conditions of uncertainty • Achieve the kind of financial freedom that lets you live life on your own terms • Protect against disaster, build support networks, and create a safety buffer of resilience in every area of life • Develop a systems approach to making your own luck Optionality is the key to navigating an uncertain world. In this entertaining and insightful debut, Meadows delivers a timely message: optionality has never been so valuable, and only those who have it will survive and thrive.

The Politics of Richard Wright Sep 23 2019 A pillar of African American literature, Richard Wright is one of the most celebrated and controversial authors in American history. His work championed intellectual freedom amid social and political chaos. Despite the popular and critical success of books such as *Uncle Tom's Children* (1938), *Black Boy* (1945), and *Native Son* (1941), Wright faced staunch criticism and even censorship throughout his career for the graphic sexuality, intense violence, and communist themes in his work. Yet, many political theorists have ignored his radical ideas. In *The Politics of Richard Wright*, an interdisciplinary group of scholars embraces the controversies surrounding Wright as a public intellectual and author. Several contributors explore how the writer mixed fact and fiction to capture the empirical and emotional reality of living as a black person in a racist world. Others examine the role of gender in Wright's canonical and lesser-known writing and the implications of black male vulnerability. They also discuss the topics of black subjectivity, internationalism and diaspora, and the legacy of and responses to slavery in America. Wright's contributions to American political thought remain vital and relevant today. *The Politics of Richard Wright* is an indispensable resource for students of American literature, culture, and politics who strive to interpret this influential writer's life and legacy.

Black Boy Dec 19 2021 Richard Wright's powerful account of his journey from innocence to experience in the Jim Crow South. It is at once an unashamed confession and a profound indictment—a poignant and disturbing record of social injustice and human suffering. When *Black Boy* exploded onto the literary scene in 1945, it caused a sensation. Orville Prescott of the *New York Times* wrote that “if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy.” Opposing forces felt compelled to comment: addressing Congress, Senator Theodore Bilbo of Mississippi argued that the purpose of this book “was to plant seeds of hate and devilment in the minds of every American.” From 1975 to 1978, *Black Boy* was banned in schools throughout the United States for “obscenity” and “instigating hatred between the races.” The once controversial, now classic American autobiography measures the brutality and rawness of the Jim Crow South against the sheer desperate will it took to survive. Richard Wright grew up in the woods of Mississippi, with poverty, hunger, fear, and hatred. He lied, stole, and raged at those about him; at six he was a “drunkard,” hanging about in taverns. Surly, brutal, cold, suspicious, and self-pitying, he was surrounded on one side by whites who were either indifferent to him, pitying, or cruel, and on the other by blacks who resented anyone trying to rise above the common lot. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to “hurl words into this darkness and wait for an echo.”

Black Is the New White Oct 05 2020 A contributor to Chappelle's Show, The Richard Pryor Show, Saturday Night Live, and many other programs recounts his many experiences with Pryor and describes his life as a TV writer, in a memoir that combines personal narrative with sharp, witty social insights.

Black and White Jun 25 2022 The fascinating, "upfront and unapologetic" (Kirkus Reviews) memoir of Richard Williams, a businessman, tennis coach, and father to two of the greatest athletes and professional tennis champions of all time—Venus and Serena Williams. Born into poverty in Shreveport, Louisiana in the 1940s, Richard Williams was blessed by a strong, caring mother who remained his lifelong hero, just as he became a hero to Venus and Serena. From the beginning of his life, Richard's mother taught him to live by the principles of courage, confidence, commitment, faith, and love. He passed the same qualities on to his daughters, who grew up loving their father and valuing the lessons he taught them. "I still feel really close to my father," says Serena. "We have a great relationship. There is an appreciation. There is a closeness because of what we've been through together, and a respect." A self-made man, Williams has walked a long, hard, exciting, and ultimately rewarding road during his life, surmounting many challenges to raise a loving family and two of the greatest tennis players who ever lived. *Black and White* is the extraordinary story of that journey and the indomitable spirit that made it all possible.

Black Cloud Rising Apr 11 2021 Set during the American Civil War, *Black Cloud Rising* is the powerful story of a man grappling with his own complicated history as he forges a future for himself—and his country. For readers of Edward P. Jones and Colson Whitehead *Told by Sgt. Richard Etheridge*, the son of an enslaved woman and her former master, *Black Cloud Rising* is based on the true story of the African Brigade, an all-Black regiment led by General Edward Augustus Wild, a one-armed white abolitionist who terrorized the North Carolina countryside. Eager to prove his manhood and worth, but deeply conflicted about his own notions of Blackness and whiteness, Richard must navigate a world of violence and moral uncertainty, never knowing whether the shot that could end his life will be fired by his own white cousin, who has turned Confederate guerrilla, or his fellow soldier, the self-named Revere, who sneeringly sees through Richard's racial self-doubt.

