Bank Exam Pedia Aug 27 2019 In this present era of competition, every competitive examination consists of 5 sections Quantitative Aptitude, Reasoning, General English, Computer Science and General Awareness related to banking industry. After teaching more than 18,000 students in 28 years, we have seen a lot of students spending their time practicing aptitude and reasoning alone. But the students who cleared the exam would definitely say the above method of practicing would not help because merely passing in Aptitude and Reasoning sections will not help. Students should also think about the other sections and overall cut off. We know a lot of students who cleared all the sections but failed to clear the overall cut off. In fact, Practicing GK and English is the only way to raise the overall cut-off. So, we have decided to dedicate this entire magazine just for General Awareness & Banking awareness. We sincerely believe that students who practice the next 100 pages would secure 40 marks from the Banking awareness section. We thank Google Play for publishing our e-

magazine on their mobile platform. We also thank our students who assisted to bring this magazine out.