Richard M. Nixon Jan 08 2021 From the late 1940s to the mid-1970s, Richard Nixon was a polarizing figure in American politics, admired for his intelligence, savvy, and strategic skill, and reviled for his shady manner and cutthroat tactics. Conrad Black, whose epic biography of FDR was widely acclaimed as a masterpiece, now separates the good in Nixon—his foreign initiatives, some of his domestic policies, and his firm political hand—from the sinister, in a book likely to generate enormous attention and controversy. Black believes the hounding of Nixon from office was partly political retribution from a lifetime's worth of enemies and Nixon's misplaced loyalty to unworthy subordinates, and not clearly the consequence of crimes in which he participated. Conrad Black's own recent legal travails, though hardly comparable, have undoubtedly given him an unusual insight into the pressures faced by Nixon in his last two years as president and the first few years of his retirement.

Maximus Aug 27 2022 General Maximus is commander of Rome's finest legions. He has known violence his entire life. When he and his best friend, Androcles, return from a long, bloody campaign, Maximus finds himself questioning his life. Word has reached Rome of a man named Jesus who is causing a stir in faraway Judea. Maximus and Androcles are sent to ascertain the truth of the situation. Disguised as a Jew, Maximus slowly begins to understand the true teachings of Jesus in this epic story of one man's faith-building journey to find the purpose of life.

Freedom's Prophet Aug 23 2019 Looks at the life of the first black pamphleteer, abolitionist, and founder of the African Methodist Episcopal Church.

The Tao of Apathy Jul 14 2021 Who are the employees of St Jude's Medical Center? You already know them. You work with them. Come take a madcap meeting with them anyway and see how and why they leave common sense behind as the new hospital administrator William Petty changes everything. He adjusts associated staffing levels (fires people) and increases workloads (sometimes for the fired people). He

even limits Father Chuck to added-value duties. In response, the employees begin to form bad habits and a union. However, no one handles the changes worse than Bigger, a kitchen worker with a belief that he is affected by invisibility rays. The worst thing he could ever imagine happens—his boss offers him a promotion. All he has to do is betray his coworkers and help keep people from voting for the union. He seeks out advice from his motley crew of friends: Dykes who tells every woman he sleeps with that he is lonely; Dan the audio/visual geek who organizes the union just to piss his wife off; and even Father Chuck who is so stunned that he must now bill patients for his prayers that he spends his days bitterly smoking in the designated area for oral nicotine worship, "The Butt Hutt." The only person to give him good advice is his friend Joe who teaches him the Tao of Apathy. It's a powerful tool, but will Bigger choose to use it?

Here Nov 06 2020 From one of the great comic innovators, the long-awaited fulfillment of a pioneering comic vision. Richard McGuire's Here is the story of a corner of a room and of the events that have occurred in that space over the course of hundreds of thousands of years. (With full-color illustrations throughout.)

A Richard Wright Bibliography Jun 01 2020 Any future biographical work on Richard Wright will find this bibliography a necessity; academic or public libraries supporting a program of black culture will find it invaluable; and it belongs in any library supporting American literature studies. Richard Wright has truly been well served. Choice The most comprehensive bibliography ever compiled for an American writer, this book contains 13,117 annotated items pertaining to Richard Wright. It includes almost all published mentions of the author or his work in every language in which those mentions appear. Sources listed include books, articles, reviews, notes, news items, publishers' catalogs, promotional materials, book jackets, dissertations and theses, encyclopedias, biographical dictionaries, handbooks and study guides, library reports, best seller charts, the Index Translationum, playbills and advertisements, editorials, radio transcripts, and published letters and interviews. The bibliography is arranged chronologically by year. Each entry includes bibliographical information, an annotation by the authors, and information about all reprintings, partial or full. The index is unusually complete and contains the titles of Wright's works, real and fictional characters in the works, entries relating to significant places and events in the author's life, important literary terminology, and much additional information.

Richard Wright Oct 25 2019 African-American writer Richard Wright (1908–1960) was celebrated during the early 1940s for his searing autobiography (Black Boy) and fiction (Native Son). By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever, and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author within years are some 8,320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics.

Black Elite Sep 04 2020

The New Black Mask Sep 16 2021

Transubstantiate Dec 27 2019 "When an experiment with population control works too well, and the planet is decimated, seven broken people are united by a supernatural bond in a modern day Eden. Most on the island are fully aware of this prison disguised as an oasis. Coming for them, to exact revenge, and finish the job that the virus started, is Gordon. He just landed on the island and he has help"--P. [4] of cover.

Richard Wright's Black Boy (American Hunger) May 24 2022 This casebook reprints a selection of important and representative reviews, criticism and scholarly analysis of Richard Wright's 'Black Boy (American Hunger): A Record of Childhood and Youth' (1991).

Is Marriage for White People? Feb 27 2020 A distinguished Stanford law professor examines the steep decline in marriage rates among the African American middle class, and offers a paradoxical-nearly incendiary-solution. Black women are three times as likely as white women to never marry. That sobering statistic reflects a broader reality: African Americans are the most unmarried people in our nation, and contrary to public perception the racial gap in marriage is not confined to women or the poor. Black men, particularly the most successful and affluent, are less likely to marry than their white counterparts. College educated black women are twice as likely as their white peers never to marry. *Is Marriage for White People?* is the first book to illuminate the many facets of the African American marriage decline and its implications for American society. The book explains the social and economic forces that have undermined marriage for African Americans and that shape everyone's lives. It distills the best available research to trace the black marriage decline's far reaching consequences, including the disproportionate likelihood of abortion, sexually transmitted diseases, single parenthood, same sex relationships, polygamous relationships, and celibacy among black women. This book centers on the experiences not of men or of the poor but of those black women who have surged ahead, even as black men have fallen behind. Theirs is a story that has not been told. Empirical evidence documents its social significance, but its meaning emerges through stories drawn from the lives of women across the nation. *Is Marriage for White People?* frames the stark predicament that millions of black women now face: marry down or marry out. At the core of the inquiry is a paradox substantiated by evidence and experience alike: If more black women married white men, then more black men and women would marry each other. This book not only sits at the intersection of two large and well-established markets-race and marriage-it responds to yearnings that are widespread and deep in American society. The African American marriage decline is a secret in plain view about which people want to know more, intertwining as it does two of the most vexing issues in contemporary society. The fact that the most prominent family in our nation is now an African American couple only intensifies the interest, and the market. A book that entertains as it informs, *Is Marriage for White People?* will be the definitive guide to one of the most monumental social developments of the past half century.

The New Black Mask May 12 2021

12 Million Black Voices Dec 07 2020 From dusty rural villages to northern ghettos, *12 Million Black Voices* is an unflinching portrayal of the lives that many black Americans lived in the 1930s. It is a testament to the strength of black communities throughout America.

The Cambridge Companion to Richard Wright Jan 28 2020 Shows Wright's art was intrinsic to his politics, grounding his exploration of the intersections between race, gender, and class.

Richard Pryor Mar 30 2020 "This anthology captures the spirit, zest, and cultural impact of Pryor's complex artistry."--Back cover.

Black Richard's Heart Feb 21 2022 Nearly killed while trying to win back his ancestral home, Black Richard MacCullough is left scarred and mangled; but some scars run far deeper than mere skin. No longer the handsome devil or kind man of his youth, now he focuses solely on rebuilding everything that was lost to the brutal Chisolms and traitorous MacRays. Revenge -- while not nearly as important as keeping his clan from starving - is the only thing that keeps his bruised heart beating. With his clan on the brink of starvation and annihilation, Black Richard doesn't believe his life could get worse. Until King David II decides to put an end to the border wars himself, via a marriage between Black Richard and Aeschene MacRay, the

daughter of his sworn enemy. Locked away and all but forgotten because she is deemed imperfect and useless by her father, Aeschene MacRay holds no hope of ever having a husband and family of her own. The only thing she can hope for is that her vision will miraculously return and she will regain her father's approval. But when news arrives that she is to be married off to the chief of her father's enemy, she has only two choices: put her faith and hope in the monster that is Black Richard MacCullough or remain in the prison her father has created for her. When you've lost everything, any risk is worth the taking.

Black and White Mar 22 2022 "The gripping story of Richard Williams, the father who raised and trained two of the greatest women in sports, Venus and Serena. He achieved greatness in spite of hardship and disadvantages to become a successful businessman, family man and tennis coach"--

Bewilderment: A Novel Oct 17 2021 AN OPRAH'S BOOK CLUB SELECTION An Instant New York Times Bestseller A New York Times Notable Book of 2021 Shortlisted for the 2021 Booker Prize and Longlisted for the 2021 National Book Award for Fiction A Best Book/Best Novel of 2021 at NPR, Newsweek, The Boston Globe, Audible, Goodreads, Christian Science Monitor, Library Journal, Garden & Gun Magazine, and many more A heartrending new novel from the Pulitzer Prize-winning and #1 New York Times best-selling author of *The Overstory*. The astrobiologist Theo Byrne searches for life throughout the cosmos while single-handedly raising his unusual nine-year-old, Robin, following the death of his wife. Robin is a warm, kind boy who spends hours painting elaborate pictures of endangered animals. He's also about to be expelled from third grade for smashing his friend in the face. As his son grows more troubled, Theo hopes to keep him off psychoactive drugs. He learns of an experimental neurofeedback treatment to bolster Robin's emotional control, one that involves training the boy on the recorded patterns of his mother's brain... With its soaring descriptions of the natural world, its tantalizing vision of life beyond, and its account of a father and son's ferocious love, *Bewilderment* marks Richard Powers's most intimate and moving novel. At its heart lies the question: How can we tell our children the truth about this beautiful, imperiled planet?

The Richard Wesley Play Anthology Aug 03 2020 SENSE OF OCCASION

The New Black Oct 29 2022 A collection of twenty genre-bending neo-noir stories includes contributions from such authors as Craig Clevenger, Lindsay Hunter, and Kyle Minor.
